**Eye Use and Abuse.**

Those tired eyes of yours will stand lots of abuse, yet there is a limit to their patience and their power. You may worry along for quite a while, but there will come a time when you will regret your present indifference. Here are a few hints:—Headache, Dizziness—Aversion to Bright Light—Sleepy Feeling while Reading—Blurring of Objects either at close range or at distance—Frowning or Squinting—Smarting or Burning Sensation in or around the eyes—Fatigue or requiring stronger light when reading—Dark Spots floating or Bright Lights flashing before the eyes. These are but a few of the many symptoms. Just think it over. I fit glasses for defective visions and eye strain—that's all, but a little piece of glass will work wonders. I charge nothing for consultation. If glasses are not needed, I will tell you; if they are I will furnish them at a reasonable price. A trial is all I ask. Neither can you relieve the strain by "hoping your eyes will become stronger." Weak eyes, when in need of glasses, always go from bad to worse.

**The Bryan Eagle**

Entered at the Postoffice, Bryan, Texas, as second-class mail.

THE EAGLE PRINTING COMPANY.

Bryan, TEXAS, OCT. 6, 1909.

A politician is a person who wants to live on the government instead of under it.

Religion (we use the word in its widest sense) is either man's best friend or his worst enemy.

Taft's Minneapolis speech convinced the Republicans who favor tariff reduction that a man may smile and smile and be a flunk-out.

The people of Texas are paying Oscar B. Colquitt \$4,000 a year to serve them as railroad commissioner. Mr. Colquitt is putting in most of his time traveling over the state in the interest of his candidacy for governor.

Brodie Duke is the head of the tobacco trust, whose extortion was the cause of the night rider troubles in Kentucky and other states. Brodie Duke gave a North Carolina college \$50,000, whereupon the president of that college proceeded to hold him up to young men as a model of a man of high ideals and altruistic motives.

**KANSAS CITY STOCK MARKET.**

Kansas City Stock Yards, Oct. 4.—Although the cattle run was heavy last week, and the proportion of quarantine cattle fully up to normal, the general market has a good tone, and the close was steady to a shade stronger on everything desirable. Run of quarantines today is 93 cars, market steady to strong. Total cattle receipts today are several thousand head less than on recent Mondays, and as the demand is now keyed up to extra high capacity, everything is quickly disposed of today. Nearly all the steers in quarantine division are medium to light weight, and prices are from \$2.40 to \$4.00, with one drove of good weight steers at \$4.85, and several strings weighing under 900 pounds at \$3.75 and \$3.80. Cows sell at \$2.75 to \$3.50, heifers up to \$3.75, calves \$2.75 to \$7.25, bulls \$2.80 to \$3.15. Country buyers took out 1020 car loads of stockers and feeders from here last week, containing 80,000 head, by far the greatest week's business in that trade this season. Prospective feeders are better able to figure on the price of corn, and the amount avail-

ble, than heretofore, and the sentiment in favor of feeding operations the coming season is growing all the time. So far, Illinois and Iowa have been the chief buyers here, Illinois alone taking nearly one third of the total outgo of stockers and feeders last month. Frost has held off well in Kansas and Missouri, this fall, favorable to late corn, and the yield of corn will be, in all probability, more than was figured on a month ago.

Hog run is slowly increasing, but is far below this period last year. Run last week was 55,000 head, and the market closed the week 15 to 25 cts lower for the week. Run is 12,000 head today, liberal for Monday, and although there was some strength at the opening, the bear campaign being waged by the packers became effective soon after the opening, and the close was weak to 10 lower, top \$8.15, bulk \$7.65 to \$8.05. Packers are getting scarcely enough hogs to fill the fresh meat demand, and it depends a good deal on the run this month whether or not they are successful in putting the price down where they want it.

**WAITING FOR DEATH.**

(To my comrades in the Confederate Home.)  
 Just sitting 'round waiting for death,  
 That's what we are doing my boys—  
 Just waiting to draw the last breath,  
 For long since we've done with life's joys.  
 Well death's no such terrible thing,  
 Except to the coward and slave;  
 The monster possesses no sting  
 For men with one foot in the grave.

When in line of battle you stood,  
 In the glorious days long ago,  
 And fought under Jackson or Hood,  
 And bared your brave breast to the foe,  
 You went half the way to meet edath,  
 When the fight raged deadly and hot,  
 Each bright sword leaped forth from its sheath,  
 And you defied and foamed him not.

Even then in the heyday of youth,  
 While life for us all had charms,  
 You never shunned death, but in sooth  
 Each man bravely stood to his arms,  
 Then why fear the grim monster now,  
 Or blanch at the death angel's call?  
 In this world we've no place, I trow,  
 The grave's the best place for us all.

Far better if we had all died,  
 Sword in hand, ere our banner was furled,  
 Than on this earth to abide  
 When we have no place in the world,  
 I care not how soon I am free  
 From this world—it cannot be long—  
 And "welcome death," 'tis haunting me—  
 That old fragment of Scottish song.  
 Taylor Thompson.  
 Austin, Texas, Sept. 26, 1909.

They like to look well when they go out. It gives them confidence in themselves and makes them more manly and self reliant. Coulter has the finest line of boys clothing to be found in the city. The line embraces a beautiful assortment of the latest shades, colors and cuts, in Buster Brown suits with knickerbocker pants. Two pair of pants with each suit. The extra pair of pants means a great thing as the pants of a suit never last as long as the coat. Prices range from \$3.50 to \$10.00. Be sure to examine Coulter's line when you go to buy the boys new suits. 259-51

**A LIVELY CHASE.**

Marshal Boyett had a lively chase this afternoon after three little negro boys who were mixed up in the theft of some money from a private residence. All three of them were bagged and locked up in Uncle Tom's Airdome. The sum stolen was \$15 and about \$5 of it was recovered.

**Hunting For Justice.**

Justice is of course loudly demanded by every litigant in a court of law, but it is a frequent infirmity of the human mind to confuse justice with one's own cause. The late Thomas B. Reed, according to a writer in Law Notes, used to tell an amusing story to illustrate this tendency. He was once retained by an enterprising client to prosecute an action. On talking with the plaintiff's witnesses Mr. Reed found that their stories were far from consistent, so he reported the fact to his client and advised that the suit be dropped. The client was somewhat perturbed, but told the attorney he would have a talk with the witnesses and let him know the next morning what he had decided to do. True to his word, he dropped in bright and early, wearing the cheerful look of one who has fought the good fight. "I've seen those witnesses," he explained, "and they say they must have been mistaken when they talked with you. They all see it alike now. I've also seen some of the jurymen, and they think I'll win. Now, if there's such a thing as justice in law we can't lose."

**BRYAN INTERURBAN SURE.**

Promoter J. T. Maloney Optimistic Over Outlook.

J. T. Maloney, mayor of Bryan, and the promoter of the interurban from Bryan to the Agricultural and Mechanical college, is here for the purpose of consulting Fountain & Shaw, the engineers in charge of the road. Mr. Maloney feels very much elated over the prospects, stating that there was not the slightest doubt but that the road would be built. There is now \$20,000 of the \$50,000 necessary to build the road which has been raised. Really more than half has been raised and as to the balance the promoter is very optimistic. The town of Bryan has come liberally to the front and the faculty of the college has met the town half way.—Houston Post.

Austin, Texas, Oct. 6.—It was announced by Commissioner of Banking Love yesterday that cashiers of state banks and those having the power of a cashier, under the new banking law must furnish new bonds, the form of which will be prescribed by the commissioner and will be more stringent than the old bond under which the cashiers are now operating.

**A WARNING.**

Don't Be Humbugged With Cheap, Worthless Imitations.

Since the introduction into the United States, the sale of Parisian Sage have been phenomenal. This success has led to many imitations similar in name. Look out for them, they are not the genuine. See that the girl with the Auburn hair is on every package. You can always get the genuine at E. J. Jenkins drug store. Parisian Sage is the quickest acting and most efficient hair tonic in the world.

It is made to conform to Dr. Sanger-bond's (of Paris) proven theory, that dandruff, falling hair, baldness and scalp itch are caused by germs.

Parisian Sage kills these dandruff germs and removes all trace of dandruff in two weeks; it stops falling hair and itching scalp and prevents baldness.

And remember that baldness is caused by dandruff germs, those little hard working persistent devils that day and night do nothing but dig in to the roots of the hair and destroy its vitality.

Parisian Sage is a dainty perfumed hair dressing; not sticky or greasy, and any woman who desires luxuriant and bewitching hair can get it in two weeks by using it.

Beware of imitations, look for the girl with the Auburn hair on every package. Parisian Sage is now sold by leading druggists all over America and is guaranteed by E. J. Jenkins to cure dandruff, stop falling hair and itching scalp in two weeks or money back. Fifty cents a large bottle. Made in America by Gloux Mfg. Co., Buffalo, New York, who fill mail orders, all charges prepaid.

**A GOOD REASON.**

Bryan People can Tell Why It is So. Doan's Kidney Pills cure the cause of disease, and that is why the cures are always lasting. This remedy strengthens and tones up the kidneys, helping them to drive out of the body the liquid poisons that cause backache and distressing kidney and urinary complaints. Bryan people testify to permanent cures.

W. J. Walker, Caldwell St. Bryan, Texas, says: "For some time I was compelled to rise several times at night on account of too frequent passages of the kidney secretions. I also had severe pains in my back and my energy was in such a low state that I found difficulty in attending to my daily duties. Some time ago I had the good fortune to hear of Doan's Kidney Pills and getting a supply at Emmel & Maloney's drug store, I began their use. Their effect was prompt and the results were of a more satisfactory nature than I had received from any other preparation I had previously tried. I can recommend Doan's Kidney Pills highly, knowing from experience they are a specific for kidney disorders."

For sale by all dealers. Price 50 cts. Foster-Milburn Co., Buffalo, New York sole agents for the United States. Remember the name—Doan's—and take no other.
