

BIG CROWD AT AIRDOME

Despite Shower of Yesterday Evening An Unusually Large Attendance Visited This Play House.

The management says: Even after the rain of yesterday evening had stopped, the appearances of the firmament did not justify even one of Texas' oldest prophets to turn out for fear of getting wet, for there was not a star visible and the clouds were "imminently" dark. But Palestine had set upon rounding out a day of pleasure yesterday, and a little thing like this weather interference was not going to stop any of them. No, siree, and the Labor Day festivities were not over until every one had seen the "Capital vs. Labor" play at the Airdome by the Curtiss Comedy company, which opened a week's engagement here last night, and this part of the occasion was not slighted in the face of the weather savoring more like an April "all evening shower."

According to Tim O'Connell, the manager, the largest crowd in the history of the Airdome was present. All records were broken for attendance, and several were turned away. When asked what would have been done on a clear evening, Tim only looked quizzical, and replied thus: "Don't know what would have happened."

The Curtiss company opened and their initial performance was o. k. They have a good show, a good band and orchestra, and several features that are exceptional to a repertoire company playing at popular prices. Tonight they will present one of Mr. Curtiss' own comedies, called "The Man From New Jersey," which he says "made the waves laugh" in Atlantic City upon its opening.

The band and orchestra, it is said, will render several new selections to-night prior to the performance, this part of the entertainment being quite an attraction within itself. The musical contingent consists of musicians of the first type, all being thoroughly experienced in the line they handle.

RUNS FOR SENATOR.

Hon. W. J. Townsend, Jr., Announces Today.

It is with unfeigned pleasure that the News announces the candidacy of Hon. W. J. Townsend, Jr., today to fill out the unexpired term of the late Hon. C. C. Stokes in the upper house of the Texas legislature. No one in the district, we are sure, is more ably qualified to serve the people in this capacity and we are also certain that no one could be selected who would come nearer representing his whole constituency in whatever matters that might come before them in which he would have to cast his vote.

The judge was born and reared in Angelina county, is thirty-five years of age, an able lawyer and a graduate of the University of Texas. He served his county as its prosecuting attorney for two terms and also served one term as county judge, carrying seventeen out of eighteen boxes in the county and leading his opposition with the very flattering vote of 711. Since then he has been engaged in the active practice of law at this place. He has many warm friends over the district and is assured of their hearty support in his worthy

ambition to represent them in the great law-making body of Texas. The News does not know what opposition he will have in the race, but does not hesitate to say that Angelina county puts him forward as one of her favored native sons who will reflect honor upon himself and every county in the district is given the nomination at their hands.

Gentlemen, we commend him to you and ask that you give his candidacy your careful consideration before casting your ballot.—Lufkin News.—(Adv.)

W. J. Townsend For State Senator.

The Press-Journal is this week announcing Hon. W. J. Townsend, Jr., as a candidate for the state senate in this the 13th senatorial district, to fill the vacancy caused by the death of the late Senator C. C. Stokes.

W. J. Townsend, Jr., is a native of Angelina county, and his home is in Lufkin. He is not a stranger to our people, having married Miss Zoe Wilson, daughter of Judge S. P. Wilson. He has a wide acquaintance and many friends in Rusk and Cherokee county. As to his ability to represent this district there is no question. He is thoroughly acquainted with the duties of the position to which he aspires, and is in full sympathy with our interests. The Press-Journal is in possession of the platform upon which he will make the race, and will publish same next week. Unless Cherokee county should have a candidate for the position, we are inclined to believe that our people should support Mr. Townsend for the senate.—Rusk Press-Journal.—(Adv.)
