American Bankers' Association Begins Thirty-Sixth Annual Convention in Los Angeles.

(Herald Special.) Los Angeles, Cal., Oct. 4.—The American Bankers' Association, whose membership embraces practically the entire financial fraternity of the United States, began its thirty-sixth annual convention in Los Angeles today. In point of attendance and in the prominence of the speakers and the importance of the subjects scheduled for discussion the meeting promises to be the most notable in the history of the association.

Men of finance from every section of the country and representing every branch of the banking business, from the village repository to the billion dollar banks, trust companies and savings institutions of New York, Chicago, Boston and other great centers, filled the Auditorium Theatre when the convention was formally called to order at 10 o'clock this morning by President Lewis P. Pierson of New York. An invocation by Rev. Robert J. Burdette was followed by cordial greetings from Governor Gillette, Mayor Alexander and W. H. Holliday, president of the Los Angeles Clearing House Association. The response to the addresses of welcome was made by George H. Russell of Detroit.

When the exchange of greetings concluded the convention listened to the annual address of President Pierson, which touched upon numerous questions of interest and importance to the financial world. The president's address was followed by the annual reports of the several officers and standing committees, including those of Secretary Fred E. Farnsworth of New York, Treasurer P. C. Kaufman of Tacoma, and William Livingstone of Detroit, chairman of the executive council. At the afternoon session the discussion of practical banking questions was begun. Tomorrow the several sections will hold their annual meetings, continuing over Thursday, and on Friday the association proper will resume and conclude its sessions.

Ready For Great Ceremonial.

New York, Oct. 4.—St. Patrick's Cathedral is festooned in countless yards of white and purple bunting in readiness for the great ceremonial of its consecration tomorrow. Cardinals Vannutelli, Logue and Gibbons, Archbishops Farley and Glennon and other prelates of world-wide reputation will take part in the ceremonies, which will extend over a period of three days.

TERRIBLE STRAIN RESULTED NOT AMISS

A Lenoir Lady, After Two Weeks Grinding Labor, Feels Better Than Ever.

Lenoir, N. C.—"I am not tired at all, and am stouter than I have ever been," writes Mrs. Kate Waters, of Lenoir, N. C., "although I have just finished a two weeks' wash. I lay my strength to Cardui, the woman's tonic. I have taken a lot of it and I can never praise it enough for what it has done for me. I can never thank you enough for the advice you gave me, to take Cardui, for since taking it I look so well and am stout as a mule."

You are urged to take Cardui, that gentle, vegetable tonic, for weak women. Its use will strengthen and build up your system, relieve or prevent headache, backache and the ailments of weak women.

It will surely help you, as it has helped thousands of others, in the past 50 years.

DRY FARMING CONGRESS

At Spokane Is Largely Attended By Master Agriculturists.

(Herald Special.) Spokane, Wash., Oct. 3.—With master agriculturists from the United States, Canada, Mexico and several European countries in attendance, the fifth Dry Farming Congress assembled here today for a four days' session. Today was devoted to the reception of the visitors, who arrived in large numbers throughout the day. Greetings by Governor Hay and Mayor Pratt and the annual address of the president of the congress, Representative F. W. Mondell of Wyoming, constitute the chief feature of the program at the formal opening of the gathering tonight.

The Jury Returns Unanimous Verdict.

(By a Staff Correspondent.) A jury consisting of some of the most distinguished chemists of America has returned an unanimous verdict of "not guilty" in the case of Knocker et al vs. Coca-Cola. It will be remembered that some time ago a report was circulated to the effect that Coca-Cola contained injurious materials and was, therefore, harmful in its effect upon the human body.

The rumor was originated by an unscrupulous competitor of Coca-Cola, the popular temperance drink, spread rapidly and found some credence among those who did not know the origin of the report.

The jury finds that not only does Coca-Cola contain nothing harmful, but that it is much superior to tea and coffee in that it is free from tannic acid and, therefore, promotes digestion instead of retarding it. Each of the distinguished chemists reported that he had made a careful chemical analysis of Coca-Cola and found it to contain no "dope" of any kind. If you would like to see copies of these letters, write to the Coca-Cola Co., Atlanta, Ga., for a free copy of a booklet entitled "The Truth About Coca-Cola." The jury was as follows:

1. Jno. M. McCandless, State Chemist of Georgia.
2. B. B. Ross, State Chemist of Alabama.
3. Dr. A. L. Metz of Tulane University.
4. Prof. W. B. Burney of South Carolina College.
5. Prof. C. H. Palm of the University of Texas.
6. Dr. Wm. H. Toylor, State Chemist of Virginia.
7. Dr. Louis Schaefer, Prest. Schaefer Alkaloid Works, Maywood, N. J.
8. Prof. Emerson R. Miller of Ala. Polytechnic Institute.
9. Dr. J. C. Mims, Chemist of the Board of Health, New Orleans.

Wisconsin Congregationalists.

(Herald Special.) Rhinelander, Wis., Oct. 4.—Over two hundred delegates and visitors, among whom are several clergymen of wide reputation, are attending the annual convention of the Wisconsin Congregational Association, which began a three days' session here today.

Massachusetts Sunday Schools.

(Herald Special.) North Adams, Mass., Oct. 4.—With several thousand Sunday school workers present from all over the state, the twenty-first annual convention of the Massachusetts Sunday School Association met here today and will continue in session until Friday. Subjects of great interest to the Sunday school workers will be discussed by President Garfield of Williams College, Dr. George J. Fisher of New York and others of prominence.

"THE GREAT QUESTION."

Rev. Oehler of Presbyterian Church Speaks to Men.

The religious services at the Y. M. C. A. Sunday afternoon were very encouraging indeed. A most excellent talk was made by Dr. J. C. Oehler. It was one of those heart-to-heart talks that appeals to all there is in a man. The service was a very appropriate one in that it greatly helped in preparing those who heard it for the series of union meetings that started last night at the Grace Methodist church. "The Great Question" was the theme Dr. Oehler discussed. "What shall I do to be saved?" was the great question asked by the Phillipian jailor, and Dr. Oehler made the answer very impressive: "Believe on the Lord Jesus Christ and thou shalt be saved." His talk was strictly evangelical, and every man present indicated that he wanted to be of more service to God in the future than he had been in the past.

Mr. C. Pearson gave the boys a very practical talk at 2:15. Mr. F. C. Eason has kindly consented to speak to the boys next Sunday afternoon, and it is expected that a large number of boys will be present.

LIQUID CURES ECZEMA WHERE SALVES FAIL.

In regard to skin diseases, medical authorities are now agreed on this: Don't imprison the disease germs in your skin by the use of greasy salves, and thus encourage them to multiply. A true cure of all eczematous diseases can be brought about only by using the healing agents in the form of a liquid.

WASH THE GERMS OUT.

A simple wash: A compound of Oil of Wintergreen, Thymol, and other ingredients as combined in the D. D. D. Prescription. This penetrates to the disease germs and destroys them, then soothes and heals the skin as nothing else has ever done.

A 25 cent trial bottle will start the cure, and give you instant relief. Bratton Drug Co., Palestine, Texas.

Victim of Drink Needs Orrine.

Drink cunningly destroys the will power, and while the drunkard wants to do what you tell him, he wants a thousand times more the drink he craves. Medical treatment is necessary. Orrine will destroy the desire for liquor, so that the drink will not be missed and restores the patient to health.

This remedy is thoroughly scientific and is so uniformly successful that it is sold with a registered guarantee to refund your money if it fails to effect a cure. Booklet on "How to Cure Drunkenness" free on request. The Orrine Co., 710 Orrine Building, Washington, D. C. Sold in this city by Bratton Drug Co., 142 Spring street. —Adv.
