One new babe. The home of Mr. J. E. Wilson is the one made happy. We congratulate.

Two new families. Mr. Shoulz, from Hale and Mr. Harry Key. Mr. S. rents land from Mr. J. T. Holland, Mr. K. buys a quarter section. Harry Key is well known to our people and will make a valuable addition to the community. He has purchased mail route.

Mr. Holland has contracted to build a house for Mr. C. M. Rogers who will rent land. Verily, our country has become a farming country. Let others follow Mr. Holland's example and a rapid development awaits us.

THE SECOND TERM OF GOODNIGHT COLLEGE

For the current scholastic year commences MONDAY, JANUARY 5, 1903, And ends MAY 17, 1903.

Every term of the school has been more prosperous than the one preceding, and the term closing Dec. 19, 1902, has been, by far, the most prosperous in the history of the school. We have enrolled 112 boarding pupils and we had to turn away many applicants for admission because we had not room for them.

This term, as last year, we are able to return to each student a part of his board money, and this notwithstanding the small amount deposited to meet the boarding expenses. Our plan of home production of supplies and cooperation in meeting expenses works like a charm.

For circular of information address either MARSHALL McILHANEY, PRES. OR A. J. NUNN, ASSOCIATE PRES.
