\$900,000 IS LEFT TO TWO HOSPITALS

Wealthy Money Lender's Will Has
Cared Well for Them.

Special to the Eagle.

New York, Oct. 21.—The Presby-
terian and the Hahnemann hospitals of
this city will be about \$900,000 richer
by the terms of the will of Mitchell
Valentine, a money lender of West-
chester Village, who died at the age
of 85 years, leaving an estate conser-
vatively estimated at \$2,000,000.

Aside from a few bequests to rel-
atives and institutions the fortune is
to be divided equally between the two
hospitals.

REVIVAL MEETING.

The Eagle is authorized to announce
that a series of revival meetings will
begin at the Methodist church in this
city next Sunday morning and contin-
ue indefinitely. Special announce-
ment of Sunday services will be made
from time to time. On week days
there will be two services, 3 p. m. and
7:30 p. m. The pastor will conduct the
services and earnestly invites the co-
operation of all christian people.

COOK WILL SUBMIT PROOF

He Will Begin Work on Documents
Next Week.

Special to the Eagle.

Toledo, O., Oct. 21.—Dr. Cook
said yesterday he would be ready to
submit proofs of his discovery of the
North Pole to the University of Copen-
hagen within two months or possibly
a month. He will begin work upon the
documents upon his return to New
York immediately after the close of
his lecture tour at Minneapolis next
Monday.

SHIPPED FINE CHICKENS.

Mr. John B. Mike shipped a pen of
ten fine game cocks today to a party
in Mexico. This was the first ship-
ment on an order for one hundred
which are to be shipped between now
and Jan. 1st. Mr. Mike gets the splen-
did price of \$10 each for them and he
has orders for more than he can raise.
He is making the chicken business
pay and says every farmer in the coun-
ty can do the same if they will fix
for it and give the business any atten-
tion.

NEW RAILROAD ASSURED

CAPITAL STOCK SUBSCRIBED AND
ENTERPRISE WILL BE PUSH-
ED WITH ALL HASTE TO
COMPLETION.

STOCKHOLDERS TO MEET MONDAY

When Organization Will Be Effected
by Election of Officers and Di-
rectors.

The Eagle is indeed rejoiced to be
able to announce today that the new
railroad to the Brazos bottom has pas-
sed beyond the stage of probability
and is an assured actuality. The busi-
ness men of Bryan took hold of the
matter in a way that showed a deter-
mination to succeed and success is
already theirs. It was proposed to
organize a stock company with a cap-
italization of \$50,000 to put the enter-
prise through and the amount has al-
ready been fully subscribed. The sub-
scription lists however have not been
closed and will be kept open to give
every citizen of Bryan an opportunity
to become a stockholder in the enter-
prise.

The men at the head of the move
are thorough going and are not going
to let any grass grow under their feet.
They are going to push it and keep it
moving until it is completed, the last
rail laid and the trains running.

A meeting of the stockholders has
been called for next Monday morning
at 10 o'clock at Carnegie hall and it
is earnestly desired that every sub-
scriber to the stock be present. At
this meeting it is contemplated to
perfect organization by the election
of officers and directors and go right
on with the preliminaries necessary
to be done before a start is made on
the actual work of construction.

This is among the greatest an-
nouncements ever made for Bryan. It
means that the trade of one of the
richest sections the sun shines upon
is forever secured. It means that
Bryan is to be a city. It means that
its future is as safe and secure as the
rock of Gibraltar itself, and that the
very gates of hell will not prevail
against it.

BAYLOR 12, HASKELL 0

Baylor University Defeated the Has-
kell Indians by Overwhelming
Score Yesterday.

Special to the Eagle.

Waco, Texas, Oct. 21.—In one of the
hardest fought and best played foot-
ball games ever staged on Carroll field
Baylor defeated the Haskell Indians
here yesterday afternoon by the score
of 12 to 0. The game was fast and
brilliant throughout. The Baylor team
while consisting of the same men, did
not look like the team that faced Tex-
as Christian University Saturday.

Coach Mills seemed to have reme-
died all the defects that the previous
game revealed, and today his team
played almost perfect ball. At the
beginning of the game Baylor received
the kick, defending the south goal,
without attempting any risky plays,
and rapidly advanced the pigskin
down the field, making terrific plunges
through the Indian line and good
gains by close end runs. The Baylor
tackles and guards went through the
Indian lines for good gains. At the
end of the six minutes Leaser went
through for a touchdown and Captain
Robinson kicked a beautiful goal.

The second touchdown came about
the middle of the second, when Fouts
recovered on a side kick just inside
the goal line and carried the ball over.
Robinson again kicked a perfect goal.

There were few fake and trick plays
in the game, the forward pass being
attempted only a few times. A feature
of the game was the punting by Capt.
Roberts of the Indians.

STREET CASE IS AFFIRMED

Higher Courts Hold Verdict of \$12,500
to Be Valid.

The verdict by which Gus Street Jr.,
of Houston was given damages to the
amount of \$12,500 for personal inju-
ries received while in the employ of
the Morgan Louisiana and Texas rail-
road has been affirmed by the San An-
tonio court of civil appeals. The ac-
cident occurred in an adjacent state
and the matter of jurisdiction by Tex-
as courts was at issue.

The plaintiff in the original suit,
tried in Harris county, was in the em-
ploy of the Southern Pacific and was
riding on a track velocipede. The wheels
left the track at a bridge and young
Mr. Street was precipitated to the
ground below. His skull was fractured,
and it was found necessary to re-
move a part of the bone.

THE SAN MARCOS CLOUDBURST

Cotton Agents Gather Up Flood Scat-
tered Bales, Some Floating Five
Miles Down.

Special to the Eagle.

San Marcos, Oct. 21st.—Cotton
agents from Galveston, Houston and
Dallas were here yesterday looking
after two thousand bales of cotton
washed into the San Marcos river
Tuesday in the flood caused by the
cloudburst. Some of the bales floated
five miles toward the gulf, but all of
the staple is accounted for. Water
has been pumped from store base-
ments that were flooded and light
and water plants have been repaired and
are now in operation.

COUNTY UNION CALL.
