of the new Milton reversible rotary engine, the steam being supplied from the boilers of the above plant. A scientific test was made as to the horsepower developed. With the engine making 230 revolutions a minute, 48 horsepower was scientifically registered.

Messrs. Frank Bailey, Chas. Granger, Foy Milton, the inventor, and others, watched the tests with a great deal of interest.

If all is realized that is claimed for this engine it is going to revolutionize the application of steam. Those back of the new machine have great confidence in it.

**District Court.**

After a vacation of one week, district court convened this morning at 10 o'clock. The regular jury for the week was impaneled, and the case of the State of Texas vs. Hattie Rose was called for trial. Both parties announced ready for trial. Just before the noon hour the state rested its case. The defendant will introduce testimony this afternoon. This case will likely be finished today. The defendant is represented by Mr. Kay.

**Candy for Children**

must be pure, wholesome and easily digestible. The last point is very important, and is constantly kept in view in the manufacture of our goods. The little folks can be easily harmed by improperly made sweets-meats. Whatever we sell is not only tempting but healthful. We know what's wanted and how to get it. Profit by our knowledge and ability.

**Booth Bros.**

meetings during the fiscal year, so all members are urged to be present.

**Very Happy Occasion.**

The New Year's reception and social given by the Knights of Columbus, at their hall Saturday afternoon and evening was one of the big social affairs of the season, and many guests enjoyed the hospitality of the Knights. The evening crowd was especially large, and a splendid program was enjoyed. A more extended notice will appear in these columns.

**Baptist Reception.**

A reception will be tendered the pastor in his new home tomorrow by the Baptist church, and a cordial invitation is extended to all members of the church and their friends to be present. The hours are from 2:30 to 5:30 in the afternoon, and from 8 to 11 in the evening.
