That's what you want! Ten or 20 acres of fruit in the Lower Pecos Valley

**WILL BOOST YOU ON YOUR WAY TO WEALTH AND PROSPERITY!**

In this banner fruit country pears and peaches yield from \$500 to \$1000 per acre; the seasons are long enough to raise 7 to 8 crops of alfalfa per year. \$90 an acre buys the land and a perpetual water right, all taxes and dues forever after from 50 cents to \$1.00 per acre. All you pay down is 1-5, interest 6 percent; this gives ample opportunity to make the land pay for itself. Or we will cultivate it for you at exact cost of labor, giving free of charge the supervision of a territorial engineer. Grasp the hand of welcome that awaits you in this great Land of Opportunity. Call, or send for free literature.
