ABOUT TOWN.

A nice shower this morning.

The ball at Fort Brown tonight promises to be a great success unless the weather should interfere.

The schooner Pierce Simpson will sail this afternoon from Galveston for Brazos with a cargo of general merchandise.

No news has been received here yet of the schooner Beacham which sailed from Brazos Santiago last Monday for New Orleans, but no fears are entertained by the agents here for her safety.

Two bricklayers who went from Brownsville with several others a few weeks ago, to get work at Beaumont, returned home Saturday. They report that they could not get employment there, on account of the labor unions. The other bricklayers that went at the same time also left, some going to Monterey and some to Laredo.

Emile Kowalski of New Orleans writing to his father, Louis Kowalski, relates that in a recent storm on the Gulf coast, a wrecked schooner was sighted at the mouth of the Mississippi, with three men clinging to the rigging. She was supposed to be the Dickson. It was so rough that it was impossible for aid from shore to reach them, and the men probably perished.

Oil Lands in Tamaulipas.

Under its Mexican notes, the San Antonio Express of recent date has the following from Tamaulipas:

On the lands of the Chapa estates, near El Chapeno ranch, indications of oil have been found; a sulphur vein was encountered, also large beds of asphalt. Don Ricardo Bennevento has left for the United States to interest American capital in the exploitation of these deposits. The above named lands adjoin the Sacramento lands, near Sota La Marina, and extend down the Gulf Coast to the Rio Grande, near Matamoros.

KEEP your blood pure and your stomach and digestive organs in a healthy condition by taking Hood's Sarsaparilla and you will be **WELL**.

Masonic Notice.

A regular communication of Rio Grande Lodge No. 81, A. F. & A. M., will be held Tuesday evening, Aug. 20, at which important business is to be transacted.

A full attendance is desired. Sojourning brethren are cordially invited.

By order of Benj. Kowalski, W. M.

J. F. CUMMINGS, Secretary.

A Martyr to the Cause

Who will be the first to give us an invention for the burning of Beaumont oil in cooking and heating stoves?—Shiner Gazette.

The hired girl is working on it, but just as she begins to think she has solved the problem she is called hence.—Houston Post.

The waters-Pierce Oil company again had the lowest bid for supplying the state institutions with oil when the bids were reopened. It has developed that the price of oil in the Beaumont field is only 10 cents per barrel.

Death of Father Michel.

Written for THE HERALD.

A telegram received last evening by the Rev. Father Superior of the Oblate Fathers conveyed the sad news of the death of Rev. Father G. Michel, who yesterday morning succumbed to a lingering and most painful malady, in the Santa Rosa hospital at San Antonio.

During the many years of his ministry in Brownsville, this holy servant of God rendered himself so well and universally loved that any praise or enumeration of his virtues and labors cannot but be an echo of the eulogies which all hearts are already pronouncing, on recalling the abnegation, zeal, tender-heartedness, and all the other heroic and gentle traits that characterized his saintly soul.

Father Michel was born in Metz, in 1846, of French parentage. His ecclesiastical and classical studies were pursued in Autun, France. In '78 he came to Texas and became chaplain of the Incarnate Word academy of this city. In '92 he was sent to Canada, in which country he passed five years, returning at the conclusion of that period to Brownsville, where he remained until last year, when he was sent to Eagle Pass. For many years Father Michel was a great sufferer, more than once arriving at the point of death, and with courage did he combat his cruel ailment. From that is he now mercifully delivered, and, like "everyone that hath left hoarse, or brethren, or sisters, or father or mother for His name's sake, is he receiving a hundredfold and life everlasting."

Col. Anderson Dead.

A telegram was received Saturday in Matamoros, announcing the death of Col. Wm. Anderson, at Laredo. Col. Anderson was well known here, having visited Matamoros and Brownsville several times in recent years, in the interest of a project to build a railroad from Monterey to Matamoros. He was lately interested in some important mining ventures in Mexico. Col. Anderson was a gentleman who made a very favorable impression upon all who met him here, and his death is much regretted.

U. S. Consul P. Merrill Griffith of Matamoros was interested with Col. Anderson in some business matters, and he left at once, on receiving the news of his death, for Laredo attend the funeral.

Death of I. P. Quintana.

A telegram was received yesterday by Dr. M. Barragan, announcing the death of Ignacio Pelayo Quintana at San Marcos, Tam., last Saturday night. Deceased was well known here and in Matamoros, having been on a visit to Dr. Barragan in Matamoros, very recently, leaving there only a few days ago. Sr. Quintana was a pharmacist, and his home was at Zitacuana, Michoacan. His death is much regretted by his friends and relatives here.

Requiem Mass.

A mass of requiem for the soul of the late Rev. Father G. Michel will be held at the Catholic church on Wednesday morning at half past six o'clock.

Scorpions

According to a resolution passed by the city council of Durango for the extermination of scorpions which infest that locality and which menace the inhabitants thereof, during the present year there have been some 15,842 scorpions killed, entailing a cost to the municipality of \$158.42.

NEW STEAMSHIP LINE.

New Orleans Proposes to Buy a Steamer for the Brownsville Trade.

The following item is clipped from the New Orleans Daily Item of Aug. 15:

"There was a meeting of the merchants interested in the Brownsville, Tex., trade yesterday afternoon at the Board of Trade, to discuss the proposition of Messrs Clements and Baccich, for the purpose of purchasing a vessel to run between that port and New Orleans. It was proposed that the New Orleans merchants should subscribe \$40,000 and the Brownsville merchants \$10,000 Messrs. Clements and Baccich submitted a description of the ship named Tarpon and offered to subscribe \$5000 Mr. Jackson, of a committee appointed to secure subscriptions for the purpose of buying a vessel to operate between the two ports, said he had secured \$5000. Now the committee will start to secure more subscriptions. Several merchants yesterday subscribed \$500 each, making about \$6500 Messrs. Clements and Baccich will circulate a list for subscriptions."

Happy old age

Many women who have enjoyed good health all their life begin to fade when they reach the age of forty-four. They grow nervous and irritable and suffer with sick headaches. Their livers are torpid, their digestion is impaired and their bowels are irregular. They are experiencing the "change of life." And it is not strange that the cessation of the menstrual habit after thirty years operation should disturb the system and tax the strongest constitution. This trying period has no terror for a woman who uses Wine of Cardui. It builds up her strength and prepares her for the ordeal. When the change of life is not safely passed, a woman quickly becomes an invalid. Slumbering disease germs are given increased activity and they appear in aggravated form. If you take Wine of Cardui regularly when approaching the change of life you will be assured better health than you have ever enjoyed before. A happy old age and restful calm will be your reward. Mrs. Campbell was cured after suffering three years with "change of life." Theford's Black-Drageat, the companion medicine of Wine of Cardui, assimilates with it perfectly, curing digestive liver and kidney affections, and throwing impurities and disease germs out of the system. Both working together make a well and happy woman.

McELREE'S Wine of Cardui

Yonkers, La. News Co., S. C., Sept. 22, 1899.

I have recommended your Wine of Cardui and Theford's Black-Drageat to several of my lady friends, and I can say they are what you recommend them to be. I have been suffering three years with the "change of life," and I did not get anything that would do me any good until I tried your medicine. I give thanks to Wine of Cardui and you, for it relieved me. Mrs. D. H. CAMPBELL.
