

## DARK CAUSED ACCIDENT

And It Was Almost Miraculous That Some One Was Not Killed Last Evening.

Last evening about 7 o'clock, as Mr. W. Mitchell, his wife and two children, were driving home along Royall street, on the lower portion of which no street lamps were burning, making it dark as a stack of black cats, a negro driving in the opposite direction ran into and upset the Mitchell surrey, throwing the occupants out and demolishing the vehicle. When people in the neighborhood got to them, in answer to their cries and excited talk, Mr. Mitchell had recovered one of the children, and was bending over the wife, who was hurt and hysterical from fright. The vehicle was overturned in the street, smashed, and the horse gone. Soon all the occupants were accounted for, and no one was seriously injured, though Mrs. Mitchell was badly bruised, and the children more or less scratched.

It was almost a miracle that some of them were not killed. The negro driver whipped up his horse and hastened from the scene, not pausing to see what mischief he had done.

A big audience turned out last night to see the closing performance of the Rees Trio, that excellent vaudeville trio of musicians and equilibristas, and all left the theater highly pleased. These people are talented performers and their act is the kind of vaudeville people like to see.

For tonight the New Lyric will offer O'Dowd and O'Dowd, an exceptionally good singing and dancing team. Everybody likes to see real good singing and dancing, and no doubt the popular little Lyric will do its usual capacity business.

Piano Tuning.  
I have done as much work the past summer as I wanted to. In fact, I have had to keep my tuning fork on ice to keep it from melting, but it is getting some cooler now, and if any of my old customers want their pianos tuned or any new customers will trust me with their work, I will be glad to do it. I guarantee my work and will give entire satisfaction or money refunded. I have a limited time in Palestine to do this work, and have no time to solicit, so if you want me to do your work just drop me a card or leave orders with W. H. Kingsbury or W. E.
