

INDIAN MYTHS AND FAIRY TALES AT CHILDREN'S STORY HOUR.

Miss Corinne Nash, who has charge of the story-telling hour at the library for the summer months, will confine her stories to the older children next Saturday. There will be three types of stories represented: fairy, knight and Indian myths. Mrs. Elaine Oakes Slaughter will assist Miss Nash by telling a number of appropriate stories to the younger group. All children between the ages of six to twelve years are invited to attend, and are urged to be present promptly at 9:30 o'clock, Saturday morning.

MARRIAGE A LA MODE

The high price of shoes has often troubled many a father, but the Dalmatian parent is unconcerned, for he never has to buy shoes for his daughters.

The women there never wear shoes until after they are married, so the shoe bills fall to the husband. Even in well-to-do families this custom prevails.

METHODIST TALENT TO APPEAR AT INTER-CHURCH MUSICAL.

No much talent was found in the Methodist church that it was difficult to say which was the best. Probably no other church in the city enjoys so wide a range.

From the Methodist church Miss Beatrice Story appears as violinist of the evening. Miss Story will be connected with the Amarillo College of Music next season. She has studied extensively in Chicago and Washington, D. C., besides having three seasons of successful teaching to her credit.

Under the direction of E. P. Myers, the Amarillo Men's Choral Club quartet, composed of Frank Miller, Rev. Hucksby, G. C. Davidson and Howard Williams will render a selection. This quartet has been declared by many to be the best in Amarillo.

Perhaps Mrs. T. M. Caldwell enjoys the distinction of being the only lady whistling soloist in Amarillo. Mrs. Caldwell possesses a remarkable talent and will be heard as soloist in the inter-church program.

Miss Carolyn Bryant of Waxahachie is reader of the evening. Surely the Methodists are well represented.

A greater assemblage of artists has never been presented. Above is only what the Methodists are sending. The vocal numbers will be accompanied by Mrs. Lila Austin Myers.

TWO MEN HURT WHEN AUTOMOBILES CRASH

PERRYTON, Aug. 9.—Last night about 9 o'clock Fred Tuberville, of Jester, Okla., and L. M. Osborn, of Paris, Texas, narrowly escaped death in an automobile accident three miles north of Perryton. They were riding in a Ford car without light and ran into a Kelly Spring, 10 truck loaded with wheat. Osborn sustained severe cuts in his left arm and his right leg was also cut. His condition is fair. Tuberville has internal injuries and his recovery is doubtful.

TUCUMCARI WATER SHORT.

TUCUMCARI, N. M., Aug. 9.—The continued dry weather has increased city water shortage and water is now being brought from the El Paso & Southwestern Railway Company until an abandoned well, which is being put into shape for further use, is ready for service.

The city is supplied from five wells. A sixth well has been completed but will require the laying of some miles of pipe line before available for city use. In order to quickly increase the supply of water the abandoned well will be put into service.

Superintendent Wailes states the old well will probably be in condition for use within a week.

Water supply has been so low at several times during the summer that the supply was inadequate for use in watering gardens and lawns.

Lubricating oils for the railroads of those regions are being obtained by distilling the bituminous limestones that are found abundantly in Syria and Palestine.

For Night Flying

The little lead fish at the bottom of the picture is expected to make night flying of the odd planes possible. As the machine goes up the fish goes down forming a counterweight system. The pilot can then be hoisted by cable.

AMARILLO MEN ENTERTAINED BY CANADIAN C. OF C.

O. V. Vernon, secretary of the Board of City Development, W. N. Blanton, secretary for the Panhandle-Plains Chamber of Commerce, and Frank R. Jamison, manager of the Tribune, returned home yesterday from Canadian, where they attended a meeting of the Canadian Chamber of Commerce. Each of them made two speeches, one each at the banquet and later each spoke at a meeting held on the court house lawn. The speakers emphasized the anxiety of Amarillo to impress itself on the Panhandle people as an integral part of Panhandle progress, and it was also emphasized that the Panhandle-Plains Chamber of Commerce expected

to function for the interests of the whole Panhandle. The visitors said they were pleasantly entertained in Canadian. Not only was a banquet served, but ice cream and other treats served on the court house lawn. The Amarillo visitors were also taken for a ride over the city.

Sutton Talks at Canyon.

CANYON, Aug. 9.—W. S. Sutton, Dean of the School of Education in the State University at Austin, and who is a member of the State Survey, spent Friday, August 4 in Canyon visiting friends in the West Texas State Normal College. Dr. Sutton is well known among the members of the faculty and students of the College and his visit was a most pleasing one. He made a short talk to the faculty of the College in which he expressed the idea that the social need in the United States today is "Tolerance."

Bonities have been paid on more than 15,000 bald eagles in Alaska.

McLean News Items. Special to The News. McLEAN, Aug. 9.—Dr. Lear M. Jones of Childs spent Saturday and Sunday as guest of friends in this city. Mr. and Mrs. Luther McComb entertained a number of friends with a weekend party at their ranch on Saturday and Sunday of this week. Those present were: Mr. and Mrs. D. B. Veatch and little daughter Maybelle, Mr. and Mrs. Luther Coffey and son Boyd, Mr. and Mrs. Crutcher and little daughter Clara Pearl, Mrs. S. B. Hall of St. Louis, Mrs. S. O. Cook and daughter Erin of Dallas, Misses Ruby Cook, Frankie May Ipham, Mable Watkins, Messrs. Frank Wofford, Dr. Lear M. Jones of Childs and Preston Nemmo of Dallas.

Mr. and Mrs. Evan Sitter and children and Miss Mable Watkins returned Sunday from Oklahoma City, where, with the exception of Miss Watkins, they underwent tonsil operations. County Agent R. O. Lonkie returned

last week from College Station, where he attended the short course of the Texas A. & M.

The Rev. J. A. Huckaby, pastor of the local Methodist church, is conducting a revival this week in the rural community of Heald.

Rain Over Armstrong.

Special to The News. CLAUDE, Aug. 9.—Armstrong County farmers are rejoicing over the fine rains of Sunday afternoon and night. The rain was general with the quantity varying in different parts of the county. Most of the row crop will be greatly benefited by it.

The rain came just in time to finish out the summer fruit crop and revive the gardens. Considerable lightning accompanied the rain but no serious damages were reported.

Too much irrigation is a menace to growing crops.

The Local Dealer with a National Job

MOTOR transportation has gotten past the point of being just an economical solution of an individual hauling problem.

As an ever growing supplement to our railways and water ways it's playing a big part in our national development.

No better public service can be rendered than to safeguard these trucks and their loads and our roads with the right tire equipment.

That's the U. S. Truck Tire Service Dealer's job.

To do it he has—

1. The scientifically developed U. S. Truck Tire line.
2. The U. S. Truck Tire Technical Service to aid him with the latest technical data.
3. A recognition of the fact that it's the service he renders the truck operator in getting the right tire for his needs that is going to further the development of motor transportation and build his business.

Tell him your truck tire problems.

United States Tires are Good Tires

U. S. Nobby Truck Tire—Built especially for commercial service where speed and maximum cushion are required.

U. S. Regular Solid—a general service tire for average loads at moderate speed, broad flat tread.

U. S. Mono-Twin—The heavy duty cushion tire for big trucks at moderate speeds over all types of roads.

U. S. High-Size—More rubber than regular solid, giving greater cushion and greater mileage.

Jack Daw's Adventures (This Feature Appears Exclusively in the Daily News) By Leslie Elton

FLIP WENT INTO THE BAGS AND DROPPED, AND THEN BARRED TO ATTRACT JACK'S ATTENTION. THE LITTLE ADVENTURER WAS VERY GLAD THAT HIS FAITHFUL DOG HAD FOLLOWED HIM TO THE BAGS' PLACE.

THE DOG KEPT SHAKING HIS PAW AT JACK UNTIL HE MADE HIS MASTER UNDERSTAND HIS PLAN. JACK THEN CAUGHT HOLD OF THE DOG'S PAW AND CLIMBED UP OVER THE JAGGED ROCKS TO SAFETY.

THEN THERE WAS A HAPPY REUNION. JACK SHOOK HIS DOG'S PAW HEARTILY, THANKFUL FOR HIS LATEST ESCAPE. THEN THE TWO WALKED DOWN THE MOUNTAIN AND RESTED UNDER A TREE.

JACK THEN SOLVED THE MYSTERY OF WHY HIS PAW HAD NOT BEEN FOUND ON HIS CALIFORNIA CAVE. IT HAD BEEN TIED TO FLIP'S NECK. JACK STUDDIED THE MAP AGAIN, CAREFULLY. THE TREASURE HUNT CONTINUED IN THE NEXT CHAPTER.
