SUBMISSION DEFEATED.

Receives Majority In House, but Not Two-Thirds.

HOUSE PASSES ON MATTER

Vote Really 85 to 44, but Just Before Its Announcement Mobley Changed From Yea to Nay to Move Reconsideration to Get Motion on Journal.

Austin, Feb. 5.—Submission of a prohibition amendment to the voters of Texas failed in the house this morning.

After remaining an hour under call to secure the attendance of all members of the house the vote was taken. It resulted as follows: For submission, 85; against, 44—ten more than the required two-thirds majority.

The vote was really 86 to 44, but just before the result was announced Mr. Mobley changed from yea to nay in order to move to reconsider the vote and spread his motion on the journal.

This leaves the question open for further discussion.

Three members were absent—Goodman, who is an anti-submissionist; Pierce, a Republican; and Walter, who is regarded as against submission. With three absentees the submissionists lacked but one vote of winning.

Following is the vote in detail:

Yeas—Speaker Kennedy, Anderson, Astan, Baker of Hood, Baker of Paduca, Ballenger, Barrett, Bell, Bogard, Bostic, Bowles, Bowman, Branch, Briscoe, Brookerson, Brownlee, Canales, Chaney, Cox, Craven, Crockett of Mitchell, Curran, Curry, Dalby, Dotson, Driggers, Elliott, Fast, Fuller, Gaines, German, Gilmore, Graham, Hamilton of Childress, Hamilton of McCulloch, Harman, Hill, Horner, Jackson, Jenkins, Jennings, Lawson, Leach, Lee, Lively, Luce, Maddox, Marshall, Mason, Maxwell, McKinney, McLean, Morris, Munton, Nelson of Hopkins, Nelson of Kaufman, O'Brien, John, Pharr, Porter, Ray, Rayburn, Reid, Reid, Ridgeway, Robertson of Erath, Robertson of Bell, Robertson of Travis, Sell, Spradley, Stamps, Stead, Stephenson, Stepler, Strickland, Tarver, Terrell of Cherokee, Turner, Vaughan, Westbrook, Wilson. Total—85.

Nays—Adams, Allen, Bierschwale, Roswell, Brooks, Brookshire, Brown, Buchanan, Byrne, Cathey, Cayes, Crawford, Crisp, Crockett of Washington, Davis, Fitzhugh, Flournoy, Geitzen, Haxthausen, Highsmith, Johnson, Keeble, McCallum, McDonald, McGowan, Meeks, Mobley, O'Bryand, Pearson, Perkins, Rabb, Raiston, Roach, Schluter, Schofield, Smith, Standifer, Terrell of Bexar, Treckmann, Von Rosenberg, Wapernund, Werner, Wortha. Total—44.

After disposing of the submission resolution the entire time of the house was consumed in consideration of the compulsory education bill. Numerous amendments were offered. One important amendment offered which was defeated, sought to exclude negroes from the provisions of the bill. It was clearly evident to members that should this provision be excluded, it would render the act unconstitutional. The house adjourned till Monday.

Representative McCallum introduced a bill to regulate fraternal beneficiary associations and to require reports to the insurance commissioner.

COMMENT OF JAP.

Has Confidence in President and the Governor.

San Francisco, Feb. 5.—The passage of the Johnson bill, for the segregation of Japanese in the public schools, were entirely unexpected here, for it was generally believed that after the defeat of the Drw measure all so called anti-Japanese bills would be buried under an adverse vote.

At the Japanese consulate the news was received as soon as the bill was passed, and on behalf of Vice Consul Takashiashi, Secretary Kotama made the following statement:

"Speaking for the Japanese consul and residents, we are much grieved that the assembly passed the bill. We did not expect such action to be taken even by the assembly. We are confident, however, the bill will not pass the senate because of the attitude of a majority of the members of that house.

"Moreover we feel certain that Governor Gillette, observing the desires of President Roosevelt, will not sign the bill, although it should pass in both houses. President Roosevelt and Governor Gillette, we believe, are acting justly and wisely in this matter."

The news of the passage of the bill was received with some consternation by the local school board, which has already had its share of trouble from the question of separate schools for Japanese.

TAFT MAKES SPEECH.

Progress of Work on Canal Is Pleasing to the Next President.

Panama, Feb. 5.—Hon. William H. Taft made an address to a large gathering of canal employes and members of the Isthmian Red Cross society. He said the present condition of the work and the progress made were a source of great satisfaction to him, and that the engineers who accompanied him were impressed with the organization and spirit of energy prevailing throughout the entire force. He also spoke favorably of the great amount of work done every day, and he then cautioned his hearers against worrying about reports and criticisms in the United States by irresponsible writers. The American people are going to build the canal, Mr. Taft said. Congress knew the temper of the people, and the appropriations would be ample to complete the canal by 1915, if not before.

Mr. Taft viewed the nine miles of the Culebra cut from the hills at Empire, while the engineers of the party inspected the channels leading into the Pacific entrance of the canal.

Radical Czechs, who had been hindering debate on this measure for several days with a continuous din from drums and tin whistles, so exasperated the Germans Friday morning that the opposing deputies came to close quarters and a fierce scrimmage ensued. One of the Radical Czech deputies, named Sponek, who had been particularly violent in his obstruction, was captured and whipped until he howled for mercy. Another Czech was bitten by a German on a cheek and sustained an ugly wound. Black eyes and sore heads were numerous.

Cowardly Scoundrel Accosts White Girl and Asks For a Kiss.

Pittsburg, Feb. 5.—Serious trouble growing out of the police crusade against negroes, who have terrorized the Herron Hill district by frequently assaulting young white girls, was narrowly averted when John Moulton, a negro, thirty-nine years old, was arrested in the East End district on charge that he annoyed a white girl and accosted her with "Good evening, sweetheart, ain't you going to kiss me?"

The negro was quickly located by a squad of officers. While being taken to the police station a brother of the girl attempted to get him away from the officers. A large crowd gathered and for a time it was believed the negro would receive rough treatment. Two officers took charge of the prisoner and while a number of others kept the crowd in check he was rushed to a police station.
