"Pape's Diapepsin" ends Indigestion, Gas, Dyspepsia and Stomach Misery in five minutes.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can get blessed relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these fifty-cent cases of Pape's Diapepsin, then you will understand why dyspeptic troubles of all kinds must go, and why they relieve sour, out-of-order stomachs or indigestion in five minutes. "Pape's Diapepsin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but, what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many "Pape's Diapepsin" cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gases, heartburn, sourness, dyspepsia, or any stomach misery.

Get some now, this minute, and rid yourself of stomach trouble and indigestion in five minutes.—Advertisement.

PRAISES THIS REMEDY FOR LUNG TROUBLE.

Many people are led to believe that Lung Trouble is a disease which cannot be conquered. This is wrong, as many have fully recovered their health. A change of climate has helped some, but many more have been restored to health by breathing the freshest air, eating well cooked wholesome food, being temperate in their habits and adding the tonic qualities of Eckman's Alterative, a medicine for Throat and Lung Troubles. Investigate this case:—Bowling Green, Ky., R. No. 4.

"Gentlemen: The spring of 1908 I had a severe cough for six months. I tried all the medicine that my doctors recommended to me, but no results came for the better. I had night sweats, and would cough and spit until I got so weak I could hardly do anything. But, at last, James Deering, of Glasgow Junction, insisted that I try your medicine. In one week's time there was quite an improvement in my condition, and after I had taken several bottles I felt as well as ever in my life. I firmly believe that Eckman's Alterative will relieve any case of lung trouble if taken before the last stage."

(Affidavit) A. C. BETTERSWORTH.

(Above abbreviated; more on request.)

Eckman's Alterative has been proven by many years' test to be most efficacious for severe Throat and Lung Affections, Bronchitis, Bronchial Asthma, Stubborn Colds and in upbuilding the system. Contains no narcotics, poisons or habit-forming drugs. Sold by leading druggists. Write the Eckman Laboratory, Philadelphia, Pa., for booklet telling of recoveries and additional evidence. MR. SERGENT HAS IDEA THAT IS NEW

El Paso Man Says Plant Juice Makes Health Contagious Instead of Disease.

Mr. William Sergent of El Paso has a new idea regarding Plant Juice. He says it makes health catching instead of disease. Mr. Sergent is connected with the Sheldon barber shop and his home is at 2616 Wyoming street. He says:

"My wife has suffered some time with stomach and bowel trouble; constipation at times and then bowels would move too freely. Her stomach troubled her and her nerves became affected. I did not sleep well myself. A statement in an El Paso paper by a lady suffering the same way and who was cured by Plant Juice, induced me to try it. My wife had not used all of one bottle and her bowels are not giving her any more trouble. Her stomach digests the food and she sleeps well and wakes up refreshed. Her complexion is getting better every day, and any man who has had sickness at home will know what I mean when I say I feel better in mind and body as a result of it all. I think that Plant Juice makes health catching."

Plant Juice is the greatest specific and tonic ever devised by man. It is purely vegetable and is the rarest and best combination of juices, extracts and essences that science has been able to take from the medicinal plants of the earth. If your ailment is chronic Plant Juice will relieve it and bring a permanent cure. It is the greatest of all specifics for all stomach, liver, kidney and blood ailments. REFUSE ENDORSEMENT TO PROHIBITIONISTS

Arizona Federation of Labor to Keep Hands Off; Will Initiate Black List; Politicians and Hand.

Bisbee, Ariz., Oct. 17.—The Arizona State Federation of Labor rejected resolutions offered from outside interests asking endorsement by the Federation of prohibition for Arizona. The action went through by a large majority.

A resolution of encouragement to the striking miners in the Lake Michigan copper country, urging them to hold out in their fight was adopted and ordered forwarded by telegraph.

A resolution was passed to initiate a blacklist law and also a universal eight hour law. It was the opinion of delegates following these actions that it would be best to curb indiscriminate offerings of recommendations for new legislation and confine efforts to a few of the more important measures.

Secretary and treasurer Campbell reported an increase in funds at the disposal of the State Federation and in membership. He said the year had been a highly satisfactory one. The report of Ed Simonton of the law and legislative committee declared headway being made, but that the results had not been secured from the legislators that had been hoped for, and recommended that in future labor use the initiative and pass laws they need themselves.

The political atmosphere prevalent is due to the belief that prevails that whoever gets the federation endorsement for the nomination for governor will have much easier sailing than he who fails of it. Overtures were made, however, to the end that the federation keep hands off in politics. It is believed these came from the Hunt side and the friends of Worsley feel elated, believing it an admission of weakness that has been discovered in the Hunt strength among the delegates. The convention will probably be unable to conclude the business it has before it until the end most certain.

The Federation of Labor endorsed the Kenny bill, requiring that all foreigners employed in mines must understand English sufficiently to convey orders intelligently fro mone workmn to another, but it drew the line on the proposed amendment requiring that 80 percent of all mine employes be Americans.

Bringing up the bill and amendment precipitated a lively fight, which continued during the greater part of the sessions. The endorsement of the bill without the amendment carried, 25 to 8.

Delegate Oberst gave notice that adoption of the 80 percent idea would mean his withdrawal from the organization, and added that many others would go with him.

ARTESIA'S FESTIVAL DRAWS BIG CROWD

Flower Parade Feature of Opening; Display of Valley Products a Revelation; Governor McDonald Reads Address.

Artesia, N. M., Oct. 17.—The fourth annual alfalfa festival and flower show opened here with the store fronts and sidewalks gaily decorated and the streets filled with out of town visitors. The products exhibited are the finest ever displayed in this section of the Pecos valley and are a revelation to strangers and townsmen alike.

The C. A. P. ranch and Johnson brothers have large and beautiful displays of apples. The grapes, peaches and pears make a fine appearance. Various kinds of vegetables come in for attention, with a 110 pound pumpkin the center of attraction. The large exhibits of indian corn are convincing evidence that this is a good country for corn.

The milking contest on the streets resulted in favor of a short horn cow belonging to Larsh brothers, which gave over 24 pounds at one milking.

Flower Parade Made Hit.

The flower exhibit, given by the women of the cemetery association, for excellence and variety, exceeded those of other years. Roses, dahlias and chrysanthemums predominated. The flower parade was the big feature of the day. It was led by the local cornet band, followed by Mrs. Sallie Robert, riding a white horse, bearing the figures 1877, the year Mrs. Robert came to Artesia as the first settler. A band of Apache indians on horseback, with war paint, came next, after which were a number of riders on decorated horses. Tandems, go-carts and floats followed, which displayed art and effort. Decorated autos, buggies and motorcycles brought up the rear.

Indians Won at Baseball.

The game of baseball between the Apache indians, of the Mescalero reservation, and the Artesia boys was hotly contested and resulted in a score of 6 to 0 in favor of the indians.

Press Men Deliver Addresses.

The eastern New Mexico and western Texas Press and Commercial Club association meeting was opened by an address of welcome by Joe Clayton, acting mayor, and was responded to by R. M. Harkey of Pecos, secretary of the association. Gayle Talbot, of the Artesia Advocate, spoke on "Getting Together," as did A. M. Hove of Otis, and Parson Gage of Hope.

In the evening Jack H. Estes, of Dallas, Texas, manager of the Texas & Pacific Magazine, gave an interesting talk on freight rates. Capt. Elliott of Dexter, made some remarks on the same subject. G. R. Brainerd and Walton A. Hyatt gave good talks on "Alfalfa" and J. B. Cecil and R. M. Love on "Fruit Raising." William H. Mullane, of the Carlsbad Current, read an interesting article on "The Newspaper." The audience was then treated to apples and sweet cider from the C. A. P. ranch.

Gov. McDonald Read Address.

The second day of the alfalfa festival was celebrated by some fancy shooting through the streets and at the baseball park, by the expert rifle shot, Capt. A. H. Hardy. At noon governor William C. McDonld, from an alfalfa stand, in front of the Hotel Hardwick, read an interesting address on the county salary bill, good roads, education and other topics of general interest. Though a drizzling rain fell during his remarks the audience remained to the close of his address.

A banquet at the Hotel Hardwick followed. Rain interfered with the second game of basball between the Apache indians and the Artesia team, and threatened to interfere with the alfalfa parade, horse and stock parade and third game of baseball.

"Anxious Wife"—Give 10 to 15 drops of the following in water an hour before each meal and your child will soon be controlled from bedwetting: Comp. fluid balmwort, 1 oz.; tincture cubebs, 1 dram; tincture rhus-aromatic, 2 drams.

* * *

"La Rue" writes: "For many years I have suffered with stomach and bowel trouble which has been caused by a severe case of catarrh. My blood is also in poor condition. What can be done for me?"

Answer: If you follow the directions given below you should be well and strong again. Obtain the following from any well stocked drugstore and mix by shaking well, then take a teaspoonful four times daily: Syrup sarsaparilla comp., 4 ozs.; comp. fluid balmwort, 1 oz.; fluid ext. buchu, 1 oz. Use in connection with this the following local treatment: Get a 2-oz. package of antiseptic vilane powder and make a catarrh balm by mixing one ounce of lard or vaseline with a level teaspoonful of the powder and use in the nostrils daily. Also make a wash of one pint of warm water and one-half teaspoonful of vilane powder and use two or three times a day until the nostrils are thoroughly cleansed and your trouble should soon be gone.

* * *

"Elsie M." writes: "I have such short, stringy, struggling hair and my scalp is full of dandruff. Please advise what to do."

Answer: The best advice I can offer is simple. Get at a well stocked drugstore a 4 oz. jar of plain yellow minyol, directions accompanying, and use it regularly. It promotes a healthy, vigorous growth of hair and abates dandruff, itching scalp, lustreless hair and stops falling hair. If the hair is harsh and straggling it restores a soft, fluffy appearance, and brings back the intense natural color.

* * *

"Hazelle" says: "I would certainly appreciate something that would increase my weight and take away that languid feeling which I am subject to most of the time. My blood is weak and watery and my appetite is poor."

Answer: Your condition is very easily overcome if you will follow the directions given below. Ask your druggist for 3-grain hypo-nuclane tablets and take according to the directions and your weight should increase. These tablets promote assimilation, absorption and aid digestion, transform the complexion and figure. They are prescribed by physicians and are perfectly good. They should be taken regularly for several months and you should depend upon gaining flesh and that languid feeling will vanish completely.

* * *

"D. E. G." writes: "My rheumatism is getting worse all the time. I am getting so stiff that it makes it very hard for me to get around."

Answer: Do not worry about your rheumatism, as that can be very easily controlled by using the following: Get at the drugstore the ingredients named mix thoroughly and take a teaspoonful mealtime and again at bedtime and you should soon be entirely relieved of that disagreeable disease, rheumatism. Purchase 2 drams of iodide of potassium; ½ oz. of wine of colchicum; 4 drams of sodium salicylate; 1 oz. comp. fluid balmwort; 1 oz. comp essence cardiol, and 5 ozs. of syrup sarsaparilla. This has satisfied thousands and I am sure it will you.

* * *

"Musician" asks: "Can you tell me how to overcome a bronchial trouble which manifests itself after singing by a tickling in the throat, hoarseness and a slight cough?"

Answer: Obtain a bottle of essence mentho-laxene and use it pure, or make into a cough syrup by mixing with ordinary granulated sugar syrup or honey. Directions for use and how to make accompany the package. It makes a full pint of effective, pleasant cough syrup and is excellent for all throat and bronchial trouble.

* * *

"Mrs. G. B." writes: "I suffer a great deal with stomach disorders—heavy feeling after eating, heart palpitation, wind and gas on stomach, etc. Am restless and irritable. Afraid to eat a hearty meal. Sometimes great pain. I fear appendicitis."

Answer: The neglect of constipation and indigestion is the most frequent cause of appendicitis. It is better to prevent than to cure by an operation. I advise that you obtain tablets tripeptine and take according to directions accompanying sealed carton. They are pink, white and blue, to be taken morning, noon and night, respectively. I think many cases of appendicitis could be prevented by using tripeptine intelligently.

* * *

"Mrs. C. C." writes: "Can you prescribe a tonic for one who is sleepless, nervous, hysterical, thin and getting thinner? Have little appetite and am restless day and night."

Answer: The following if used for several weeks will gradually restore and strengthen your nervous system: Compound syrup of hypophosphites, 5 ozs.; tincture cadomene, 1 oz. (not cardamom). Mix, shake well and take a teaspoonful before each meal.

* * *

"K. K. K." asks: "I am growing more stout as I get older and weigh 60 pounds too much now. I am alarmed and want to reduce. Please advise what to take."

Answer: You need not be alarmed if you will begin taking 5-grain arbolone tablets. These tablets reduce usually at the rate of a pound a day after the first few days. Any druggist can supply them in sealed tubes with full directions.

* * *

"Poor H." writes: "My health is very poor on account of a long-standing constipation. I have to use pills or something all the time. Can you prescribe something to take that will cure chronic constipation?"

Answer: Constipation is probably the cause of more illness than any other thing. Most remedies only aggravate the trouble and never cure. I always prescribe 3-grain sulpherb tablets (not sulphur tablets), and have found them most reliable and gradually curative. They act pleasantly and tone up the bowels and liver while purifying the blood.—Advertisement.

SLEEP DISTURBING BLADDER WEAKNESS BACKACHE-RHEUMATISM, QUICKLY VANISH

Even Most Chronic Sufferers Find Relief From Few Doses of Croxone.

Croxone soon relieves such conditions because it reaches the very roots of the disease. It soaks right into the stopped up, inactive kidneys, through the walls and linings; cleans out the little filtering cells and glands; neutralizes and dissolves the poisonous uric acid substances that lodge in the joints and muscles to scratch and irritate and cause rheumatism; heals the inflamed membranes of the bladder, and cleans out and strengthens the stopped up, lifeless kidneys so they can filter and sift all the poisons from the blood, and drive it out of the system.

So sure, so positive, so quick and lasting, are the results obtained from the use of Croxone, that three doses a day for a few days are often all that is required to end the worst backache, regulate the most annoying bladder disorders, and overcome the numerous other similar conditions.

Croxone is so prepared that it is practically impossible to take it without results.

An original package costs but a trifle, and all druggists are authorized to return the purchase price if Croxone fails to give desired results, regardless of how old you are, how long you have suffered, or what else has failed.—Advertisement.

All Clogged Up? Here's Quick Relief

A Simple Remedy to Correct Constipation Before It Becomes Chronic.

MR. H. W. FENSTERMAKER.

Very few people go through life without some time or other being troubled with constipation. Thousands injure themselves by the use of strong cathartics, salts, mineral waters, pills and similar things. They have temporary value in some cases, it is true, but the good effect is soon lost, and the more one takes of them the less effective they become.

A physic or purgative is seldom necessary, and much better and more permanent results can be obtained by using a scientific remedy like Dr. Caldwell's Syrup Pepsin. It does not hide behind a high sounding name, but is what it is represented to be, a mild laxative medicine. It is so mild that thousands of mothers give it to tiny infants, and yet it is so compounded, and contains such definite ingredients that it will have equally good effect when used by a person suffering from the worst chronic constipation. In fact, among the greatest endorsers of Syrup Pepsin are elderly people who have suffered for years and found nothing to benefit them until they took Syrup Pepsin.

It is a fact that millions of families have Dr. Caldwell's Syrup Pepsin constantly in the house, homes like those of Mr. H. W. Fenstermaker, Siegfred, Pa. He says he has had wonderful results from the use of Dr. Caldwell's Syrup Pepsin, that, in fact, he has never found a remedy so good, and he is glad to recommend it. The special value of this grand laxative tonic is that it is suited to the needs of every member of the family. It is pleasant tasting, mild and non-griping. Unlike harsh physics it works gradually and in a very brief time the stomach and bowel muscles are trained to do their work naturally again, when all medicines can be dispensed with.

You can obtain a bottle at any drug store for fifty cents or one dollar. The latter size is usually bought by families who already know its value. Results are always guaranteed or money will be refunded.

Families wishing to try a free sample bottle can obtain it postpaid by addressing Dr. W. B. Caldwell, 419 Washington St., Monticello, Ill. A postal card with your name and address on it will do.
