And Now Its Politics in the Neches Club—Abe Mulkey and the Deacon—Oh, Those Streets.

And now its politics. Not government politics but Neches Club politics.

J. K. Grist has returned and the Haberdashery will soon be one of Beaumont's leading stores. Jakey is a hustler and his success is assured.

The band concert began yesterday afternoon at 6:30 and lasted until 9. This later hour is thought to be more satisfactory during the exceedingly hot weather. The grand stand is getting along nicely now.

Rev. Abe Mulkey takes a hot shot or two now and then that is most appropriate. Of course this does not apply to the Deacon on The Enterprise. His services yesterday were largely attended and his good work is commencing.

The streets are nearly cleaned up now than they have been for several months and still they are a long ways from satisfactory. But this cannot be helped in a rapidly growing city like Beaumont and we must grin and bear it. The paving comes next. It is only three weeks off and then then cussing will be in order until it is finished and praised as soon as it is done.

The Masonic lodge will hold its installation tomorrow night and there will be a very large attendance to see the young blood take hold. The officers in the lodge are the youngest ever elected but they are energetic and the lodge will undoubtedly increase in the future as it has under B. R. Norvell, the past master.

The judges for the Neches club election are Wm. Dixon, M. S. Robinson and W. H. Plageman. It is intimated that these judges cannot be influenced to stuff the ballot box in any manner shape or form. But they may toss up who they will elect. They are good or play a game of seven-up to see ones and the best man is sure to win under their guiding care.

The officers nominated for next year in the Neches club are as follows: Chenaunt O'Brien president; Dr. O. S. Hodges, vice-president; W. B. Ligon, treasurer; Steinhagen secretary. The directors nominated are W. S. Davidson, B. R. Norvell, Alf. J. Eastin, Wyche Greer, S. De Silva, Leon Sonfield, S. O. Hampfl, F. D. Minor and the officers named above. Any five members of the club may get together and nominate another ticket and it will be placed on the official ballot so that the above nominations do not necessarily insure the election of the candidates named notwithstanding they are excellent material. There is talk of an opposition ticket just to make the matter interesting. The vote takes place at the club rooms on the first Tuesday in August, the polls remaining open from eight in the morning to eight in the evening and the votes being cast just as in a general election.
