100 Acres Choice La Lomita Land For Sale

We are offering for sale for the next few days 100 acres of the choicest land in the La Lomita tract at \$50 per acre.

We will contract to buy from the purchaser of this land all the wood taken from it, delivered at the railroad, two miles distant, for which we will pay in cash the following prices:
 Cordwood, \$2 per cord.
 Fence posts (peeled) 10 cents per posts.
 Railroad ties, 50 cents per tie.
 All of this timber to be put up in customary shape for commercial requirements.

We will further guarantee that the wood properly taken from this land and delivered at the railroad will bring more than enough to pay for the clearing and grubbing of this land, burning up of the brush and working up of the timber, thus leaving the land cleared, grubbed and ready for the plow.

A canal is under construction to the land and we expect to have water on it before it can be cleared.
