

### A Genuine Hair Restorer.

Did you ever know of any hair preparation which would really grow hair and restore the color to gray or faded hair? There are many preparations highly advertised to do the work, but it is probably your experience that none of them will really meet the claims of their manufacturers.

There are many so-called Hair Restorers which are nothing more than harmful chemical dyes, which do not grow any hair, the only result being that they only dye the hair, having no permanency and often causing a streaky appearance.

It has been the aim of the chemists for years to discover a preparation which would really grow hair, and restore the color to gray or faded hair, but heretofore they have met with no success.

Prof. Rembler now claims to have discovered a combination of harmless vegetable composition which is a genuine hair restorer and will grow hair and does not contain any dye of any kind, but will positively restore the natural color and brilliancy to gray and faded hair.

This is a very strong statement to make and if any chemist without the recognized ability and national reputation of Prof. Rembler were to make this claim, we would be inclined to be skeptical as to its truth. It will be remembered by readers that are familiar with scientific discoveries that Prof. Rembler was the inventor of the one fire process for gliding glass and also the Rembler wireless Coherer. Any statement made by Prof. Rembler is entitled to consideration as he would not make any statements which were not true and would injure his established reputation.

The Siloron Mfg. Co. of Pueblo, Colo., have purchased the exclusive American rights to manufacture Sagine, as they have named Prof. Rembler's invention, after having made a six months test of Sagine and thoroughly demonstrating that it would positively do the work. The Siloron Mfg. Co. have authorized us to make the following remarkable offer to all who need a genuine Hair Restorer.

They will send a written agreement with every bottle of Sagine to the effect that if one bottle of Sagine conscientiously used according to the directions does not give entire satisfaction to the purchaser; if Sagine does not actually grow hair and restore the color to gray or faded hair, remove dandruff and make the hair healthy and glossy, that they will pay the sum of \$5.00 to any dissatisfied purchaser.

This is the strongest offer ever made by any manufacturer and one they could not possibly make, if they did not know positively from experience that it would do exactly what they claim for it. No one takes any chance in buying Sagine as it is certainly worth one dollar to use a Genuine Hair Restorer, that will really grow hair, and if it does not give satisfaction they will pay you the \$5 as agreed. Send a \$1.00 bill to the Siloron Mfg. Co, Pueblo, Colo., stating that you wish to purchase a bottle of Sagine with the written agreement to grow hair and restore the color to gray or faded hair or pay you the sum of \$5 and it will be sent to you by express in plain wrapper.

The Siloron Mfg. Co. is incorporated under the Laws of the State of Colorado and refer you to the mercantile agencies or any Pueblo Banks as to their ability to fulfill any agreement they make.

THE SILORON MFG. CO., Pueblo, Colo.

## BACCALAUREATE ADDRESS SUNDAY

Dr. Sandifer Delivers Practical Discourse to Great Audience in Snyder.

Dr. Sandifer president of Simmon's college at Abilene delivered the Baccalaureate address for the graduating class of the Snyder High School last Sunday.

The large auditorium of the new Christian church was filled to its capacity.

The song service was rendered by the High School chorus. Mrs. Weaver presided at the Piano.

Miss Hattie Faught rendered a violin solo and also a vocal number. After scripture reading by Rev. R. W. Mills and prayer by Mac Taylor the speaker was introduced.

Dr. Sandifer stated that he was not a preacher—only a layman, but he would base his address on a text of scripture: "Beware lest any man despoil you thru philosophy, etc."

He paid Snyder a high compliment for her standing as an enlightened Christian city.

The founders of our country knew the value of education and they demanded a broad, liberal foundation along that line.

He told the class of their great advantages over those of earlier generations and complimented them on using those advantages. God intended that we should use our bodies and our opportunities for development and a failure to do so is a sin.

It is good to cultivate the body for strength of noble manhood, but this should not overshadow the principle of moral worth.

The speaker said this was the largest class he has addressed in the West, but he was sad to note that of a class of 20 graduates there was only two boys.

It is no wonder that we hear so much about women taking positions in active life. The reason is that so many more women than men are equipping for the responsible duties of educated activity.

At the present ratio of preparation by the sexes in another century the women will have to take a hand in saving the country by their ballot.

Woman has worked her way to the front, while the boys are dropping out along the way without preparation for the higher duties and responsibilities of active affairs.

The boys have as much sense as the girls but as said by Gladstone—they do not prepare themselves because of their inclination to frivolity and to avoid labor.

This line of change will logically lead to where the men will be in the kitchen and at the washtub while the women are conducting the affairs of government. Young men you have indulged in frivolity and shunned labor. That is the reason why some of you are not in this class of graduates and never will be.

Any boy of normal intelligence can take the present day advantages. Young men quit shirking. Refuse to allow yourself despoiled. Tie your wagon to a star and press onward and upward to moral and intelligent heights. Seek to be useful.

Court opportunity to be of service. Any other idea than of intelligent service is a wrong conception of education. The man who can shoe a horse well is worth more to society than is a useless aimless graduate.

It costs \$500,000,000 in this country to prosecute criminals. This is one and a third more than is spent for education. The way to reduce taxes is to take advantage of educational advancement.

The great percentage of wealth owned by the small percentage of the people was referred to by the speaker. This condition calls for an aggressive statesmanship and the world needs men and women.

All knowledge is not gained in the school room. Wisdom creaks in the streets. We must study men and conditions. We must understand the relation of individuals and groups and communities.

We must know our duties to those about us. We must measure our efforts to the world in which we live. There is something wrong when my country and your country cannot join hands in promoting the teachings of the Prince of Peace.

When your food does not digest well and you feel blue, tired and discouraged, you should use a little HERBINE at bedtime. It opens the bowels, purifies the system and restores a fine feeling of health and energy. Price 50c. Sold by all druggists.

## M. E. CONFERENCE AT FLUVANNA

### Bad Spells

"I suffered, during girlhood, from womanly weakness," writes Mrs. Mollie Navy, of Walnut, N. C. "At last, I was almost bed-ridden, and had to give up. We had three doctors. All the time, I was getting worse. I had bad spells, that lasted from 7 to 28 days. In one week, after I gave Cardui a trial, I could eat, sleep, and joke, as well as anybody. In 8 weeks, I was well. I had been an invalid for 5 weary years! Cardui relieved me, when everything else failed."

## TAKE CARDUI The Woman's Tonic

If you are weak and ailing, think what it would mean, to you, to recover as quickly as Mrs. Navy did. For more than 50 years, this purely vegetable, tonic remedy, for women, has been used by thousands of weak and ailing sufferers. They found it of real value in relieving their aches and pains. Why suffer longer? A remedy that has relieved and helped so many, is ready, at the nearest drug store, for use, at once, by you. Try it, today.

#### OUR CITIZENS DEMAND.

Fully Complied With—A Snyder Resident Furnished It.

There are few items which appear in this paper more important to Snyder people than the statement published below. In the first place, it is from a citizen of Snyder and can be thoroughly relied upon. In the second place, it indisputably proves that Doan's Kidney Pills do their work thoroughly and not temporarily. Read this carefully.

W. T. Brice, Snyder, Texas, says: "I have used Doan's Kidney Pills and have found them very beneficial. My kidneys were weak, obliging me to get up often at night and I suffered from rheumatism twinges. As I had heard of the excellent results of the use of Doan's Kidney Pills, I got a box and in a short time after I began taking this remedy, my kidneys were well and my rheumatism pains removed. I can highly recommend Doan's Kidney Pills to anyone suffering from weak kidneys."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, Sole agents for the United States.

Remember the name—Doan's—and take no other.

## Avoid Paint Troubles—Buy Paint to Suit Our Climate

Explanation of Map: North—Northern Climate; South—Southern Climate; West—Western Climate; East—Eastern Climate.

LOOK at the map above. It shows you the difference in climatic conditions. Yet each American manufacturer heretofore has sold his paint on the same formula for all sections alike—on the assumption that this is a true climate country.

Naturally different brands would have different formulas. But no one kind ever has been made in more than one formula—and Lincoln Climatic Paint came on the market.

When you buy this world-famous paint you can be sure that it is suited exactly to your locality. It not only lasts longer, but will also do it. It will not crack, check or peel with the various changes of weather.

any weather, because it is made especially for you and is made everywhere in our civilization.

We have not received a large shipment of this Climatic Paint the fact that it was made especially for your locality is not mentioned. Call on us and see it and at the same time examine our other various brands of paint of the United States.

Note what symbol is placed on the label of the paint you buy. If you see it we will send you FREE on application booklet giving the secrets of Lincoln Climatic Paint. Ask for one.
