

## ROOSEVELT'S BUSY DAY

Governor Hadley and Other Missourians Showing the Former President Over St. Louis.

St. Louis, Mo., Oct. 11.—The Roosevelt party arrived in this city from the south shortly after 7 o'clock this morning. The former president was met at the union station by the full committee in charge of the day's arrangements, headed by Governor Hadley. After breakfasting at the Hotel Jefferson as the guest of the Business Men's League, Col. Roosevelt was taken on an automobile ride about the city. At the conclusion of the ride the distinguished visitor was turned over to the Traffic Club, whose guest he was at luncheon. The program for the afternoon and evening included a visit to the aviation meet, an address to the school children in North St. Louis, supper as the guest of the republican state and city organization and a political speech in the Coliseum.

Roosevelt to Address K. of C. Peoria, Ill., Oct. 11.—The people of Peoria are making great preparations for the reception of ex-President Roosevelt, who is to visit here tomorrow to speak at a banquet under the auspices of the Knights of Columbus. The former president will be the guest of Archbishop Spalding during his stay in the city. The banquet will take place in the Coliseum and covers will be laid for more than one thousand guests. In addition to Colonel Roosevelt the speakers will include Bourke Cochran of New York, Robert Emmet Kane of St. Louis and Robert Henry Little of Chicago.

### FALLING HAIR STOPPED.

Baldness Cured By Destroying the Parasitic Germ That Causes it.

Baldness follows falling hair, falling hair follows dandruff; and dandruff is the result of a germ digging its way into the scalp to the root of the hair where it saps the vitality of the hair. To destroy that germ is to prevent as well as cure dandruff, falling hair, and, lastly, baldness. There is only one preparation known to do that, Newbro's Herpicide, an entirely new, scientific discovery. Wherever it has been tried it has proven wonderfully successful. It can't be otherwise, because it utterly destroys the dandruff germ. "You destroy the cause, you remove the effect."

### The Philosophers and the Frog.

(By a Staff Correspondent.) Dr. Safford, for many years professor of chemistry in the Medical College of the University of Nashville, used to tell his students a fable—the moral of which was "prove it." Certain wise men were gathered together to ascertain the explanation of a statement that when two glasses of water of equal weight are balanced on the beams of a balance scale and a frog is then put in one of the vessels the balance remains the same, thus attempting to prove the assertion that a frog has no weight when immersed in water. Each wise man had his own explanation, and there was much heated argument and discussion. At length one of the wise men said: "But is your statement true? Let's prove it." Of course, when it came to proving it, they couldn't.

So when you hear people say that Coca-Cola is injurious, just ask them to prove it. They can't. Nobody can, because it is not injurious. But on the other hand it can be proved that it is not injurious by chemical analysis. Or if you are not a chemist yourself, why not accept the verdict of every competent chemist who ever analyzed it? Eminent College and University Chemists, Commercial Chemists, Government, State and City Chemists—all have analyzed Coca-Cola and not one has ever been able to find anything injurious in it. The very next time you hear anyone say that Coca-Cola contains deleterious ingredients tell him to write the Coca-Cola Co., Atlanta, Ga., for a free copy of their booklet, "The Truth About Coca-Cola." In the meantime write for a copy for yourself—you will find it very interesting.

### WHAT CURES ECZEMA?

We have had so many inquiries lately regarding Eczema and other skin diseases that we are glad to make our answer public. After careful investigation we have found that a simple wash of Oil of Wintergreen, as compounded in D. D. D., can be relied upon. We would not make this statement to our patrons, friends and neighbors unless we were sure of it—and although there are many so-called Eczema remedies sold, we ourselves unhesitatingly recommend D. D. D. Prescription.

Because—We know that it gives instant relief to that torturing itch.

Because—D. D. D. starts the cure at the foundation of the trouble.

Because—It cleanses, soothes and heals the skin.

Because—It enables nature to repair the ravages of disease.

Because—The records of ten years of complete cures of thousands of the most serious cases show that D. D. D. is today recognized as the absolutely reliable Eczema Cure.
