

SCHOOL CHILDREN IN BRAZOS COUNTY

The scholastic population of Brazos County is 5302, according to a report just issued by the State Department of Education, and the total apportionment at \$6.81 per capita is \$36,318.70 for the 1912-13 term; 2689 of our school children are whites and 2613 are negroes. The total number of school children over seven and under seventeen years of age in Texas is 1,017,133, and \$12,896 are white and 204,237 are colored. The males number 515,603 and the females 501,530. The total apportionments are \$6,967.361 for the State.

It is customary to multiply the scholastic population by five in order to ascertain the true population of the county, and on this basis Brazos County has a population of 26,510, an increase of 7501 over the Federal census of 1910.

The scholastic population of Bryan is as follows: White, 627; colored, 579; total 1206.

SIMULTANEOUS REVIVAL CLOSED

By Far Most Soulful and Helpful Series of Meetings Ever Held in Bryan—To Date 140 Have United with Churches.

Last night marked the close of the simultaneous revivals held in the various Protestant churches of this city for the past two weeks. The interest that has been manifested in these meetings is remarkable, for during the entire progress of the services the attendance was very large at all the churches.

The revival will be of lasting benefit to the city, for besides quickening the spiritual zeal of the members, a large number of new converts and reclamations have been made. The influence of a great number of people throwing their life and influence on the side of right and morality, and resolutely battling against those things which go to degenerate and drag down man will always quicken the uplift and better their fellows.

The value of the results of the meeting is incalculable. Numerically they may be summed up as follows:

First Methodist Church.

The revival just closed at the First Methodist Church last night was the best held in that church in many years. The services were well attended throughout, the morning congregations being very unusual, and the results most gratifying. There were altogether something over one hundred professions of conversion and reclamations, and up to last night sixty-five had given their names for membership in the Methodist Church and one in another church. The preaching of Dr. Holder was of a high order and his labors in private and public most effective. He was greatly helped in his services by the solo and chorus work of Mrs. Hudspeth.

These workers left for their respective homes last night with the god wishes and prayers of the many who heard them during their visit to Bryan.

First Baptist Church.

The meeting at the First Baptist Church closed last night with an overflow congregation, many being turned away for want of room. Dr. Scarborough preached a great sermon on "Choosing Barabbas Instead of Christ." The pastor baptized thirty-three last night and a number remain over to be baptized next Sunday night.

With the professions of yesterday and last night the number of professions during the meeting reached one hundred and nine, and sixty have already united with the church with others to follow. It is the universal opinion of the members that the church never had a more helpful meeting.

As an expression of appreciation of the services of Messrs. Scarborough and Taylor, the church gave nearly \$1500 for the meeting and the seminary to which Rev. Scarborough has given his life.

Free Will Baptist Church.

Pastor J. J. Tatum, who has conducted the revival services with the assistance of Rev. C. F. Stalker, has received into the church five new members and eight have signified their intention of uniting with the

church. Two additions were made by letter and three reclaimed.

Rev. Stalker left last night for Kenedy, where he will deliver two lectures. He will then go to Webb City, Mo., and lecture previous to going to his home at Tamaroa, Ill. Rev. Stalker is a most powerful pulpit orator, and made many personal friends during his stay in the city.

Presbyterian Church.

Rev. O. A. Browne, of New Orleans conducted the services in this church during the first part of the meeting, but was called away, and the pastor, Rev. J. R. Finley, with the able assistance of Dr. T. C. Johnston of Houston, continued the good work. Two professions of faith were made and the entire membership of the church greatly inspired. Dr. Johnston returned to Houston last night.

Christian Church.

Rev. Chalmers McPherson of Fort Worth assisted Rev. J. N. Thomas in the conduct of one of the most helpful series of meetings ever held in this church. Three members have united with the church by profession of faith and five have united by letter. Rev. McPherson returned to his home at Fort Worth last night.

DEATH OF LITTLE MELVIN EDGE

Little Melvin Edge, the two-year-old son of Mr. and Mrs. J. H. Edge, died at 6:30 o'clock this morning after a two weeks' illness with measles and pneumonia. The death of the little fellow deeply moves the loving hearts that were so happy in his love, and in sorrow the parents have the tenderest sympathy of their friends. Mortals can but bow to the will of Him that knows the things that are hidden from man, and though oftentimes to human understanding God's ways seem hard, yet He has promised that all things shall work for good for those that love him. In His wisdom He has seen fit to spare the burdens of life and take the spotless soul of the child home to the place where pain is not known.

Funeral services will be held at the home tomorrow (Saturday) morning at 8 o'clock, with interment following at 10 at Wesson Cemetery. Rev. Glenn Fliinn will conduct the funeral services.

COMMISSIONERS' COURT.

The Commissioners' Court has canvassed the returns on the election to increase the school tax of the Millican school district, and found that there were but few dissenting votes. It is the intention of the trustees to add an additional room to the school building and employ another teacher.

The court agreed to furnish George Dunn with the cement provided he would furnish the labor, to put in two concrete culverts on the San Antonio road.

The court spent the afternoon canvassing the returns of the recent election for school trustees. It has not yet completed the work. John Hicks and W. R. Parker have been elected county school trustees.
