DEMOCRATS ARE DIVIDED

Over the Ohio Senatorial Indorsement—Harmon Will Be Gubernatorial Nominee.

(Herald Special.)

Dayton, O., June 21.—Confident of victory in the fall elections and with their enthusiasm given added force by the belief that their standard-bearer in the campaign about to begin will be the presidential candidate two years hence, the democratic hosts of Ohio have rallied here in force for the state nominating convention. The committee meets in Memorial Hall this evening to organize by the appointment of the necessary committees and to listen to the opening addresses. The work will be completed tomorrow by the nomination of a state ticket and the adoption of a platform.

Governor Judson Harmon will be renominated by acclamation. No other name will be presented for the head of the ticket. Contests are in prospect for the nominations for lieutenant governor and state treasurer, but the general belief is that when the convention gets down to work a slate approved by Governor Harmon will be put through without much difficulty.

One of the subjects with which the convention has to deal and the only one apparently which threatens to interfere with the general harmony of the gathering is the question of indorsing a candidate for United States senator. The proposal to indorse a senatorial candidate was approved by William J. Bryan, who some time ago wrote a letter attacking Governor

Harmon department, G. A. R., and the annual meetings of the Woman's Relief Corps and other affiliated bodies opened here today and will continue through Friday. The encampment is to be honored this year by the presence of many noted guests and all signs point to a successful gathering.

Prince Edward Albert, Heir Apparent of Great Britain

Prince Edward, who will soon be made Prince of Wales, a title that is given by individual investiture and not by birth, is the eldest of the six children of the new king and queen of England. He will be sixteen years old on June 23.

Prince Edward will for the present be styled the Duke of Cornwall and Rothesay. He succeeds forthwith to the duchy of Cornwall, with a clear income of \$400,000 yearly, which will accumulate until he becomes of age, giving him an independent fortune of \$2,500,000.

The fact that he will some day become king of England if the normal course of events is not interrupted does not seem to weigh heavily upon Prince Edward. He is as merry and light hearted a youngster as can be found anywhere. He has a whole menagerie of his own, to which he is devoted, and he is an ardent advocate of kindness to animals.

WHY SALVES FAIL TO CURE ECZEMA.

Scientists are now agreed that the eczema germs are lodged not in the outer skin or epidermis, but in the inner skin. Hence, a penetrating liquid is required, not an outward salve that clogs the pores.

We recommend to all eczema patients the standard prescription Oil of Wintergreen as compounded in liquid form known as D. D. D. Prescription. A trial bottle of this D. D. D. Prescription, at only 25 cents, will instantly relieve the itch. We have sold and recommended this remedy for years, and know of wonderful cures from its use. We recommend it to our patrons. "It cured me," or "It saved the life of my child," are the expressions you hear every day about Chamberlain's Colic, Cholera and Diarrhoea Remedy. This is true the world over where this valuable remedy has been introduced. No other medicine in use for diarrhoea or bowel complaints has received such general approval. The secret of the success of Chamberlain's Colic, Cholera and Diarrhoea Remedy is that it cures. Sold by Bratton Drug Co.

Harmon for his opposition to the suggestion. Mr. Bryan has always had a large following among Ohio democrats, but in his demand that they nominate a candidate for the senate in their state convention he has found little support. Nevertheless, a fight on the question in convention is already clearly outlined and it may not be an easy matter to defeat the resolution.

Many of the democratic leaders believe Mr. Bryan was instigated to make his demand upon Governor Harmon by Tom L. Johnson of Cleveland. Nearly two months ago Johnson declared his intention of offering a resolution in the state convention that the convention proceed to the nomination of a candidate for the senatorship. The former mayor of Cleveland is a delegate to the convention and will have about one hundred of the eleven hundred delegates in it under his control.
