

# HODGES' Great After

Commencing Friday morning, April 1st, we will inaugurate our Special Great After Easter Sale, which will continue for ten days. This does not mean there will be a reduction on an item or two or on a small lot or two, but on HUNDREDS and THOUSANDS of Dollars. There will be a BIG SAVING TO OUR CUSTOMERS during this sale. Our big store is packed to the ceiling with merchandise contracted for long before advance was made on spring production, and OUR PRICE today is AS LOW as it was when cotton was selling at 9 cents per pound. But this does not satisfy—we want to do BETTER THAN THIS. We are going to make this April the Biggest April we ever had—WE ARE GOING TO MAKE THE PRICES DO IT.

### CENTENARY OF ALDEN

Rear Admiral Achieved High Distinction During His Forty-Five Years' Service in the U. S. Navy.

(Herald Special.)

Washington, D. C., March 31.—Among naval officers and students of naval affairs and history there were probably few to recall the fact that today marked the centenary of the birth of Rear Admiral James Alden, who achieved high distinction during his service of over forty-five years in the United States navy. Born in Portland, Me., March 31, 1810, Admiral Alden entered the navy as a midshipman in 1828. Ten years later he was a member of the Wilkes expedition which made a tour of the world. He took part in the naval operations of the war with Mexico and was one of Farragut's most trusted officers at Vicksburg and Mobile. In his long

service after the civil war Admiral Alden served as commandant of the Mare Island navy yard, as chief of the Bureau of Navigation and as commander of the European squadron. His death occurred in San Francisco, February 6, 1877.

Commencement at Carlisle.

(Herald Special.)  
Carlisle, Pa., March 31.—Accompanied by all the ceremonies characteristic of similar previous occasions, the annual commencement exercises were held at the United States Indian School here today. The graduating class was one of the largest in the history of the institution, which was founded in 1879, and has been aided by congress since 1883.

### FOES OF SALOON ACTIVE

All of the Southern States Represented at Anti-Saloon League Conference at Atlanta.

(Herald Special.)

Atlanta, Ga., March 31.—The Southern Anti-Saloon League conference, for which preparations have been making for several months, opened its sessions in Atlanta today and will continue its proceedings until Monday. The announced purposes of the convention are to arouse renewed enthusiasm in the battle against the liquor traffic, to discuss ways and means for securing a stricter enforcement of the laws in prohibition territory and to consider plans for pushing the fight before congress for national prohibition legislation.

All of the states of the south are represented at the conference. Prominent among those scheduled to speak

at the several sessions are Governor Haskell of Oklahoma, Congressman Hobson of Alabama, Spencer M. Marsh of Wisconsin, Bishop H. C. Morrison of Florida, Rev. J. B. Gambrell of Texas and Rev. N. A. Palmer, superintendent of the Anti-Saloon League in Kentucky.

The busiest and mightiest little thing that ever was made is Chamberlain's Stomach and Liver Tablets. They do the work whenever you require their aid. These tablets change weakness into strength, listlessness into energy, gloominess into joyousness. Their action is so gentle one doesn't realize they have taken a purgative. Sold by Bratton Drug Co.

### LEADS THE SIMPLE LIFE

Former American Beauty Lives in a Modest Quarter of Paris—Clara Ward Has Changed.

(Herald Special.)

Paris, March 31.—The former Princess Chimay, who was Clara Ward of Detroit, and whose sensational elopement with the Hungarian gypsy violinist Rigo created so great a sensation several years ago, is now living in a modest quarter of Paris. She is married to a cousin of Rigo. A former friend who came across her the other day was surprised to notice how she had changed in appearance. She has grown very stout. Of course, the famous beauty of other days is not without means, and is able to gratify her wants. She is said to have changed not only in appearance but also in habits and tastes. According to all reports she cares little of nothing for worldly amusements, and seems quite happy and contented in the quietude of her home life.

Central Kansas Teachers.

(Herald Special.)

Hutchinson, Kas., March 31.—Hutchinson extended a cordial welcome today to the scores of visitors here for the twenty-fourth annual meeting of the Central Kansas Teachers' Association. The convention will be in session two days and the indications are that it will be the best attended in the history of the association. The names of many leading educators are found on the program, among them being Dr. A. E. Winslip of Boston, Professor Rice of the University of Kansas, Montville Flowers of Cincinnati, and Dr. George H. Bradford, president of Epworth University of Oklahoma City.
