We're Giving Them to You

The buying public expects lower prices and because all are due lower prices we are going to see that you get them at

## Caton-Dodson's

It means that we'll sell a great deal of fine merchandise for less than we expected. We are not cutting the price but are selling these fine clothes on today's market.

But that doesn't make any difference---we want the public to feel that we were with them in this campaign for lower prices. We would be pleased to have you look in.
