LOVETT HARRI- MAN'S SUCCESSOR

FORMER TEXSAN ELECTED TO
HEAD OF UNION PACIFIC EX-
ECUTIVE COMMITTEE.

A SELF MADE MAN

Wm. Rockefeller and Jacob Schiff
Elected Directors in Place of
Harriman and H. H. Rogers.

Special to the Eagle.

New York, Sept. 14.—The board of directors of the Union Pacific yesterday elected Judge Robert S. Lovett chairman of the executive committee to succeed E. H. Harriman.

William Rockefeller and Jacob H. Schiff were elected directors succeeding Henry H. Rogers and E. H. Harriman.

They were also appointed members of the executive committee.

It has been said that Harriman was attractive to Lovett by the thinness of his face. "A man who worries about his business all the time is thin in the face," Harriman is reported to have said. "I want just such a man."

Lovett is very thin. Although 49 years of age, he weighs only 120 lbs.

He came to New York four years ago and lives at the Hotel Majestic. Besides his knowledge of the legal side of railroading, he has a wide grasp on the practical operation and improvement of railroads, and he knows the Southwest and the far West like a book.

NEGRO OUTLAWS BREAK JAIL AT ANGLETON

Special to the Eagle.

Angleton, Texas, Sept. 14.—Sunday afternoon at 5 o'clock Ernest Barbee, the jailer, while arranging to feed the prisoners was set upon by three negroes who sprang out of the lockup just as the big bolts shot backward. Barbee was thrown to the floor of the jail and beaten and choked. One of his hands was severely injured. His keys and pistol were taken from him, and he was thrown into a cell and locked up. This done the negroes leisurely visited the sheriff's office below, helped themselves to a Winchester and shot gun and decamped.

After going a short distance on foot they met some negro women riding in a surrey belonging to Mr. M. E. White. The women were compelled at the point of guns to vacate the surrey. Entering the vehicle, the desperate men drove rapidly in the direction of the river bottom. Later the surrey was found badly wrecked.

Tut Hardin Killed.

Messages of the escape were wired to all parts of the county. Some one phoned to Tut Hardin, a prominent ranchman and storekeeper at Chenango, eight miles distant from this place. Mr. Hardin armed himself and began a search for the prisoners. At about 11 o'clock he encountered them and called on them to throw up their hands. The answer was a shot from a Winchester, which struck Mr. Hardin in the abdomen and passed entirely through him. He died at 7 o'clock yesterday morning.

Dr. J. G. Boyd of Houston was summoned to the bedside of the dying man. He came on a special train over the Brownsville road, leaving Houston at 6 o'clock, but arrived ten minutes after Mr. Hardin's death. Mr. Hardin is survived by a large family.

JOHN W. CASTLES DEAD

FORMER BRYAN MAN RABMLY
ENDED HIS LIFE, CUTTING
THROAT WITH RAZOR.

LIVED IN NEW YORK CITY

Was President of Union Trust Com-
pany and Director in Many Cor-
porations.

Special to the Eagle.

New York, Sept. 13.—John W. Castles, president of the Union Trust Company of this city, a director of other well known corporations and prominent in club and social life, committed suicide today by cutting his throat with a razor in the Grand Union hotel. His body was found shortly before nine o'clock tonight by his brother, Burton S. Castles. The body was cold and the bloody razor with which he had taken his life lay on a table. He left no note or instructions and his brother ascribed his act to a nervous breakdown.

Burton Castles did not accompany his brother to the hotel, but alarmed at Mr. Castles' failure to return home from the bank, began a search through the hotels of the city tonight. Mr. Castles arrived at the Grand Union, at forty-second and Park avenue, and found that his brother had registered there under his own name at 4:20 o'clock this afternoon and had gone immediately to the room assigned him on the second floor. All indications are that he ended his life soon after closing the door behind him.

On the dresser near the bed there was an eight ounce bottle, unlabeled, but containing a pungent acid. Whether he had taken any of this before cutting his throat had not been ascertained tonight. A physician was summoned hastily after the body was found, but the banker was beyond aid. The police and coroners were then notified and an investigation begun.—Houston Post.

John W. Castles was a Bryan boy, being a son of the late Dr. Castles.

He was a half brother of the late T. A. Castles and was reared in this city.

He attended the common schools here and when quite a young man, formed a partnership with Mr. R. S. Webb and they opened a drug business at Round Rock, Texas. In a short while they disposed of the business and Mr. Webb returned to Bryan to engage in the dry goods business and Mr. Castles went to Waco. His rise was rapid. In Waco he was associated with the lumber king, Wm. Cameron, who sent him to New Orleans to organize a wholesale drug business.

While there he founded the Hibernia Bank and Trust Company and was elected its president. He erected the magnificent Hibernia building which will stand as a monument to his great genius as an organizer and financier.

From New Orleans he was called to the head of a great trust company in St. Louis, and from there to the presidency of the Union Trust Company in New York.

It appears that Mr. Castles suffered a nervous breakdown some time ago and was in a sanitarium for some months.

He was married during his residence in New Orleans and is survived by his wife, a son and a daughter.

The news of his sad and seemingly untimely death came as a great shock to his relatives and many friends in this city.
