Pounded the Leather.

The game of baseball played yesterday afternoon between the Waxahachie and Corsicana teams was a fierce article. It was about the worst that ever happened. It was a featureless game and full of errors. The visitors had things their own way in the game. Templeton pitched for Waxahachie and in spite of the fact that he was batted all over the field he pitched a good game, but his support was very weak. The visitors took a big bunch of hits from Templeton and sent seven men across the plate in one inning. Tease was in the box for Corsicana and did excellent work, but his support went up in the air at a critical period and let Waxahachie run in four scores in one inning.

At the end of the game the score stood: Corsicana 18, Waxahachie 6. Batteries: For Corsicana, Tease and Wilkerson; for Waxahachie, Templeton and Orr.

The last game of the series is being played this afternoon.

HEALTHY PLANTS

Require the Most Careful Attention as Well as Good Soil.

Did you ever see a rosebush which—despite the most beneficent environment of soil-of sunshine—and of atmosphere,—seemed never to achieve a healthy growth.

A ton of manure will not help a plant that has a canker eating out its heart.

You must destroy the cause before you can remove the effect.

You cannot cure Dandruff and Baldness by rubbing on hair lotions, and rubbing in vaseline, etc.

You must look to the cause of the trouble—it's a germ at the roots of your hair which causes it to fall out.

Newbro's Herpicide destroys the germ, and healthy hair is the sure result.

Sold by leading druggists. Send 9c in stamps for sample to The Herpicide Co., Detroit, Mich.
