BIG CROWDS ATTEND

Opening of Trial of Hattie Le Blanc, Charged With Murder of Clarence Glover.

Cambridge, Mass., Nov. 29.—Hundreds of spectators crowded into the court room for the trial of Hattie Le Blanc for the murder of Clarence F. Glover, and to hear the arguments on what may be the crucial point in the trial. This was whether the district attorney would be allowed to make reference to Glover's dying statement that "Hattie Le Blanc shot me." The attorneys for the seventeen-year-old girl claim that the reported statement did not constitute a dying statement as Glover, the attorney said, believed at the time he made the statement that he would recover. When the court opened the girl was sitting near the prisoner's cage.

Hundreds Were Disappointed.

The circus parade which took place at noon today disappointed hundreds of people who were waiting to see it pass down Spring street, the usual main thoroughfare for parades, because the parade "never touched it." The parade entered Oak street, passed around to and down Main street, and left the crowd on Spring street waiting.

GRACE AND HER COWBOY.

Nebraska Girl Wasn't Kidnaped By the Mexican.

Mexico City, Nov. 28.—Grace Rolph of Pender, Neb., who for a time was believed to have been kidnaped from an hacienda in Tamaulipas by Segundo Severo, a Mexican cowboy employed on the place, was found, alone, in a small town near Tampico, several days ago, according to advices which have reached this city. She declared that she had not been kidnaped, but went of her own accord, and that she had not been deserted, but that Severo had gone to make peace with the authorities. When this was accomplished, she said, they intended to be married. The American ambassador was appealed to by relatives of the girl for aid in effecting the capture of the alleged kidnaper and the assistance of the Mexican authorities had been enlisted.

SHOT BY MISTAKE.

Farmer Who Was Feeding Stock Is Mistaken For Burglar.

Welmar, Texas, Nov. 28.—A most unfortunate and accidental killing occurred near here early this morning in the New Beula neighborhood. From all accounts, it seems that Henry Thierman left home with his family on a trip to Austin county and got his special friend and neighbor to feed his stock for him during his absence. Mr. Thierman and family returned home during the night and retired. This morning between 5 and 6 o'clock his friend, Mr. Ferdinand Froehlich, Sr., aged about 65 years, not knowing of the arrival of Thierman, went as usual to feed the stock. Thierman, hearing a noise in the barn and not thinking about Froehlich, thought him a burglar, fired and killed him instantly. The homicide is very much regretted by the entire community.
