The wholesale establishment of the Houston Dry Goods & Notion Company has been acquired by Mr. J. L. Souza and will be continued under the style of "American Notion Company" and their great specialty will be shirts, hosiery and underwear, gloves and notions. Mr. Souza's effort will be to make this establishment one of the foremost in the Southwest and the very extensive stock in those lines procured is the first step towards it.

Of all the enjoyable affairs of the season none was more appreciated than the watermelon party given by Mr. and Mrs. S. J. Westheimer at their home to the members of the Jewish Literary Society on Wednesday evening a week ago. The lawn was brilliantly lighted and their spacious home turned over to the guests. Music and an apron sale furnished diversion for the evening and as the guests departed all were profuse in their praise of the host and hostess and a long-to-be-remembered and enjoyable evening spent.

B'RITH ABRAHAM.

At the last regular meeting of Anshell Hirsch Lodge No. 200, O. B. A., which was held at Adath Yeshurun Hall, the following officers were installed by ex-President D. Frosch: President Joe Tiras; vice-president, L. Schlanger; recording secretary, M. Gordon; financial secretary, A. S. Greenstein; inner guard, S. Goldapper; trustees, D. Frosch, L. Seline and M. Shlakzug.

A pleasant feature of the meeting following the installation of officers was the notice to President Joe Tiras from the Grand Lodge that he had been appointed District Deputy Grand Master of the Southern District of Texas, and presented by the Grand Lodge with a gold badge of his office. This recognition came to President Tiras for faithful work on behalf of Anshell Hirsch Lodge and the order in general, Bro. Tiras having served the lodge several times as vice-president and three terms as president, and his appointment now as District Deputy Grand Master comes in direct line of promotion for faithfully performing all duties as prescribed by the laws and ritual of the order.
