WANTS PANAMA SHOW

Delegation of Influential Citizens of New Orleans Presents Claims Before Congress.

Washington, D. C., May 26.—The rival claims of San Francisco and New Orleans to federal recognition in the matter of the Panama Canal exposition and celebration in 1915 came to the front again today when a large and influential delegation from the Crescent City appeared before congress to argue in support of the advantages offered by New Orleans as the site for the proposed exposition. A week ago congress listened to the claims of San Francisco as presented by an equally distinguished delegation from that city. Meanwhile the race grows hotter each day. Without waiting for the decision of congress both cities are actively going ahead with their preparations. San Francisco has raised a subscription fund of \$5,000,000 to aid the enterprise and New Orleans is also raising a large working fund.

WILL CLOSE AT 6 P. M.

Merchants Have Agreed to That, and New Order Goes Into Effect June Twentieth.

In agreement the dry goods, clothing and furnishing merchants will close their stores at 6 p. m., the new order beginning Monday, June 20th and continuing until September 14th. This has been unanimously agreed upon.

New efforts are being made to get the grocers to line up on the same proposition, and they will likely agree to the same thing. This is a commendable move, and should be given every possible encouragement. It gives the salespeople and employers an opportunity to enjoy a little social and some life, and will be an advantage to them in many ways. People will soon accustom themselves to the new order of things, and will do their shopping at hours calculated not to interfere with the arrangement.

SMI LETTA SISTERS

Will be the Vaudeville Offering at the Lyric Theatre Tonight.

Management says: A good size crowd patronized the Lyric Theatre last night and witnessed a good bill of motion pictures, music and vaudeville.

Tonight the Lyric will open with a novelty act, when they will present for the first time in Palestine those high class vaudeville artists, the SMI Letta Sisters, in their sensational comedy work and slack wire performance. Mr. Hodkins, general manager of the Lyric Vaudeville Association at Chicago, has written Manager O'Connell that he cannot recommend this act to his patrons too highly, and no doubt the Lyric will do capacity business during the three days of their engagement in our city.

A feature film in motion pictures tonight is Selig's great picture, entitled "In the Nick of Time."

BOYS ORGANIZE

Big Campaign for Junior Members—Slides Chosen.

There were about forty boys out at the M. C. A. supper last night and several senior members who are interested in the boys' work department.

The boys on the campaign committee suggested and also offered to take up the work of assisting one of the teams in the campaign. The entire junior membership was divided into two teams, the Whites and the Blues. The physical director then gave the plans of the campaign and stated how the prizes were to be won. The boys were dismissed with prayer. The Whites will meet this afternoon at 5 o'clock for a rally and the Blues will meet Friday at 5 in the association building. Reporter.

In Bad Fix

"I had a mishap at the age of 41, which left me in bad fix," writes Mrs. Georgia Usher, of Conyers, Ga. "I was unconscious for three days, and after that I would have fainting spells, dizziness, nervousness, sick headache, heart palpitation and many strange feelings. "I suffered greatly with ailments due to the change of life and had 3 doctors, but they did no good, so I concluded to try Cardui. "Since taking Cardui, I am so much better and can do all my housework."

Take CARDUI

The Woman's Tonic

Do not allow yourself to get into a bad fix. You might get in so bad you would find it hard to get out. Better take Cardui while there is time, while you are still in moderately good health, just to conserve your strength and keep you in tip top condition. In this way your troubles, whatever they are, will gradually grow smaller instead of larger—you will be on the up-grade instead of the down—and by and bye you will arrive at the north pole of perfect health.
