The unfortunate victim died about one and one-half hours after receiving his injuries, and before he could be started to Palestine for medical attention. A special train was sent up for him, and returned with the remains at 6 o'clock.

Interment took place Thursday at Colmesnell, the following committee from the B. of R. T. accompanying the remains: Messrs. J. J. Johnson, H. C. Davis, W. L. Lokey, F. B. Ansley. Also the following relatives went with the remains: Mr. and Mrs. Pat Frank, Mr. and Mrs. Clarence Avery and Mrs. Sue Smith and children of Crockett. Mesdames Frank, Avery and Smith are sisters of deceased.

Mr. Fulgham was head brakeman on the Henderson branch train, and was caught and crushed while on duty. He was about 26 years of age, and single.

The aged father of Mr. Fulgham lives near Colmesnell.

SAW MEXICO CITY, ETC.

Mr. and Mrs. J. S. Temple Home From Most Interesting Trip.

Mr. and Mrs. J. S. Temple came home last night from a bridal tour to Mexico. They went as far as the City of Mexico, and report having had a most interesting trip. Mr. Temple says he saw many interesting sights, and had a chance to learn something about our Mexican neighbors. He is surprised at the remarkable modernization of Mexico, was much interested in the historical sights, and disgusted with the bull fights he witnessed. He said he hung on hours longer than he would, hoping to see a bull toss a matador or bull fighter out of the ring, as his sympathies were altogether with the bull and the poor, blinded horses. That is the feeling of most Americans, as it is the most brutal sport known to the world today.

Official in Charge.

The Negro Ran, the Negro Flew. Last night about 9 o'clock, as officers were arranging to lock up a negro named Geo. Foote, wanted for some minor offense, he took to his heels and fairly flew, and for all the officers know he is still going. Several shots were fired at the fleeing form, but the negro out-ran the bul-

lets. At least none of them seemed to overtake the negro.

Foote is a regular rabbit, and this is not the first time he has taken to his heels and beaten the officers in a get-away. Officer Reeves says he was unlocking the outer wicket door to the run-around at the county jail when the prisoner made a pass at Deputy Brizendine. Brizendine dodged and the negro skipped. When the officers recovered from their surprise the negro had secured a good lead, and kept it until darkness shrouded him from view.

THE FIRE CHIEF'S DAUGHTER

Will Be the Feature Film In Motion Pictures at Airdome Tonight.

The management says: Great interest is being manifested in the baby show contest at the Airdome. Large crowds attended both performances last night and a good program of high-class motion pictures and vaudeville was presented.

The baby contest will close tomorrow (Friday) night and the winners will be announced on Saturday night.

The feature film in motion pictures tonight will be a late Selig subject, "The Fire Chief's Daughter," the most realistic drama of modern times in motion photographs. The situations are thrilling and wonderfully real. The fire department of a great city was enlisted for the production, and the hazardous life of a fireman is vividly portrayed in this wonderful film story.

IF YOU ARE FAT AND HOT READ THIS ARTICLE.

There is no necessity of fat people suffering as they do. Most fat people are so good-natured they do not care how they look or how they get along during the hot weather. As a matter of fact there is a natural fat reducer that in the past several years has been demonstrating that it will reduce fat and not tear down the body or leave big, flabby rolls of skin and wrinkles. This method is the famous Marmola prescription, which is now prepared in tablet form to meet the demands of fat people in the summer and to enable them at all times to take their fat reducer after each meal. One of these little tablets taken after a meal turns that meal into good food for the blood and stops all fat-producing elements from going into the system. Marmola Tablets has an army of men and women who testify to its success, and you would tire reading what they say of its triumphs. Marmola tablets not only stop producing fat in the body but they reduce flesh at the rate of from 12 to 15 ounces a day. They are harmless and do nothing but assist nature to give to the body the nourishment it requires. They are sold at all drug stores, price 75 cents, or you may write the Marmola Company, 1113 Farmer Bldg., Detroit, Mich.—Adv.

IMBODEN NOT AN ASPIRANT

For a Place in the State Senate to Succeed C. C. Stokes.

The following article appeared in Tuesday's Houston Post.

There seems to be a persistent rumor throughout the several counties of the Thirteenth senatorial district that I am, or will be, a candidate to succeed the late lamented Senator C. C. Stokes in the state senate. This rumor I wish to correct and ask space in the columns of the Post to do so. Just why or how such a report has been given currency I cannot understand, as I have in the most emphatic manner said to every person who has spoken to me on the subject that I could not and would not be a candidate for the vacancy thus unfortunately created. I am most grateful for the flattering offers of support by numerous friends, both in and out of the district, but I am not and will not be a candidate. Especially do I appreciate the generous offer of at least two of those who are aspiring to the place to retire in my behalf if I would consent to become a candidate.

To sit in the Texas senate is an honor worthy of any man's ambition, for it is a position both important and responsible. But I am too poor a man to return either to office seeking or office holding. It is out of the question for me to again enter the list of office seekers, and, thanking my friends for the interest they have shown in my supposed candidacy, I assure them I am not in the running. Very truly,
W. M. Imboden.
Rusk, Texas.
