

CHARGED CONSPIRACY

In the Matter of Smuggling Dress Goods into the United States. Dressmakers Suspected.

(Herald Special.)
Boston, Mass., Jan. 3.—Preparations are being made in New York City today for the trial of Mary S. Moore and Isabel Holland, who are fashionable dressmakers under the firm name of Holland & Moore, on a charge of conspiracy of smuggling dress goods into the country. These women have been doing a large business in this city, making outfits for many of the wealthy ladies. They have taken turns in going abroad purchasing goods, and with the aid of two or three men, devised a scheme that when landed in New York they succeeded in eluding the custom house officials and then shipping the goods here. The government claims that this has been going on for some time and that many shipments have been made of gowns, laces and jewelry and that it has amounted to many thousands of dollars. The women when arrested gave bail in the sum of eight thousand dollars for their appearance today. As the goods were landed in New York the trial will be held there.

Old Folks Should Be Careful In Their Selection of Regulative Medicine.

We are so certain that it will completely relieve these complaints and give absolute satisfaction in every particular that we offer them with our personal guarantee that they shall cost the user nothing if they fail to substantiate our claims. SHIPPING CHINESE EGGS

San Francisco Reports the Arrival of Large Quantities—Farmers Are Said to Be Displeased.

(Herald Special.)
San Francisco, Cal., Jan. 3.—Large quantities of Chinese eggs are arriving at this city and other ports along the Pacific coast. Word comes from Seattle that as many as five thousand arrived there in one day. The Chinese eggs are larger than those produced in this country, and for some reason or other will keep longer. The first importation was made by a young woman, Miss Jessie Scott, of Seattle, who placed them on the market at 30 cents per dozen, as against the local product at 70 cents per dozen, and she made a handsome profit out of it. The farmers' associations are up in arms over it. The hens, however, have not said anything about striking or refusing to lay.

NO REASON FOR IT.

When Palestine Citizens Show the Certain Way Out.

There can be no just reason why any reader of this will continue to suffer the tortures of an aching back, the annoyance of urinary disorders, the dangers of diabetes or any kidney ills when relief is so near at hand and the most positive proof given that they can be cured. Read what a Palestine citizen says:

Mrs. Henry Scott, living at 312 Covert street, Palestine, Texas, says: "I have used several boxes of Doan's Kidney Pills in the last few months, procuring them from the Bratton Drug Co., and the best of results have followed. I suffered from a dull, bearing down pain across my back and sides and the kidney secretions were also entirely too frequent in passage, and annoyed me all the time. Doan's Kidney Pills have relieved me to a great extent and I can, therefore, recommend them highly."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

All fire insurance companies are refusing to extend credit to any assured for the premiums on policies, therefore I am compelled under the laws to do business on a cash basis, and thirty days will be considered cash, and those not paying their premiums in thirty days after the date of the policies must pay 5 per cent interest on the amount of the premium or the policies will be canceled and returned to the company. Failure of the agent to comply with this subjects him to the full penalty of the law.
