## A FIRE ALARM TURNED IN

Often calls to mind to many people the fact that they are not insured as they should be. But it is too late to take out insurance if the fire happens to be burning your property. The time to insure is now. I can write you a policy now that will give you the protection you need and should have. And I can also help you to secure a home or a piece of business property. If you want any advice about real estate let me talk with you. I have many good things on hand, and can help you make selection.

## LOST ARM AND LEG

H. FULGHAM, A WELL KNOWN BRAKEMAN ON I. & G. N., VICTIM OF ACCIDENT THIS AFTERNOON IN HENDERSON YARDS.

A wire was received here about 3 o'clock this afternoon announcing that Mr. Herbert Fulgham, a well known I. & G. N. trainman, had been seriously injured in the yards at Henderson. It is reported that Fulgham lost a leg and an arm by being run down by a train. He was making up a train at Henderson when the accident happened. A special engine and caboose were sent to Henderson immediately on receipt of news of the accident and the injured man is being brought to the company's hospital here. Mr. Fulgham is a brother of Mrs. Pat Frank and Mrs. Clarence Avery of this city, and has a host of friends here.

## DIPLOMATS STIRRED

OVER THE REPORT THAT MADRIZ OF NICARAGUA WILL CALL ON PRESIDENT DIAZ OF MEXICO TO TAKE ISSUE IN TROUBLES.

(Herald Special.) Mexico City, Aug. 24.—Diplomatic circles are stirred over the announcement here today that the deposed President Madriz of Nicaragua will attend the Mexican centennial and demand recognition from President Diaz. This will reopen the resentment to Secretary of State Knox of the United States in his attitude toward Estrada. It is believed the move will cause Diaz to declare his position in Central American affairs.

## FIRE TROUBLE NOT OVER

Conditions Have Improved, But Danger Still Threatens—Many Men Are Missing.

(Herald Special.) Spokane, Wash., Aug. 24.—The end of the forest fires is not in sight, though the conditions are improved today. Six hundred more fire fighters are reported missing from Thompson Falls, Mont., but the officials refuse to believe they have lost their lives. The forestry officials declare today a conservative estimate of the dead is seventy-five people, with a property loss at \$10,000,000. The entire militia of Idaho, Oregon and Montana have been called out. Thompson Falls is in danger, being in the very heart of the fire district today. The crisis of the fires is believed to be passed in Western Montana and Idaho. Advices received today state the condition is improving, and rain is falling and the fires are under control in many sections. Alarm over the fate of upward of eight hundred fire fighters who have not been heard from for several days is still unabated, though the general feeling is that the men have escaped alive.

## STRIKE WILL CONTINUE

Secret Ballot of Illinois Coal Operators Turned Down the Compromise Agreement.

(Herald Special.) Chicago, Ill., Aug. 24.—Following the taking of a secret ballot the coal operators of Illinois, it is announced today, rejected the compromise proposed and the strike will continue. According to President Mooreshead the miners will be offered the advance agreed on in Cincinnati, but the miners demand twice as much of an advance.

## SHIPPERS PROTEST

LUMBERMEN OF SOUTHWEST URGE INTERSTATE COMMISSION TO PROHIBIT INCREASE IN LUMBER RATES.

(Herald Special.) St. Louis, Mo., Aug. 24.—The Southwestern Lumbermen, in session here today, entered a protest against the proposed freight rate increases which they contend will surely retard advancement and development in this section. The St. Louis shippers will join in the protest, and will urge the Interstate Commerce Commission to prohibit the proposed increases.

## GRAFT CHARGE COMMITTEE

Makes No Report to Eagles, in Session in St. Louis.

(Herald Special.) St. Louis, Mo., Aug. 24.—The fact that the Eagles' trial committee has made no report in the graft investigation has given rise to many reports concerning the outcome. According to one member of the committee four of those charged will be found guilty, but the verdicts will be withheld until the time for the election of officers and be used by the Herring faction to force the Grady forces to permit full sway in the election matter.

## REAL FIGHT IS NOW ON

Looks as Though It Will Be a Fight to the Finish Between Roosevelt and Sherman.

(Herald Special.) New York, Aug. 24.—The battle for the control of New York state began in earnest this morning. T. K. Woodruff, Ward, Barnes, Wadsworth and others have arranged for a conference at which plans will be perfected. Griscom and other Roosevelt lieutenants will go after the upstate delegates, a majority of whom are anti-progressive.

## Roosevelt and Sherman.

(Herald Special.) Utica, N. Y., Aug. 24.—Roosevelt and Sherman are the star performers in the state political battle in Utica today. Sherman at his home declined to discuss Taft's repudiation of the state committee deal. There is no doubt that Roosevelt is prepared to make a finish fight against Sherman. His unqualified indorsement of Senator Davenport and his support of the direct primary bill are regarded as his opening guns in the campaign. Col. Roosevelt is at the home of his brother-in-law, Douglass Robinson, at Jourdenville, today. Taking advantage of the political situation John A. Dix, chairman of the state democratic committee, is endeavoring to promote harmony in that party. In a party conference in Utica last night with county leaders he predicted that the repudiation among the republicans means certain victory for the democrats.

## WOMAN KILLED BY TRAIN.

Attempting to Rescue Pet Dog When She Was Struck.

Taylor, Texas, Aug. 23.—Mrs. Fannie Robinet of Elgin was killed by south bound passenger train No. 5, the Flyer, this morning at Coupland Station, eight miles south of Taylor. The pilot of the engine struck the woman's left temple, tearing a hole in the left side of her head, laying it open. Death was instantaneous. The ribs were broken and the body was thrown twenty feet from the track. The accident occurred when her pet dog ran onto the track in front of the fast approaching train and she attempted to rescue it. The body was taken to Elgin for burial. Two sons survive her.

## White Has Bad Memory.

(Herald Special.) Chicago, Ill., Aug. 24.—The cross-examination of White was resumed by Attorney Forest for the defense in the Lee Browne trial today. White's memory was poor as to statements made by him alleging bribery.

## FRANKLIN

A Model G Franklin, with the smallest horse power and the shortest wheel base of any car in the run, was one of the seven perfect road score cars out of twenty-five entries in the reliability run of the Wisconsin State Automobile Association, started July 18, for the Milwaukee Sentinel cup. The Model G carried the greatest load, four passengers, and made the highest average speed, eighteen miles an hour. The run was over 808 miles of the steepest hills, worst roads and deepest sand in Wisconsin.
