Market News

OCTOBER CONTRACT SALES EXPORT DEMAND GIVES FEATURE COTTON MARKET STEADINESS TO WHEAT

By Associated Press. NEW YORK, July 28.—Selling pressure in October contracts was a feature of the cotton market today. It covered the contract down to 32 1/2, or 25 points under last night's close...

By Associated Press. NEW YORK, July 28.—Heavy covering of the short interests was the main feature in the trading in cotton today, and the market made wide advances on it after spells of weakness in the early trading...

By Associated Press. NEW YORK, July 28.—For a time today the coffee market showed evidence of a better tone, and at midday was up about 22 points over the previous close...

By Associated Press. NEW YORK, July 28.—Cotton seed oil was easier for August, but later months were firm and higher on short covering and centered local buying...
