KILLED BY THE TRAIN

**JUDGE GRIFFIN, A 14-YEAR-OLD
NEGRO BOY MET HORRIBLE
DEATH.**

BODY CUT IN TWAIN.

Supposed That He Hopped the Train
and Fell Between the Wheels.

Judge Griffin, a 14-year-old negro boy, met a horrible death in the yards of the Houston and Texas Central railroad here at 10 o'clock this morning near the ice factory. No one saw the terrible accident and the finding of his lifeless body beside the track shortly after it occurred was the first intimation had of it.

It was a horrible death, the body being cut entirely in two. The head and trunk were lying just outside the rail and the legs and remainder of the body were between the rails. The position of the body and the way it was severed, make it almost certain that he was endeavoring to hop the train and fell between the wheels and had his life ground out before he knew what had happened.

He was killed by south bound freight train No. 24, in charge of Conductor

Jesse Waters and Engineer O'Leary. Blood was found on the wheels of the 23rd car in front of the caboose, showing that 23 heavy freight cars passed over the mangled remains.

Justice L. D. McGee was notified at once and went to the scene and viewed the body. He was not able to find any eye witnesses, and had not rendered a verdict when the Eagle went to press, but stated to the reporter that he was convinced the accident happened in accordance with the above facts.

The remains were turned over to James' undertaking establishment and prepared for burial. His mother and father are both living and their home is near the cemetery.

RAILROAD COM- PANY ORGANIZED

\$55,700 Subscribed and Subscription
List is Still Open.

BRYAN AND BRAZOS RIVER RY. CO.

To be Name of New Road to Penetrate
Rich Brazos River Valley.

The stockholders of the proposed new railroad to be built from Smetana across the Brazos river and down the bottom, met at Carnegie hall at 10 o'clock this morning for the purpose of organization. It was a meeting strictly of business men and they proceeded to business without any formality or ceremony.

Mr. W. E. Saunders, chairman of the stock soliciting committee reported to the meeting that the sum of \$55,700 had been subscribed, and that probably several more subscriptions would yet come in. Mr. Saunders was elected chairman of the meeting and Mr. A. W. Wilkerson secretary.

After the reading of the subscription list by the chairman, and a roll call showing that a majority of the stock was represented in the meeting, the chairman stated that an election of nine directors was in order. Mr. G. M. Brandon proposed the names of the following gentlemen to constitute the board of directors: W. E. Saunders, J. K. Parker, J. E. Butler, J. W. Howell, J. W. English, A. W. Wilkerson, J. A. Myers, E. H. Astin and G. S. Parker. They were elected by the unanimous vote of all the stock represented.

On motion of Mr. W. E. Saunders the following advisory and working committee was unanimously elected to co-operate with the directors: W. Wiprecht, R. S. Webb, H. O. Boatwright, J. E. Astin, Webb Howell and R. M. Gordon.

On motion of Judge J. W. Doremus the new corporation was named The Bryan and Brazos River Railway Company.

On motion of Dr. J. W. Howell the capital stock of the company was fixed at \$50,000 divided into shares of \$100 each.

G. S. Parker moved that the officers of the corporation be a president, two vice presidents, secretary and treasurer.

There being no further business before the stockholders, adjournment was taken.

Directors Meeting.

Immediately upon the adjournment of the stockholders, a meeting of the directors and advisory committee was held.

Officers of the corporation were elected by the directors as follows: W. E. Saunders, president; G. S. Parker, vice-president; J. W. Howell vice-president; A. W. Wilkerson, secretary and treasurer.

The following committee was appointed to confer with the officials of the I. & G. N. railroad: J. W. Doremus, W. Wiprecht, R. M. Gordon and W. E. Saunders.

The directors then adjourned. No time in the building of the road is to be lost and one of the directors stated to the Eagle reporter today that they expected to complete it in ample time to move next year's crop.

MR. J. R. IRVIN DEAD.

A Prominent Citizen of Huntsville
Died Suddenly Saturday After-
noon.

Mr. J. R. Irvin, one of the most prominent citizens and business men in Huntsville, died suddenly Saturday afternoon. He had a number of friends in this city and they were greatly shocked and grieved when the news was received yesterday morning. He had a son, Goode Irvin, in Allen Academy, and the young man left for home yesterday afternoon to attend the funeral of his father. He was given the tenderest sympathy by the faculty and his school-fellows.

Mr. Irvin was president of the Huntsville Oil Company and was one of the town's most prominent business men. He was also prominent in church and educational matters and was a member of the board of directors of the Bryan Baptist Academy.

Strange Situation Where the Law is

Special to the Eagle.

San Antonio, Tex., Oct. 25.—A special from Austin recently says:

A new way to enforce prohibition came to light today and it was made possible under the Fitzhugh-Robertson liquor regulation law limiting the number of saloons in each precinct—one to each 5000 inhabitants.

After having been dry for some time Fairfield precinct, in Freestone county, went wet a few weeks ago, and almost immediately applications for permits were filed with the comptroller for the maximum number of saloons allowed in the precinct. Subsequently there were more applications, and the comptroller refused them, advising that the precinct had secured all the licenses to which it was entitled.

The disappointed applicants replied that no saloons had been opened and that the applications were taken by prohibitionists who resorted to that method to continue prohibition.

It is a fact that the licenses have not been taken out, and no money has been deposited for the licenses, but the approval of the applications has stopped the approval of additional applications which would call for more licenses. In this way the saloon men are blocked without the payment of license money.

On November 1st, I will open a general Repair and Plumbers' Shop on North Main Street (Braatz Old Fan Plant.) All kinds of tools sharpened and ground. No job too small for attention. Willis Evans. 281
