Everybody Worked.—Secretary Magill of the Lower Rio Grande Valley Commercial Club says that while he appreciates highly Mr. Hammond's expression of appreciation in Saturday's Herald, he could not possibly have accomplished the results obtained at Corpus Christi without the most energetic and enthusiastic support of the finest bunch of live wires it was ever the honor of a secretary to work with. He expresses his heartfelt gratitude to every member of the delegation.

Excellent Performance.—Last night at the Electric theater a very fine production from the well known story of Damon and Pythias was given to a large and appreciative audience. This was an extra long picture, being in two rolls, and it was also one of the best pictures seen here this season. A good programme was also given at the Clifford theater, the picture entitled "Blue Bird" was very pretty, being hand-colored. The famous "Salome Dance" was also good, and rather startling.

Ball Game Tomorrow.—A game of baseball is scheduled to take place tomorrow afternoon at the Baseball Park between the regular Brownsville team and "Brant's Gobblers." This promise to be a close and interesting game as it is well known to all that the regular team is composed of some of the best amateur ball players in Texas. While the "Gobblers" are not familiar to the city fans, yet they are composed of some of the best local talent and promise to give the regular nine all they can do, if they don't "gobble" them up completely.

Wanted His Wife.—Tuesday morning about 4 o'clock, Ysodoro Garcia, a Mexican, called at the home of Tomaso Garza, keeper of the cemetery, who lives near the cemetery, and began hammering on the door, demanding admittance stating that he wanted his wife, who was staying at the home of Garza. The wife of Garza went to the door and remonstrated with Ysodoro for creating a

disturbance, whereupon he hit her in the right eye with his fist, completely closing that optic. Garza seeing Ysodoro hit his wife, immediately seized a club and struck Ysodoro a stunning blow on the forehead, causing that belligerent gentleman to reflect that the ways of the transgressor are hard and that dissonant hammering on the door, deafter the convincing "argument" of Garcia he immediately fled from the scene. In the police court Ysodoro was fined \$3 and trimmings.

Tourist Car Arrives.—Last night a tourist car belonging to Burton D. Hud of Bay City arrived in the city attached to the regular passenger train, in charge of J. B. Braashfield of Bay City and with 18 homesekers aboard. This car left Chicago on Tuesday November 17, making its first stop at Blessing, where it remained for four days, and coming direct here. The members of the party are principally from Iowa, Kansas, Missouri and Illinois. The car will leave tomorrow on its return trip north.

Great Success.—The grand opening sale of the Combe tract adjoining the town of San Benito, extensively advertised in the issues of The Herald of last Friday and Saturday, was a great success, reports Frank Caldwell who was in the city yesterday. On Monday, the opening day of the sale, \$20,000 worth of land out of this tract was sold, the deals being closed that day. Mr. Caldwell states that S. A. Robertson, who conducted the sales, was very much pleased and gratified with the results obtained through his advertisement in The Herald.

New Firm.—S. H. Selma and S. K. Miller of Corpus Christi have arrived in the city and will engage in business here, having secured the rear of the building occupied by Conway & Hoit as an office. These two young gentlemen will be received with open arms by all lovers of baseball as they have already consented to become members of the famous Brownsville nine and have offered their services gratis. Mr. Selma, whose home is in Houston, was the star pitcher for the Corpus Christi aggregation, while Mr. Miller was one of the best twirlers in the Gulf Coast League, last season.

Jury of View.—L. H. Hallam, B. D. Newman, Geo. M. Ptegnat, Joe Celaya and E. H. Goodrich have qualified as a jury of view to lay out a road from the townsite of Laguna Vista, situated upon the shore of Laguna Madre, to the townsite of Lagana, situated upon the St. L. B. & M. Railroad. The members composing this jury of view were appointed at a recent meeting of the county commissioners. They will go over the proposed road with County Surveyor A. W. Anthon at an early date and report as to the feasibility of the road at the next meeting of the county commissioners.

Delightful Musical.—A delightful musical was given at the San Carlos last night by Mr. and Mrs. Geo. Beard, who have the management of that popular hotel. Quite a number of people from the city were present besides the large number of hotel guests. Delightful music on the auto-piano was rendered by Mr. C. E. Oliver of Houston, while Mrs. Oliver entertained the guests with several selections on the piano. Mrs. Oliver is quite a noted pianist and has but few equals in the State. A vocal solo by Mrs. Gilhouse was greatly enjoyed by all and won much applause for this talented and charming lady. Mr. Jack Briggs of Houston well merited the applause he received on his rendition of two very beautiful bass solos. The vocal duet by Mr. and Mrs. Gilhouse was thoroughly enjoyed by all as were the two vocal solos by Mr. C. E. Oliver. For refreshments delicious punch, such as the hostess only knows how to make, was served. All who were present enjoyed a most pleasant evening.
