

REHEARSE FRIENDS FOR WEDDING

REHEARSE WEDDING AT THE WHITE HOUSE

Few Washingtonians Outside of Official Circles Will See Wedding of President's Daughter.

Washington, D. C., Nov. 24.—Finishing touches on the arrangements for the white house wedding were in evidence in the historic east room today, and rehearsal of the ceremony late in the afternoon completed all the plans for tomorrow's program, when Jessie Wilson, the president's daughter, will become the wife of Francis Bowes Sayre.

Dr. Winfield Greenleaf, the Labrador mission worker, who is to be best man for Mr. Sayre, arrived here today. Mrs. Sayre, mother of the bridegroom, was expected to be a guest at the white house today. Many guests from Princeton arrived.

Although a great number of officials have been invited to the wedding, it has become known that not more than a score of Washingtonians outside the official circles will be invited. No invitations have been issued to senators or representatives, as such, though a few have been invited outside of the cabinet and the diplomatic corps, invitations to official Washington are scarce.

As the wedding gifts arrived they were placed in a large room, where the members of the Wilson family personally supervised the work of unpacking and made lists for future acknowledgments. Those guests who are members of the house party and some of the others who arrived today, were shown the gifts, but it is understood the presents will not be on view tomorrow. The most valuable gift in the entire lot is the diamond pendant given by members of the house of representatives.

BOOK OF CULT LEADER TERMINED 'PRODUCT OF A DEPRAVED MIND' Chicago, Ill., Nov. 24.—After describing "Inner Studies," as neither a religious or educational book, but the product of a licentious and depraved mind, Walter Krimmel, assistant United States district attorney, told a jury in Judge Mack's court today that he would read the book in court.

"Inner Studies" was written by Ottoman Zair Adusht Hanish, head of the Mazdaznan cult, said to have a membership of 14,000 persons. The author is charged with violating the interstate commerce law in having sent the book by express from Chicago to Julia E. Gardner, of Brookfield, Mo.

PLEASE PUBLISH THIS LETTER

Writes Lady Who can Now Walk Four Miles a Day Without Feeling Tired.

Boydton, Va.—Mrs. Fannie Boyd, of this town, says: "I am sure I would have been in my grave, had it not been for Cardui, the woman's tonic, and I certainly cannot praise it enough, for it is worth its weight in gold. I am, today, a walking advertisement for Cardui."

Before taking Cardui, I could hardly walk across the floor. I was so weak. I underwent an operation last spring for womanly troubles, but felt no better. After using 8 bottles of Cardui, the woman's tonic, my ulcers were all gone. I can eat hearty without suffering any pain, feel fine in every way, work all day, and can walk four miles a day without feeling tired.

Please publish this letter, as I would like for every woman to know what Cardui did for me."

Many letters, similar to the above, come to us unolicited, every day. This one should surely convince you of the merit of Cardui, as it expresses the earnest sentiment of a lady who has tried it.

If you suffer from any of the numerous ailments so common to women, such as headache, backache, nervousness, weakness, pains in sides and limbs, sleeplessness, etc., begin taking Cardui today. It will help you, as it has helped so many others, in the past half century.

HOW YOU MAY THROW AWAY YOUR GLASSES

The statement is made that thousands wear eyeglasses who do not really need them. If you are one of these unfortunate ones, then these glasses may be ruining your eyes instead of helping them. Thousands who wear these "window" glasses may prove for themselves that they can dispense with glasses if they will get the following prescription filled at once. Go to any active drug store and get a bottle of Opton; fill a two-ounce bottle with water and drop in one Opton tablet. With this harmless liquid solution bathe the eyes two to four times daily and you are likely to be astonished at the results right from the start. Many who have been told that they have astigmatism, eye-strain, cataract, sore eye-lids, weak eyes, conjunctivitis and other eye disorders, report wonderful benefits from the use of this free prescription. Get this prescription filled and use it; you may so strengthen your eyes that glasses will not be necessary. Thousands who are blind or nearly so, or who wear glasses would never have required them if they had cured for their eyes in time. Save your eyes before it is too late. Do not become one of these victims of neglect. Eye-glasses are only like crutches and every few years they must be changed to fit the ever-increasing weakened condition, so better see if you can, like many others, get clear, healthy, strong, magnetic eyes through the prescription here given.—Advertisement.

Declares the President Is As Slow As English Statesmen

New York, Nov. 24.—Mrs. Inez Milholland Boissevain, the noted lawyer-suffragette, who has been called America's most beautiful suffragette, has just returned from her honeymoon abroad. She compares the noncommittal attitude of president Wilson on the suffrage question to that exhibited by the English statesmen in dealing with the militants.

URGES PUBLICITY FOR THE CHURCHES

William T. Ellis, editor of the "Continental," a Presbyterian journal, addressed the ministers of the Pastor's union Monday morning at their regular meeting in the Y. M. C. A. His subject was "Publicity connected with the church," and he made a very strong talk upon newspaper advertising for churches. In honor of Mr. Ellis, the Pastor's union is planning a dinner at which a large number of laymen will be invited and at which Mr. Ellis will be the principal speaker.

HOUSTON JUDGE WEDS LOS ANGELES GIRL

Los Angeles, Calif., Nov. 24.—Federal Judge Walter T. Burns, of Houston, Tex., was married here today to Miss Grace M. Willis, of Los Angeles. Judge Burns introduced an amendment to his honeymoon at New Orleans, where he is to hear several important cases in the United States court of appeals.

LA FOLLETTE SCORES LOBBY AGAINST SEAMEN'S BILL

Madison, Wis., Nov. 24.—There is nothing the biggest and most corrupt lobby in Washington for years. This was senator La Follette's comment here today in discussing the bill made to pass the measure. The bill came up in the senate. La Follette introduced an amendment and it is expected will pass the house early at the next session. For years men have been in slavery and this seamen's bill will break the shackles. The lobbyists will attempt to defeat it. Those who run excursions in rotten boats that drown people by the hundreds, the men who have life preservers on their boats that sink people rather than float them, will be in the fore—to defeat this legislation.

TEXAS RAILROADS SHOW BIG EARNINGS FOR YEAR

Austin, Texas, Nov. 24.—That the railroads of Texas have made money during the past fiscal year ending June 30, 1913, is compared with the previous year, as evidenced by a statement made public today by railroad commissioners W. D. Williams. This shows the total operating revenue for the year ending June 30, 1913, to be \$114,400,375, which is an increase of \$12,678,844, or an average of 12.13 per cent. The income from operations for the year ending June 30, 1913, was \$25,465,471, which is an increase of \$4,465,924, or an average after paying operating expenses of over \$67,000 per month. Williams says the loss claimed by certain of the railroads is due to overcapitalization.

VICTIM OF STABBING REFUSES TO TELL ASSAILANT'S NAME

Chicago, Ill., Nov. 24.—John Battagel, fatally stabbed last night in a vendetta outbreak in the north side district, known as "Little Hell," remained unconscious today, but declined to tell the names of his assailants to the police. "It is our affair; we will take care of them," he said. He was stabbed in 11 different places.

UNKNOWN PERSON KILLS HORSES ON VALLEY RANCH

Yaleta, Tex., Nov. 24.—Four fine horses belonging to Anastacio Carbajal were shot and killed on his ranch, a mile east of this town. Rumor has it the ranch is about a mile distant from the Rio Grande. No clue to the identity of the slayer has been discovered by local authorities.

THREE HURT WHEN AUTO TURNS OVER

El Paso Motorist Picks Up Four Persons From Wrecked Car, but Doesn't Get Their Names.

Demetrio Munoz, at his home, 416 Durango street, suffering with a compound fracture of both legs. Bliss bruised about the face and body, not believed to be seriously injured, and a practically demolished Ford touring car, were the result of a collision on the county road four miles east of the city, are evidences of what is claimed to have been a joy ride Sunday afternoon.

It is reported that three American men and three women were also passengers in the car. Two of the men and two of the women were picked up by W. D. Mosley, who was returning from Yaleta in his automobile, and taken to their homes near Lincoln park. Mr. Mosley did not ascertain the names of his passengers and they could not be located Monday. It is said they were not hurt.

The wrecked car, after striking a telegraph pole, rebounded and turned completely upside down. Silberman and Gooch, who were unable to escape, beneath it, according to reports.

FILES NOTICE OF APPEAL IN CONTEST

D. B. Gibson, of Dallas, Texas, contesting the appointment of D. W. Crutcher as administrator and guardian of the estate of Phillip Gibson, has filed his notice of appeal in the 41st district court.

At a hearing before special county judge J. M. Deaver, Mr. Crutcher, a grandfather of the minor, was appointed both guardian and administrator of the estate. His bond in the first instance was fixed at \$4000, and as administrator, he had to furnish a \$16,000 bond.

David Phillips, deceased, died intestate at St. Louis, Mo., July 20, last. A. S. Warner, of Dallas, a brother-in-law of the deceased, was appointed temporary administrator. The bulk of the property, consisting of a real estate valued at \$12,000, is located at Dallas. Mrs. May Gibson Wagner, a sister of the deceased, owned an undivided half interest in this real estate. The total value of real estate and personal property in El Paso was estimated at \$2000.

Mr. Gibson is contesting the appointment of Mr. Crutcher on the ground that he was not a blood relation of the deceased, and that the major portion of the estate is located in Dallas.

MEXICAN SLAYER ELUDES UTAH POSSE

Salt Lake City, Nov. 24.—Ralph Lopez, a Mexican desperado who killed four men Friday, still was at large today. Although there were reports of his trail being picked up in the Lake mountains this morning, it was feared he had made good his escape to the west.

Scores of deputies are endeavoring to locate him off and on the mountains, down or force him to turn back and spend another night in the mountains without food.

RAIN MAKES FARMER AND COWMAN HAPPY

Precipitation Reported General Over West Texas; Unsettled Weather Is Predicted for Tuesday.

A drizzly rain, gentle, but penetrating, put a wet blanket on El Paso Monday, but at the same time heightened the optimism of everyone who knows how kindly the farm and the range receive downpour. Beginning a 9 o'clock, the precipitation at 10:30 o'clock had totaled .99 inch, and was continuing at the same rate.

Abilene had a total of .52 inch at 6 o'clock Monday morning, and San Antonio 1.90 inches at the same hour. It was then just beginning to rain in Roswell, N. M. Santa Fe had no rainfall, and none was reported at Yuma, Phoenix or Los Angeles.

The forecast for this district Monday night and Tuesday is for unsettled weather.

HEAVY RAINS CAUSE DAM AT ABILENE TO GIVE WAY

Dallas, Texas, Nov. 24.—Heavy general rains over north Texas have caused damage to several dams, and have aroused apprehension of flood. At Abilene a large dam went out and at Bangor, Okla., the power station was put out of commission and the pumping station flooded, cutting off the city's light and water supply. Four inches of rain fell at San Angelo.

FOUR MEN SENTENCED FOR THEFT OF GEMS

London, Eng., Nov. 24.—Sentences were pronounced at the Old Bailey today on four men charged with stealing and receiving the pearl necklace valued at \$100,000, which disappeared during a transatlantic voyage. The men were sentenced to 12 months in prison for the theft of the necklace.

Two of the men, Lockett and Grisard, were sentenced to seven years and five years, and Gutworth to 18 months hard labor. After the prisoners had served their terms they will be deported to their native countries.

AMUSEMENTS.

"MUTT AND JEFF." Take out the chorus and its dancing, and "Mutt and Jeff," the so-called "mummy" show, has no excuse for existence this year.

Ben Byron and Louis Merkel as Mutt and Jeff, respectively, are the same men who took the role last year. Merkel as Jeff, is a much better character than Byron as Mutt. Byron talks like he had his mouth full of loose false teeth and it is very difficult to understand him.

That, as Capt. Wayne, of the U. S. army, sings well, but stumbles over his lines like a baby toddling on a rough road.

Frederick Dunham, Lieut. Borden, would appear more in place in a female seminary than on the stage in trousers.

Madge Lawrence, the villainess, if she was hired by the pound, probably would be a success in the business of calling her an actress or a singer.

The rest of the cast would not be called "amateurs" in a ten-twenty-thirty musical comedy.

The chorus numbers were all that saved the show; some of the songs are catchy, the costumes are good and the dancing excellent. "Mutt and Jeff" got off a few jokes and performances that were laughable, but not as good as in the performance last year, which was far and away ahead of "Mutt and Jeff" in the old days.
