DEMOCRATS MEET

Adopt Resolutions and Elect Delegates to Different Conventions.

NEW COMMITTEE NAMED

Hon. J. C. Lumpkins of Waxahachie Elected Chairman of Executive Committee.

The democratic county convention held at the court house Saturday afternoon was attended by a large number of delegates...

The convention was called to order at two o'clock by T. S. Hamilton, chairman of the county executive committee...

The following committees were appointed: On credentials—W. L. Harper, chairman; J. E. Lancaster, Byron Norrell, C. L. Allen.

On permanent organization—J. C. Lumpkins, chairman; H. R. Stovall, S. F. Newman, Bob Hallam, John Haskins.

On platform and resolutions—John Sharp, chairman; J. C. Loggins, Ben Moody, T. A. Beatty, A. S. Wilson, M. B. Templeton, Will Hancock.

While the committees were preparing their reports addresses were made by several delegates.

The report of the committee on credentials, which was adopted, showed that twenty-nine precincts were entitled to representation in the convention.

The report of the committee on permanent organization recommended that the temporary organization be made permanent.

The committee on platform and resolutions submitted the following which was adopted.

We, the democrats of Ellis county assembled, endorse the principles as enunciated by the democratic convention held at San Antonio, Texas, and the national convention held at St. Louis, Mo.

Numerous petitions having been presented for the repeal of the occupation tax law, upon said subject we recommend the adoption of the following resolution: Resolved, that the principle of collecting an occupation tax upon useful occupations is unjust and said law should be repealed as soon as the revenues of the state will justify.

In view of the fact that there are many unfortunate fellow citizens languishing in the jails of the state without proper care, we strongly recommend that the state of Texas enlarge her insane asylums in order that said unfortunate citizens may be properly cared for and that this be done at any expense.

We endorse the course of our representatives in congress, Hon. J. A. Beall and Senators Chas. A. Culbertson and Joseph W. Bailey.

We recommend that the delegates to the different conventions be governed by the unit rule upon all questions.

We hereby recommend that the vote of Ellis county be cast for the different state offices according to the results as shown by the primary election held July 9, 1904.

The following amendment to the above resolutions offered by W. J. Buie was adopted:

We favor the passage of a law prohibiting the giving of free passes by railroads to any one except employees of the roads and peace officers in the discharge of their duties, and our delegates to the state convention are instructed to insist on the adoption of such plank as a part of the state platform.

Below is the list of delegates sent to the different conventions to be held soon:

STRIKE IS UNSETTLED

Packers Declare That They Will Dictate the Terms.

FOUR WERE INJURED

Negro Strike Breakers Watching a Game of Baseball Attacked by Sympathizers With Union Men on Sunday.

Chicago, July 13.—There was little, if any, change in the situation of the meat packers' strike here Sunday. With Michael J. Donnelly, the strike leader, in St. Louis looking after that end of the difficulty there was no effort here to renew the peace negotiations which lasted through three days last week and were terminated Saturday night without results.

Whether another attempt to reach an adjustment of the controversy by arbitration is problematical, as the packers had the better of the argument in last week's conferences, and are little inclined to offer any concessions to the strikers. One thing is certain, the packers say, and that is that they will not recede from the position they assumed in last week's conferences, and that the strikers will have to conform to the employers' ultimatum before any further peace plans looking to a settlement by arbitration will be successful.

To add to the packers' determination to stand firm is the fact that they have steadily increased their working force at the plants by the employment of outside workmen until, it is said, that things were in almost normal condition at several of the plants. Under these conditions the packers have assumed a more independent attitude, and are more determined than ever that they will not let the strikers dictate the terms on which the controversy will be arbitrated.

The sticking point to this whole question of arbitration is the reinstatement of the strikers. Mr. Donnelly, at Saturday's conference with the packers, waived every other demand he had made, and agreed to order the men back to work, leaving the adjustment of all difficulties to arbitration if the employees would take back all the strikers in a body. This the packers refused to do, maintaining that they had hired many new workmen since the strike whom they would not discharge. They promised, however, to take back the old employees as rapidly as possible, and in the order in which their applications were filed. The union officials declare they never will accept this proposition, as they say it would mean the disruption of the union inside of three months.

President Donnelly, in an interview, stated that according to information received from John Joyce, international secretary of the Butchers' union, the packers of the trust killed 500 and 1000 cattle during the week, as compared with 95,900 to 120,000 head during the same period a year ago.

In an attack Saturday afternoon on four negro strike breakers by a mob composed of speculators at an amateur baseball game in the vicinity of the stockyards, two white men, one policeman and the four strike breakers were seriously injured. Revolvers and knives were used, and three of the injured men are in a serious condition. The injured:

William Duran, shot in jaw and neck. James Kiehl, stabbed in left side and heart; may die.

Policeman J. W. Sweeney, struck in the head and back by bricks while trying to quell the trouble.

George Hunter, neck slashed by knife and severely beaten about body.

Grant Baker, colored, cut about face and head.

Samuel Wood, colored, cut with knife and beaten about body and face; condition serious.

William Riley, colored, face cut and body bruised.

After finishing their day's work at Schwarzschild's & Sulzberger's plant the four colored strike breakers on their way home had to pass the grounds where an amateur ball game was in progress. There were fully 10,000 persons watching the game, most of all of whom were friends of the men who were on strike last week. As the four workmen approached the place some one in the crowd yelled "scab" and instantly a rush was made for the negroes. Wood had a revolver and Baker a knife, and as the mob started for them they drew their weapons. Before they could use them, however, they were knocked to the ground by a dozen white men. Baker scrambled to his feet and began slashing right and left, and before the knife could be taken away from him he had stabbed Kiehl.

Wood fired into the crowd while hitting on the ground, two of the bullets hitting Duran of the attacking party. This opposition of the negroes set the crowd in a frenzy and had not the police made a quick response to a riot call that was sent in, some of the strike breakers would undoubtedly have been killed. As it was, they were thrown to the ground and knocked insensible before the police could scatter the crowd. Several of the rioters were placed under arrest, as also were Wood and Baker.

WRECK ON SANTA FE. Eight Coaches Derailed and Several Persons Were Hurt.

Dallas, July 13.—About ten miles to the south of here a northbound Santa Fe train with more than 400 passengers on board was almost completely wrecked Sunday morning. Eight cars were derailed and two of them entirely demolished. No passengers were killed, but several sustained injuries. A loose brake beam was the cause.

COACHES TURN OVER. One Child Was Killed and Another Fatally Injured.

Lufkin, Tex., July 13.—At Dueso, seventeen miles from here, the rails spread and two passenger coaches of an Eastern Texas railroad train overturned. A child three years old was killed, another eight years old fatally injured and Dick Brown of Nacogdoches seriously hurt. The track was completely torn up and two coaches demolished.

Reward Offered. Palestine, Tex., July 13.—The International and Great Northern railway has offered \$1000 reward for the arrest and conviction of each of the parties who held up train Friday night.

Body Identified. Thurleston, Eng., July 13.—American consul at Plymouth has identified the body washed ashore as that of F. Kent Loomis. There was an abrasion under the right ear. Foul play is suspected.

Skull Fractured. Hartford, Conn., July 13.—An automobile containing C. G. Rogers, the millionaire printer of Chicago and New York, struck a tree near here. Mr. Rogers' skull was fractured all the way across his forehead. Two friends with him were uninjured.

Died From Broken Back. New York, July 13.—Frederick Schweizer, a workman thirty-eight years old, is dead from a broken back at Gouverneur hospital, where he has been a patient for nearly four years. He was hurt in a street accident and several times the surgeons believed they had effected a cure. The case attracted much interest among medical men.

Injunction Issued. Belleville, Ill., July 13.—Judge Holder of the St. Clair county court, had issued an injunction restraining T. Morgan and John Smith, strikers, and the members of every union affiliated with the Amalgamated Association of Meat Cutters and Butcher Workmen from interfering with the operation of packing plants in East St. Louis and the non-union workmen who may be engaged to take the places of strikers. The injunction was issued at the instance of the Armour, Swift and Nelson, Morris packing companies.

DAVIS ARRIVES.

Speaks in High Terms of Mr. Bryan as a Strong, Moral Man.

New York, July 13.—Former Senator Henry G. Davis of West Virginia arrived in this city Sunday and went to the Fifth Avenue hotel.

Oyster Bay was mentioned and the senator asked several questions about the president and his manner of living.

"And what is the truth about the trouble with the miners' delegates who failed to see the president?" he asked with considerable interest.

All the details of the affair were explained to him and he listened attentively without the slightest comment. He asked in an interesting way what effect Judge Parker's gold standard telegram had in this part of the east and how the work of the convention was generally regarded.

When told that there were rumors in some sections that Bryan's followers were now coming forward and taking control of affairs, he replied:

"That cannot be so. I do not believe it. There is less of the communistic and socialistic feature in the country to-day than has existed in many years and there will be no quarrels in the Democratic party."

"I was on the sub-committee that made the St. Louis platform and had an opportunity to know something of the feeling. I sat between Mr. Hill and Mr. Bryan and I can assure you there is no truth in rumors of war in the party."

Mr. Davis spoke very highly of William J. Bryan and characterized him as a "strong, oral man, and very good in his family."

Stopped One Hour. Washington, July 13.—Henry G. Davis, the Democratic vice presidential nominee, arrived here at noon Sunday, and at 1 o'clock left for New York City. The only persons to meet him at the station were several relatives. It was stated that the current reports that he would stop at Laurel, Md., to see Senator Gorman were erroneous.

SECOND SUNDAY. Parker Attends Church and Paid a Visit to W. F. Sheehan.

Esopus, N. Y., July 13.—Judge Parker's second Sunday since his nomination was spent quietly. He had conferences with John W. Kern of Indianapolis, who is his guest, and William F. Sheehan and Maurice Minton of New York, who attended the St. Louis convention, and is said to have come to Roseton on a political mission.

Mr. Sheehan visited Rosemont in the afternoon for half an hour, and later Judge Parker visited Mr. Sheehan's home. Judge Parker attended church service at Kingston in the morning, going to the Church of Holy Cross, of which his son-in-law, Dr. Hall, is pastor. He was accompanied by Mrs. Parker.

The trip to Kingston was made by Judge Parker's yacht.

During the service a small negro boy dropped a coin in the collection plate passed by the judge and left the church as soon as the vestryman had taken the collection to the altar, grinning broadly as he went.

Quietly Spent. Oyster Bay, L. I., July 13.—Sunday was particularly quiet, even for Sunday, at Sagamore Hill. The president received no visitors, although he and Mrs. Roosevelt entertained two or three house guests, including President Nicholas Murray Butler of Columbia university. As usual the president and members of his family attended the morning service at Christ Episcopal church. Theodore Roosevelt, Jr., the president's eldest son, resumed the teaching of a class in Christ church Sunday school.
