WOMEN URGED TO READ ZOE BECKLEY'S NOVEL.

All the women readers of the Daily News are urged to read "Cinderella Sally," a romance of a twentieth century working girl, written by Zoe Beckley, the delightful author of "Whom Shall Molly Marry," "Enter the Flapper," "Launching the Marriage Ship," all of which have been printed in this newspaper.

The theme is the struggle of a girl to better her social position and to overcome the handicap of environment. Sally was an American, Cinderella whose fairy godmother was her grit and who didn't completely trust her Prince Charming—the handsome youth in the home where she was employed as a kitchen maid.

The story will be published in two generous installments in the Daily News. The first one will be Sunday, October 15, and the final installment the following Sunday.

LANEVA-RAND WEDDING SOLEMNIZED THURSDAY.

A wedding which will send a wave of interest and surprise through the young social circles of the city, was solemnized Thursday evening, Oct. 12, at 7:30 o'clock, at the home of Mr. and Mrs. Claude Leneveu, 1606 Jackson Street, which united in marriage Miss Louise Leneveu and Frank P. Rand, the ring ceremony being read by the Rev. Stanley W. Hayne.

The young bride wore a handsome navy blue tulle with hat of navy blue touched with cerise, and accessories to correspond, wearing a corsage of roses with ferns. The couple were attended by immediate relatives and Miss Oliver Rex Eakle, Miss Lucille Schoolar and Roy Brittain.

Mrs. Rand, who is very popular in the younger social circles of Amarillo, is the daughter of Mr. and Mrs. Claude Leneveu of 1606 Jackson Street, is a graduate of the Amarillo High School, attending Ward-Belmont School for two years, and is also a valued member of the newly organized Mizpah Club here.

Mr. Rand is a popular young business man of Amarillo having been identified with the City Light and Water Co. here for two years and through his efficient work with that organization has recently received a promotion to the position of distribution engineer with the Gas and Electric Light Co. at Denver, Colo. He graduated from Purdue University in 1917 where he specialized in electrical engineering, and served for two years during the World War with the A. E. F. in France. Both Mr. and Mrs. Rand have been identified with young people's work in the Polk Street Methodist Church here, of which church they are both members.

The couple will leave overland Saturday for Colorado Springs and other points, and will later make their home in Denver.

PHILHARMONIC SUNDAY AFTERNOON CONCERT.

Ambitions are looking forward with interest to the first Sunday afternoon concert of the season to be given by the Philharmonic Club on Sunday, Oct. 15, at 4 o'clock at the First Christian Church, when Mrs. J. Leslie Williams, vocalist; Miss Radie Brittain, organist; and Miss Geraldine Livingston, violinist, will be presented in a varied and delightful program. All music lovers of the city are cordially invited to attend.

CANYON NORMAL BOY WEDS TENNESSEE GIRL.

The following news story from the Chattanooga (Tenn.) Times will be of interest to Amarillo friends and to the many Canyon friends of H. C. Cowan, former student in the West Texas Normal.

Much surprise has been occasioned by the announcement of the marriage of Miss Hazel Mae Thomas and Homer H. Cowan. The immediate families of the young couple knew of their engagement but had no knowledge that the marriage would take place for several months. They took "French leave" Monday, Oct. 2, and were married without the knowledge of any of their relatives or friends, intending to keep the marriage a secret until the first of the year. However, publication of the issuance of the license by the county court clerk compelled the couple to confess that they had been married several days.

The wedding will be of much interest locally as Mrs. Cowan is a most attractive and popular girl. She is the youngest daughter of Mr. and Mrs. J. T. Thomas, of this city. Mr. Cowan is the son of Mr. and Mrs. M. L. Cowan, of Altus, Okla., his father being one of the most prominent and successful real estate and loan men in Oklahoma. Mr. Cowan is attending the Chattanooga College of Law and is connected with the firm of Cooke & Swaney. Mr. and Mrs. Cowan will live in Chattanooga until the end of the term of the law college when Mr. Cowan will receive his diploma. They will then probably make their home in Oklahoma City, where Mr. Cowan has a most desirable position offered him.

Musician Out of Tune

"Gas pressure in my stomach sometimes distressed me so that I could not think, I played out of tune and twice lost my position. No medicine helped me and I became disheartened. Another musician advised me to try May's Wonderful Remedy, and I am now enjoying the best of health." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Sold at Randal Drug Company and druggists everywhere.
