

CASE OF MAJOR DURHAM

Called For Trial in the District Court at Hillsboro Today—Convicts Will Testify.

(Herald Special.) Hillsboro, Texas, Feb. 7.—The case of Major T. E. Durham, assistant superintendent of Texas penitentiaries, who is charged with being responsible for the death of a colored convict on the Steiner Valley convict farm, in this county, was called for trial in the district court today. More than fifty witnesses, among them a number of convicts, have been summoned to testify. The case of Major Durham has attracted widespread attention and has given considerable impetus to the movement for the reform of the penal system in Texas.

THEY INJURE CHILDREN.

Ordinary Cathartics and Pills and Harsh Physic Cause Distressing Complaints.

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given, except in emergency cases. Ordinary pills, cathartics and purgatives are apt to do more harm than good. They cause griping, nausea and other distressing after-effects that are frequently health destroying and a life-lasting annoyance.

We personally recommend and guarantee Rexall Orderlies as the safest and most dependable remedy for constipation and associate bowel disorders. We have such absolute faith in the virtues of this remedy that we sell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

Rexall Orderlies contain an entirely new ingredient which is odorless, tasteless and colorless. As an active agent, it embraces the valuable qualities of the best known intestinal regulator tonics.

Rexall Orderlies are eaten like candy. They are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness or other undesirable effects. They have a very natural action upon the glands and organs with which they come in contact, act as a positive and regulative tonic upon the relaxed muscular coat of the bowel and its dry mucous lining; remove irritation, overcome weakness, tone and strengthen the

Our Silent Oyster Salesman

This is the cleanly white and blue porcelain Sealship case from which we sell SEALSHIP OYSTERS at our store. No ice or water ever touches the oysters.

It is the final step in the Sealship System which makes it possible for us to furnish our customers with oysters which taste exactly the same here as when eaten on the shore. They are firm, tempting, delicious morsels of sea food.

You will be surprised when you see Sealship Oysters. More surprised—and delighted—when you taste them.

In buying Sealship Oysters, remember that there is no "liquor"—nothing but solid meat. The "liquor" is what spoils common oysters. It is melted railroad ice.

If you ordinarily buy oysters by the quart, get only a pint of Sealship.

Come into our store and see our silent salesman. While here ask for a copy of our book, "Seaside Oyster Dishes." It gives many shore recipes.

nerves and muscles, and restore the bowels and associate organs to more vigorous and healthy activity.

Rexall Orderlies completely relieve constipation, except when of a surgical character. They also tend to overcome the necessity of constantly taking laxatives to keep the bowels in normal condition.

There is really no medicine for this purpose so good as Rexall Orderlies, especially for children, aged and delicate persons. They are prepared in tablet form, in two sizes of packages: 12 tablets, 10 cents, and 36 tablets, 25 cents. Remember you can obtain Rexall Remedies in Palestine only at our stores—The Rexall Stores, Bratton Drug Co., either store, Oak or Spring street.

TERRIBLE CROUP.

One Who Knows Recommends a Remedy to Anxious Mothers.

My little boy, who is four years old, has suffered a lot with croup. On several occasions we thought he was gone.

After trying all the old time remedies and most of the new, I came home one night at midnight, and my wife said, "The boy has the croup again—suppose you get a bottle of Hyomei." "More junk," I said, "but we will circulate our money so they all will get some."

I hastened to an all night drug store, brought it home. In five minutes he was breathing easier. In fifteen minutes he was sound asleep. It broke the croup so quickly it scared me.

Anyone wishing to cure the croup of a child I hope will give Hyomei a trial.

Wishing you the best of success, which you surely deserve, I remain, Jos. E. Clark, 204 6th St. S. E., Washington, D. C., Oct. 7, 1909.

Hyomei is a remarkably effective remedy in case of croup and it should be in every home where there is a croupy child. Full instructions how to cure croup comes with each outfit.

Complete Hyomei outfit, including inhaler, costs \$1.00 at druggists everywhere, and at Bratton Drug Co. It is guaranteed to cure catarrh, coughs, colds and sore throat.
