NEIGHBORING COUNTY NEWS.

CROSBY COUNTY

From The News:

G. W. Carter and Lester Webb of Lubbock were in Emma the first of the week hustling some fruit at the Murry orchard. They report conditions good in Lubbock.

Several loads of lumber has been unloaded at the gin site, and J. L. Benton, the promoter, will have carpenters at work right away. From all accounts the cotton yield is going to be good, and the gin will have something to do when the time comes.

The Emma camp of the W. O. W. will give a picnic and fish fry on Blanco Canyon in the N. pasture one mile above the rock crossing, and one half mile below the corner of the TM bar pasture on Monday, July 25th. Dickens, Tap, Floydada, Lubbock, and all other neighboring camps are invited to bring attendance. There will be cold drinks and dance platform on the grounds, and fish for everybody. Let everybody come and bring something to eat and somebody to help eat it. Defeated candidates, instead of going up Salt river come down to White river in Blanco canyon. Every body invited.

TERRY COUNTY

From the Herald:

The marriage of Mr. Lemmy McDaniel and Miss Jessie Welch, took place at the home of the bride's parents, Mr. and Mrs. J. W. Welch, of Brownfield, Tuesday evening the 14 inst. Rev. North, a Baptist minister from Plainview, officiating. The marriage was witnessed by a large number of friends of the contracting parties, after the ceremony all partook of an elegant supper. These young people have many friends in this community who extend to them their hearty congratulations.

Judge Spencer, informs us that the preliminary arrangements have been made to establish a lodge of Royal Arch Masons in Brownfield and that the organization will take place at some date toward the last of this month.

The protracted meeting at the Methodist church here closed Monday night with two additions to the church. Most of the preaching was done by Rev. Ben Hardy, pastor of the Methodist church at Lubbock, who impressed the people of Brownfield as a strong preacher and most fervent Christian. They would be pleased if he can find it convenient to return and deliver a series of sermons at some future time when conditions may be more favorable for visible results.

Mr. Oscar Crothers, late of Haskell county, but now a resident of Yukon county, and Lela Lett, of Sligo that county, were married in Gomez Wednesday night, Rev. W. L. Lovelady of Beating.

Letter to S. W. Wilkinson.

Lubbock Texas.
Dear Sir: You've got 200 cows, how much will you take for calves and milk of 100 of 'em next year - you pick out the 100?

How much for the other 100? The point is: cows are not all alike, and you know which is which.

It is so with paint. You've got one best cow in that herd. There are 200 different paints in the United States; and one best. You know your best cow; we know the best paint.

The best cow is the one that gives the best calves and milk. The best paint is the one that covers most surface and stays there longest - neither paint nor cows goes by color - nobody asks whether Holden or Jersey is better to look at.

10 gallons Devco will cover your barn and wear 10 years; it'll take 15 of another paint, and that paint will wear 5 years.

Devco cost: Devco: 10 gallons \$1.75; \$17.50; about 10 days' work \$3, \$30; the job, \$47.50 for ten years; \$4.75 a year. The other: 15 gallons \$1.00, \$15; about 15 days' work \$1, \$15; the job, \$25 for five years; \$5.00 a year. Devco \$4.75 a year, the other \$5.00 a year. Difference \$0.25 a year.

That's how to reckon cows and paint.

Yours truly

F. W. Devco & Co.
