

CAST YOUR VOTES EARLY

So That the Election Judges May Not Be Unnecessarily Delayed in Making Their Count.

County Chairman G. R. Fowler requests the Herald to urge the voters in Saturday's primary to cast their vote early in the day where possible. This suggestion is made with a view to facilitate the counting of the vote and announcing the results at the earliest possible moment. The ticket is a long one, and it will require at best some time to make the count, and the voter can and should assist in pushing the work ahead.

MY DOCTOR MIGHTY FINE

Mrs. Hattie Cain of Carrsville Thinks all the More of Her Doctor Since He Advised Her to Take Cardui.

Carrsville, Ky.—"My doctor," writes Mrs. Hattie Cain, "who advised me to take Cardui, for my troubles, is a mighty fine doctor, and I say God bless Cardui and the people who make it.

"Before I took Cardui, I suffered with female troubles for sixteen years. I would have to send for a doctor every three months, and oh! how dreadfully I suffered!

"I would cramp and have convulsions and it looked like I would die. At last I took Cardui and oh! what a surprise! I found it was the medicine for me!

"From the first bottle, I began to mend and now I am well, can do more work, can walk and go where I please and it don't hurt me, and I owe it all to Cardui."

Cardui helps sick women back to health. It has been doing this for over 50 years. It is not a laxative, or a heart or kidney medicine—it is a woman's medicine.

If you are a woman, try it.
