TROLLEY LINE BONUS COMPLETED

Glory Hallelujah! After Many Hard Trials
and Tribulations it is Finished.

The \$10,000 bonus for the trolley line to the A. and M. Coll ge has been completed. "Go tell it in Gath and publish it in the streets Ajalon." Lordy, but isn't it good news, and wasn't it a job; and don't you feel better, and can't you breathe easier. After months of work and waiting the goal has been reached, and we can exclaim, "It is finished." It has been a long road and a hard pull, but the top of the hill has been reached and we are on level ground at last. Let us stand and sing the long metre Doxology.

The members of the committee are busy making out drafts on each subscriber for the amount "set opposite" his name, and they will be collected tomorrow through the three banks of the city. The committee is extremely anxious to collect it every dollar to-

morrow and they urge the subscribers to be ready to pay the drafts when presented.

The reporter called on Mayor J. T. Maloney, who is promoting the enterprise, this afternoon and informed him the bonus had been subscribed and asked him for a statement. He said:

"I had heard the amount had been raised and it is good news to me. Just as soon as it is deposited in bank, I shall notify President K. K. Leggett of the board of directors that the road will be built, and that work on same will begin in a few days."

Asked as to his stock company, Mr. Maloney stated he had nothing to give out on that line just yet. He is enthusiastic over the matter and says there is no question but what the road will be built.

TEXAS BANK IS ROBBED OF \$6500

Bold Work Was Done Monday Morning at Lewisville.

Special to the Eagle.

Denton, Texas, Oct. 12.—Robbers entered the First National bank at Lewisville, a few miles south of here, early yesterday morning, dynamited the safe and escaped with \$6,500. Six or eight men are believed to have been on the job.

The work was done quietly, and after getting the money the burglars escaped on horseback and left no clues.

They missed \$9,000 in currency and coin which was in another compartment in the same safe.

Officers with bloodhounds, are on the trail. The explosion which blew open the safe awakened the inhabitants and many rushed to the scene in time to observe the men fleeing with the loot.

MORSE IN HARD LUCK AGAIN

FIFTEEN YEAR SENTENCE AFFIRMED BY COURT OF APPEALS.

WAS ALMOST OUT OF DEBT

Out of Jail Seven Months and Made Eight Million Dollars.

Special to the Eagle.

New York, Oct. 12.—The United States circuit court of appeals yesterday affirmed the decision of the lower federal court sentencing Charles W. Morse, former banker and steamship capitalist, to 15 years imprisonment in the federal prison at Atlanta, Ga.

The decision of the circuit court of appeals, so far as the direct appeal is concerned, at the office of Morse's counsel it was stated later, the case would be taken to the United States supreme court and application for bail will be made. In the meantime Morse will be sent to the Tombs prison or he might be sent to Atlanta to begin his sentence unless the circuit court of appeals in New York granted a stay in the execution of his sentence.

At the inception of the panic of 1907 Charles W. Morse was president of the Bank of North America, in New York city, and rated to be worth well into the millions, being also at the head of great steamship and other financial and business concerns.

The affairs of his bank became entangled and he was indicted upon charges of misappropriation of funds both in the state and federal courts.

His trial in the federal court resulted in his conviction from which this appeal was prosecuted, but the cases against him in the state court were dismissed.

Morse was for months confined in the Tombs, but finally he was granted bail, when he resumed his activities in the financial world, meeting with phenomenal success.

He is credited with saying recently that he had \$22,000,000 swept away in the 1907 panic, which also left him owing \$8,000,000, of which latter sum, it is said, he had recently paid back 80 per cent, and prospects of speedily wiping out the remainder and his complete rehabilitation in the financial world were most flattering.

Morse has contended that he was guilty of no wrong doing and that he was simply chosen as an example by the authorities, intimating that his prosecution was instructed from Washington.

REV. CARRICK QUIT THE CARS

Ring Up Fares for Each Passenger Grew Tiresome.

Lawrence, Kan., Oct. 12.—Rev. D. H. Carrick, recently resigned from the pastorate of the North Lawrence Presbyterian church because as he explained, "Ministers were not honest," and "that a man could not earn an honest living as a minister," has quit ringing up each fare in the presence of the passenger after one week's service as an "honest conductor." He will go East to conduct evangelistic services.

Mr. Carrick had been the North Lawrence church pastor only a short time when he resigned, and said wealthy men who control the church made it impossible for their pastors to live honest lives, and that the pastors' wives were criticized if they wore good clothes at the congregation's expense.
