RAILROAD STOCKS

DECLINE ABROAD

Market Breaks on News of Balkan Hostilities—Call Money 12 Percent.

New York, N. Y., Nov. 25.—Wall street awaited the opening of the market with interest today, owing to the publication since the suspension of business on Saturday of the award of the arbitration board to the eastern railroad engineers' demands.

Some indication of the probable trend of prices was furnished by the sharp declines of American railroad stocks in the foreign markets, which broke abruptly on the news that hostilities had broken out between Austria and Serbia.

Special attention in Reading and the transcontinentals was noted. Bonds were steady.

Call money rose to 12 percent and this factor was utilized by the bears in driving down prices still further. Steel was offered freely and some amounts of loading and other active issues were also sold.

The market closed heavy. A prominent bank sent several million dollars into the market to be loaned at 6 percent, but when this supply was exhausted, the market gradually advanced until it touched 12 percent again. Stocks recovered slightly on the break in money but showed some feverishness later.

Increased mercantile demands for money disturbed political conditions abroad and preparations for the year-end disbursements of interest and dividends were cited as underlying causes of the condition in the money market.

Stocks continued depressed in the early afternoon. The failure of American bankers to obtain any part of the South African gold offered in London today caused the bears to force some liquidation. Call money advanced to 3 percent.

Chicago, Ill., Nov. 25.—Although wheat here responded to higher cables today, all commission houses appeared to have orders to sell on the balance. Opening prices were 5/8 to 1/2 higher. May started at 51 to 51 1/2, the same change as the market taken altogether but fell back to 50 1/2.

The close was nervous with May 5/8 to 1/2 higher at 91 1/2. The close was easy at 4 1/2 to 4 3/4 for May, a net gain of 3 cents. May oats, which started 1 1/4 higher at 22 1/2 to 22 3/4, climbed to 22 1/2 to 22 3/4.

An upturn in hog carried provisions along. The first sales varied from a shade lower to 50 cents up, with May at 18.07 1/2 to 18.10 for pork, 18.12 1/2 to 18.25 for lard, and 19.95 for ribs.

Chicago Grain. Close. Wheat—Dec. 95 1/2 @ 95 1/2. May 92 1/2 @ 92 1/2. Corn—Dec. 47 @ 47 1/2. May 45 @ 45 1/2.

Chicago Provisions. Close. Pork—Dec. 19 1/
