To Classified Advertisers

FROM the recently completed Audit of newspaper circulations in El Paso it is established that *THE HERALD has 56 percent greater City and Suburban circulation than any other paper in this field.* This helps to explain why RESULTS from Want Advertisements in The Herald always exceed many times the returns from similar advertisements in any other local paper.

CHILDREN WILL WAVE MANY FLAGS

Every Child to Have Flag and Every Home Decorated Tuesday.

Every El Paso child will carry an American flag on Liberty Bell day, every El Paso home and business house will be decorated in American flags and the city will be a riot of red, white and blue Tuesday, if the the plans of the Liberty Bell decoration committee are carried out.

The committee has made an appeal to the parents of El Paso children to provide their children with small American flags in order that they may be waved as a salute when the historic old bell arrives from the west and is parked at the Sinnon street station. These flags will be sold by the local merchants at a small price and the committee hopes to have 10,000 children waving flags when the massed army bands play the national air and the massed chorus sings patriotic songs when the bell arrives.

Stores to Decorate.

All of the downtown business houses, the city, county and federal buildings are to be decorated in flags for the celebration. This has been promised to the committee and the Mills building will be covered with flags on Tuesday. The committee is now making an effort to have every small store, shop and office decorated and because it is impossible for the committee to call on all of the merchants, has issued a public appeal to have the city decorated. The home owners have also been urged to hang out flags on Liberty Bell day throughout the city and to make the day a great, patriotic demonstration.

PROTEST TO BE MADE AGAINST CLASS RATES

El Paso shippers are preparing to file a protest with the interstate commerce commission against the new increase in class rates from the Atlantic seaboard points to El Paso which become effective on Dec. 1.

A meeting of the wholesale and retail shippers was held at the traffic department of the chamber of commerce Thursday afternoon at which it was decided to prepare a strong protest against this increase in class rates, holding that it is unfair and discriminates against El Paso to the advantage of other districts. The protest is being prepared by A. W. Reeves, traffic manager of the chamber and the members of the transportation committee of the chamber.

Those who attended the meeting were: W. G. Roe, chairman of the transportation committee of the chamber of commerce; George R. Ryan, vice chairman of the committee; A. Mathias, Haymon Krupp, Hobert Krakauer, W. S. Stiles, C. H. Pinley, S. J. Proenthal, A. Schwartz, I. M. Mayer, and A. W. Reeves, secretary-manager of the traffic bureau.
