OVER 16 MILLION RAISED TO DATE

BAPTIST 75 MILLION CAMPAIGN MAKING GOOD PROGRESS, COMMISSION REPORTS.

CASH ROUND-UP IN SPRING

Effort Will Be Made During March and April to Secure Cash on All Pledges Due to May 1, 1921.

DR. J. B. GAMBRELL
President Southern Baptist Convention, who will tour the South.

Up to December 1, 1920, Southern Baptists had paid \$16,851,190.68 in cash on their subscriptions to the 75 Million Campaign, according to an announcement issued by the Conservation Commission, which is looking after all the general interests of the campaign. This sum has been apportioned among foreign missions, home missions, state missions, Christian education, hospitals, orphanages and ministerial relief, in accordance with the original campaign program.

While the receipts from the campaign have enabled all the agencies of the denomination to greatly enlarge their work the returns have not been as large as the best interest of the work demand, it is said, and the local churches throughout the South are asked to join in a movement to bring up the payments on all subscriptions due by May 1, in order that the delegates can go to the Southern Baptist Convention at Chattanooga, May 12, with a clean slate, and all the general work adequately provided for.

Will Hold Day of Prayer.

Inaugurating this spring cash round-up campaign, February 27, March 6 has been designated as intercession week by the Baptist women of the South, while the entire membership of the Baptist churches is asked to join in spending Wednesday, March 2, as a day of prayer for God's blessings and guidance in the further campaign work.

After this special period of prayer the remainder of March will be given over to enlisting all the members of all the Baptist churches in the South in the matter of completing the campaign program by paying that portion of the subscriptions due by that time, and in bringing the members to see their obligation to support God's work through the dissemination of the doctrine of stewardship. April has been designated as loyalty month and during that time effort will be made throughout the South to bring Baptists to realize that their loyalty to God and his work demands the payment, where at all possible, of their pledges to the campaign.

Southwide Tour Is Planned.

In order that the members to the campaign may be fully informed on what has been accomplished with the money they have contributed so far, and as to the needs of the completion of the campaign program, a series of informational and inspirational meetings that will reach into every state in the South has been planned for March and April. These meetings will be featured by addresses by Dr. J. B. Gambrell, president of the Southern Baptist Convention, and Dr. E. Y. Mullins, president of the Southern Baptist Theological Seminary, who have just returned from a six months' tour of the mission fields of Europe, and who will tell of conditions they found there; Dr. L. R. Scarborough, general director of the campaign, and other persons of prominence. These meetings will be held at central points in the various states, and from these central meetings associational and district rallies will be formed in the hope of taking the campaign message to all the people.

Large Relief Work Done.

Secretary Love of the Foreign Mission Board reports that Southern Baptists, within the last few weeks, have contributed \$147,284.20 in cash for the relief of suffering peoples in Europe and China, above their campaign contributions, and that the Baptist women of the South have contributed \$100,000 worth of first-class clothing for the needy families of Hungary.

ENTERTAINMENT OF VARIED NATURE IS FORT WORTH SHOW

DATES ARE SET FOR MARCH 1 TO 12—LIVESTOCK EXHIBITION CENTRAL FEATURE—OTHER ATTRACTIONS

Varied entertainment will be the watchword of the Southwestern Exposition and Fat Stock Show, which will be held at Fort Worth March 1 to 12. With an exhibition of blooded livestock that promises better than

The lady bronc and trick riding has always been a feature at the Ft. Worth Rodeo.

any made in past years as a nucleus and central feature, the show will be rounded out with numerous features that will provide entertainment for everybody.

M. Sansom Jr. and Ray H. McKinley again will be secretary-manager and assistant secretary-manager and they practically have the same efficient line-up that has assisted them in holding the show in previous years. John I. Burgess, prominent Tarrant county stockman, again will be director in charge of the live stock exhibition.

Eleventh-hour revision of the premium list gives the purebred herds about the same classification and money as at the 1919 show. Smaller

premium classes hardly have witnessed any money reduction.

The cattle sales feature promises to be even more prominent than in the past. Added interest in this section has been aroused through the probability that numbers of Mexican stockmen, keen to secure first-class purebreds for the rebuilding of their shattered herds, will attend the stock show for this specific purpose.

The American Legion will take a leading part in the stock show, particularly on Tuesday, March 8, which has been set aside as American Legion Day. It is anticipated that 10,000 ex-service men from Texas and Oklahoma will be on hand that day and a special Legion program is being worked up.

Plans are being formulated to make the Rodeo features of the snappiest and most varied nature. Captain W. H. Furse, manager of the Horse Show features, is in communication with some of the leading stables of Oklahoma and other states and expects to have a first-class showing of equine beauties. In fact, he already has been assured of the participation of several large stables. He also expects to have a number of army entries from Fort Bliss, Okla. Other features of the Rodeo will consist of some of the most thrilling cowboy sports that ever have been staged in the United States.

The J. George Loos Carnival will be pitched on the Coliseum grounds. This splendid attraction has been held in connection with the stock show for several years but this time will be much larger and much different from previous performances. J. George Loos, the proprietor, has been busy all fall and winter lining up new attractions for the carnival, which will open its spring and summer campaign here. There will be many new and unique features that Texas carnivals have not yet presented.

For the first time a splendid bench show will be held on the Coliseum grounds. This will be staged under the direction of the Fort Worth Kennel Club and one of the most creditable exhibitions of fine dogs ever made in Texas is anticipated.

The show will be inaugurated on the evening of March 5 with the usual splendid society event, a pageant that bids fair to eclipse any of past years. The event is under

the direction of leading society women of Fort Worth and the scenery and costume promises to be gorgeous.

Making Glass of Rice Husks.

Experiments have been carried out in Burma with the idea of utilizing the starchy content of paddy, rice husks, in the manufacture of glass. On burning the husks about 18 per cent of white ash is obtained, and, although this ash contains small quantities of iron, it has been proved to be suitable for the manufacture of glass having a pale green or yellow color. In burning the husks sufficient heat is generated to carry out the various processes.

Coin Collectors Liberal.

Since 1881 the value of rare coins has increased, roughly speaking, 1,000 per cent, many rich men having taken up the fad of collecting them. A Washington man owns a collection of pennies for which he has refused \$6,000. For one very rare specimen he gave a one-carat diamond!

Debutantes and Delegates.
