CHIEF JUSTICE WHITE.

The new head of the United States supreme court is a Confederate veteran. He made a splendid record fighting under the Confederate flag. Speaking of the man the Dallas Times Herald says: Justice White was born in Louisiana and he is a democrat. He was appointed to the supreme court by Grover Cleveland and is now in his sixty-fifth year, not too old for a supreme court chief justice. He fought for the Stars and Bars of the Confederacy and emerged from the war with an enviable record as a soldier. Brave in war he has been courageous as a jurist. Sentiment has never governed his opinions as to the law. He upheld the administration in all the insular cases investigating the Philippines and other insular possessions and also was with the minority court in voting to sustain the income tax. President Taft has proven by his action that he does not regard the supreme court a political body. He has been condemned many times for his "judicial temperament," but if

\$2178.40 Is Pledged to the Fund

Team Standing:

Team No. 1 F. M. Hutchinson	\$213.50
Team No. 2 B. D. Jackson	135.00
Team No. 3 W. L. Maury	513.50
Team No. 4 C. O. Miller	174.50
Team No. 5 Frank Naylor	165.50
Team No. 6 C. Pearson	356.50
Team No. 7 J. C. Silliman	399.50
Team No. 8 Chas. Thresto	220.50
Total	\$2178.50

It was a determined group of workers which met last night at the Y. M. C. A. campaign headquarters. The results reported were less than any day since the campaign opened, only \$300.00 being reported by the captains. The workers realize that they have a very difficult proposition to secure the balance of the fund, and that it will be impossible for them to raise the full amount unless friends respond more generously, and many of the number who have made gifts increase the amount of their subscriptions. The opportunity for helpful service, which will be manifest in the association for years to come, is at hand, and the leaders feel that with the facts presented the people of Palestine will respond, as they usually do.

Every one realizes that the completion of the fund practically depends upon the large gifts. Two of \$100.00 each and four or five of \$50.00 today it is felt would insure the \$3500.00. There seems to be a misunderstanding in reference to the money which is being secured. It should be definitely stated again that each year the association secures subscription, in addition to the memberships, and part of the \$3500.00 will be used for this purpose, together with the budget of 1910 and 1911. The swimming pool has never been fully paid for, there being a balance on that, and the cement walks which have been placed around the building. In addition it is desired to erect a porch at the front which will make the building more attractive, and will be specially useful for six months of the year, for social gatherings, and also for religious meetings. Furthermore by the expenditure of a few hundred dollars the association is granted the privilege of the railroad company's water supply, and when this is done at least \$300.00 a year will be saved on its current budget.

Surely for the purposes named friends will assist at this time of emergency. Palestine must not fail, and we believe she will not. In the reports Team No. 3, Captain W. L. Maury, announced \$127.50, this time passing the \$500.00 mark as a total. Team No. 7, Captain J. C. Silliman, reported \$66.50, with practically \$400.00 to its credit. Team No. 6, Captain C. Pearson, reported \$52.50, and is in third place. The total reported up to last night was \$2178.50. Workers will meet again tonight at 7 o'clock, and every one is urged to be on hand.

It would be encouraging to the workers to have friends phone in the amount of their pledges. Subscriptions made now can be paid one-half January 15th and one-half April 15, 1911.

Special Notice.

Will not the good citizens of the town help to remove the rubbish from the paved sidewalks? I have appealed to you so often that I have determined on the first of January, 1911, to send one of the city wagons up and down all business streets and remove all boxes, barrels and such like that are a nuisance.

J. H. Grant, Commissioner on Sanitation. Palestine, December 13, 1910.

Opening of Royall Street.

Indications are that soon Royall street will be an open thoroughfare across the International and Great Northern tracks. City Commissioner Turner has been untiring in his efforts to accomplish this much desired end, and his efforts are to meet success. He has lots of opposition, much trouble, and has refused to be discouraged. It is a good work.

New Preacher Arrives Tonight.

Rev. J. B. Turrentine, the new preacher appointed by the conference to take charge of Centenary Methodist church, will arrive, from the north this evening, on the 7:35 train, and a number of the church members and a committee from the Woman's Home Missionary Society will meet him. His family will accompany him. The parsonage has been made ready for the reception of the new preacher and his family.

A Hunting Party.

Mr. Tucker Royall, accompanied by Mr. John W. Wright of Dallas, and others, left Sunday for Catfish, to enjoy an outing, doing some hunting, etc. They were supplied with a good camping outfit, and are no doubt having as good a time as the disagreeable weather will permit.

Massachusetts State Grange.

Worcester, Mass., Dec. 13.—Considerable interest attaches to the annual meeting of the Massachusetts State Grange, which assembled for a three days' session here today, because of the secession movement which has agitated the national organization during the past few months. The controversy will be exhaustively discussed at the meeting, but what action, if any, will be taken is problematical. At the opening session this morning the delegates were welcomed by Mayor Logan of Worcester. This afternoon the convention began the consideration of the annual reports.
