WASHINGTON LETTER. (From Our Regular Correspondent.) WASHINGTON, May 4th, 1888.

SOCIAL WRONGS. In breathless, whirling factories A million children droop each year— Like some fair plant that palely blooms Where sunlight can not come to cheer.

FROM GALVESTON. Bank Bond Case—Election—Obituary—Alliance Notes—Cheap Rates—Base Ball—The "Old Lady"—Court Notes—Galveston Generosity—Notes.

Similar Results Under Each. Farmers in the United States seeing the price of their products fall and the value of mortgages rise and business depression deepens, millions of them have come to imagine that this condition is caused by the protective tariff.

Rules to Live By. Keep good company or none—never be idle. If your hands cannot be usefully employed, attend to the cultivation of your mind.

Unnecessary and Unprofitable. Some months ago Congressman Plumb, of Illinois, in investigating the records discovered that the refunding act under which the \$736,000,000 of 4 per cent bonds now outstanding were issued was changed after its passage and the word "after" substituted in the place of the word "for".

FOR ALL DISORDERS OF THE Stomach, Liver and Bowels. BRADFIELD'S REGULATOR. A PERFECT REGULATOR AND POWERFUL TONIC.
