

"THE STORE OF SERVICE"

# Begins Monday Morning

## Everything in the Entire Store Is Reduced

IT IS with the greatest possible satisfaction that we announce our present Clean Sweep Sale. Of course, we know that our Semi-Annual Clean Sweep Sales are firmly established, in the minds of El Paso people as well as people living in surrounding territory, as the two opportunities of the year to buy high class merchandise at an underprice. Our satisfaction comes not alone from being able to give customers unusual values in merchandise of the character we carry, but, this is the first Clean Sweep Sale in our new store, and a splendid store service combined with the lowest prices it is possible to make will surely produce the greatest sale that has ever been conducted in El Paso. We make the general statement that there is not an item in our entire stock that does not show a Clean Sweep reduction Monday. Besides this general statement, we present a condensed catalogue of Clean Sweep items, which we feel sure will meet with a liberal response. We want to add that everything offered is the "White House" quality. Nothing enters into this sale but our regular lines of merchandise. And the reason for this sale, as for all Clean Sweep Sales, is that we are practically at the end of a season and present stock must make way for new fall merchandise which will arrive in due season.
