GUARANTY FUND BANK

Is Your Insurance Payable in Cash?

IF your insurance is payable in
cash, the beneficiary will face the
problem of investing it. In-experience
or poor judgment may result in cost-
ly mistakes or complete loss.

The wise and safe plan is to leave
your insurance in the form of a Trust
Fund with us. This provision relieves
your heirs of the responsibility of in-
vestment and insures protection for
the principal. The arrangement is
simply made; ask us for particulars.
