RABBI WILLNER RE-ELECTED

On Sunday afternoon at their hall, corner Jackson and Walker avenue, Congregation Adath Yeshurun held their regular monthly meeting. In spite of the downpour of rain which lasted during the afternoon, it was one of the best attended meetings held in many months. President Froch was in the chair and handled the gavel admirably, to say the least.

A most important communication was received, in the form of a report from Rabbi Willner (which will be found elsewhere in this issue), and was read by the secretary, after which the Rabbi was re-elected.

The collections of this meeting were very good, being in excess of \$300.

Tell it to our advertisers "that you saw it in 'The Herald'."

RABBI WILLNER ENTER-TAINED.

Rabbi W. Willner, of Houston, Texas, returned to his home on Monday evening after a pleasant visit in Cleveland. During his stay here he was entertained by Mr. and Mrs. Barney Friedman, Mr. and Mrs. Henry Spira, Mr. and Mrs. Ulmer, and Mr. and Mrs. Henry Newman. On Sunday evening a farewell party at which forty couples were present, was given in his honor at the home of Mrs. H. Berger, of Hawthorne avenue. The home was prettily decorated for the occasion and a delightful evening spent. A buffet lunch was served. Being unable to bid all the members of the congregation as well as other friends good-bye, Rabbi Willner wishes to do so through the columns of this paper.

During his stay in Cleveland Rabbi Willner preached two Friday evening and two Saturday morning sermons in the Bene Yeshurun Temple.—The Jewish Independent.

COUNCIL OF JEWISH WOMEN.

Delegates from all parts of the country assembled in Cincinnati, O., Sunday, for the fifth triennial convention of Jewish women, which has a membership of nearly 10,000. The opening day was devoted to a meeting of the national committee and to the address of the president, Mrs. Hugo Rosenberg of Pittsburg. Wednesday and Thursday will be largely taken up by reports of progressive work on the part of various departments of the organization. Industrial education, practical philanthropy, aids to immigrants and other topics of general public interest, will receive attention.

The visiting delegates are being entertained by the leading Jewish families of Cincinnati and its suburbs. Besides this arrangement a general entertainment and reception committee has prepared for the comfort of the guests.

AT THE PRINCESS.

Says Manager Parker: "I consider that we have one of the best bills for this week that has been shown from our stage. The high class of the several acts, especially the singing of Sherman Thompson, who is becoming more and more popular with the audiences from week to week. His favorite song, 'When You Love the Girl and She

Loves You," is universally requested at each performance.

Miss Lacy, the Japanese contortionist, is perhaps the best ever seen in Houston on any stage. The management feels highly gratified to be able to present to the patrons of his little theatre this actor, who has made a hit in all the larger Northern and Eastern cities.

The Two Marshalls, in character song and dance, compare favorably with others in their line. They fill a good number.

Elliot and Leroy equally make a good showing of themselves.

The moving pictures are from the latest and most interesting films, thus filling out a program which is full of strong vaudeville features.

The Princess gives as fine a show as any of the higher priced houses at moving picture show prices.

Lives of Equal Value—Concluded from Page 4

proclaims to us there shall be absolute equality.

Our gathering this day is charged with no slight significance, is inspired by no trivial emotion. We are here to speak the naked truth to our own hearts. To examine ourselves, perhaps to condemn ourselves, but above all, to better ourselves, for "returning;" mending our ways is the essence of repentance.

As measured by material sacrifices, we are not seriously at fault. You sustain your religious institutions sufficiently. Yet, though it may be a shock to your race pride, it must be admitted that we have still much to learn from our neighbors in really princely generosity to religion. But if the chief standard of measurement is, after all, not material sacrifices, they, after all, grow out of an enthusiasm and devotion that are spiritual and are difficult to estimate, because, being spiritual, they are intangible.

United in Friendship.

This is the day of atonement, the day of reconciliation with God and with man. If there are—God forbid—families rent asunder, let them be united in love on this holy night. If there are old friends, long severed and discordant, let them again extend their hand in friendship. We live but a little while. We are all frail. Let us forgive and forget.

Today the High Priest on Zion's heights made atonement for himself and his household and for all the people of Israel. And I confess before you my many shortcomings humbly and sincerely, and may God help me to serve you more worthily. I confess before him the sins of the people, their grievous faults. May he move their hearts and turn them from their old ways into new ways, and through them may he save and strengthen our holy faith, may he save and strengthen us.
