A NOTED LABOR LEADER

Joseph Arch, One of the Pioneer Leaders of Organized Labor in England, is 85 Years Old.

(Herald Special.)

London, Nov. 10.—At his home in Warwick, Joseph Arch, one of the pioneer leaders of organized labor in England, received many messages of congratulation today upon the beginning of his eighty-fifth year. Recently he has grown quite feeble and for some time past he has not been permitted to receive visitors or to be troubled with business matters.

A little over a decade ago Mr. Arch was numbered among the most prominent men in England, owing to the large part he had taken in labor agitation and in the amelioration of the condition of the English farm laborer. He first came into prominence in the early seventies by originating an agricultural laborers' union, which became one of the strongest labor organizations in the country and almost completely revolutionized the condition of the farm hand, who was then little more than a serf. Mr. Arch was born a farm laborer in Warwickshire. He married the daughter of a mechanic and was wont to spend his nights reading books at his fireside while smoking his pipe. It was at his wife's suggestion that he studied. In this way he acquired some knowledge of logic, measurement and surveying. In 1872 he founded the National Agricultural Laborers' Union and was made its president. In this work he was greatly assisted by the late Samuel Morley, who freely contributed money to the cause. Mr. Arch traveled about the country and delivered lectures and addresses to the laborers. He was elected to the House of Commons in 1885 and continued to be a prominent member of that body for many years.

KILL THE DANDRUFF GERM Or Your Hair Will Fall Out Till You Become Bald.

Modern science has discovered that dandruff is caused by a germ that digs up the scalp in scales, as it burrows down to the roots of the hair, where it destroys the hair's vitality, causing falling hair, and ultimately, baldness. After Prof. Unna, of Hamburg, Germany, discovered the dandruff germ, all efforts to find a remedy failed until the great laboratory discovery was made which resulted in Newbro's Herpicide. It alone of all other hair preparations kills the dandruff germ. Without dandruff, hair grows luxuriantly. "Destroy the cause, you remove the effect." Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. One dollar bottles guaranteed. Bratton Drug Co., Special Agents.—Adv.

The trip will occupy about twelve days, allowing the president four days on the isthmus to inspect the progress of the canal work. INSTANT RELIEF FOR SORE FEET

Sore Feet, Tender Feet and Swollen Feet Cured Every Time—TIZ Makes Sore Feet Well No Matter What Ails Them.

Policemen all over the world use TIZ. Policemen stand on their feet all day and know what sore, tender, sweaty, swollen feet really mean. They use TIZ because TIZ cures their feet right up. It keeps feet in perfect condition. Read what this policeman has to say: "I was surprised and delighted with TIZ for tender feet. I hardly know how to thank you enough for it. It's superior to powders or plasters. I can keep my feet in perfect condition. Believe in my earnest gratitude for TIZ. I am a policeman and keep on my feet all day."—Emzy Harrell, Austin, Texas.

You never tried anything like TIZ before for your feet. It is different from anything ever before sold.

TIZ is not a powder. Powders and other foot remedies clog up the pores. TIZ draws out all poisonous exudations which bring on soreness of the feet, and is the only remedy that does. TIZ cleans out every pore and glorifies the feet—your feet.

You'll never limp again or draw up your face in pain and you'll forget about your corns, bunions and callouses. You'll feel like a new person. TIZ is for sale at all druggists at 25c per box, or it will be sent you direct if you wish from Walter Luther Dodge & Co., Chicago, Ill.
