Science has developed something infinitely better than the old-style wrap or clamp.

"PITTSBURGH PERFECT" FENCES ARE WELDED BY ELECTRICITY.

This is the modern method of construction. Years of life are added through the elimination of serious fence defects.

A WRAP holds moisture, creates the galvanizing and allows the water to attack the bare wire. A small amount of displaced galvanizing on "PITTSBURGH PERFECT" REINFORCES THE PROTECTION AGAINST RUST AT THE ELECTRICALLY WELDED JOINT. EXAMINE THE JOINT.

STAYS CANNOT SLIP. They are always just where they were put. Stay and strand wires become one piece when the weld is made. The fence is like a solid sheet of perforated steel.

Every Rod Is Guaranteed Perfect.

Don't allow your prejudice in favor of the rapidly declining and now antiquated methods you have heretofore known, to keep you from good judgment.

"PITTSBURGH PERFECT" FENCES REPRESENT PROGRESS, because hundreds of thousands of dollars worth of standard material is daily welded by electricity.

The hoop on the average sugar barrel in the isolated country grocery store is an electrically welded product.

If your wagon was made in a large factory, its tires were welded by electricity.

You will find electrically welded hoops on ice cream freezers and washing machines, on many tubs and buckets. Examine them.

"PITTSBURGH PERFECT" fences are made by this modern, simple and marvelous process, producing "THE WELD THAT HELD."

MR. FARMER: **LOOK, NOW.** Every agent handling "PITTSBURGH PERFECT" fences is authorized to guarantee that:

- That the wires are not injured at the joints.
- That the fence is perfectly adjustable to uneven ground.
- That the fence will not separate from the strands.
- That the fence is all right in every particular.

Could you ask for more delicate protection? Your complete satisfaction is absolutely assured.

MARRIED.

Hillmer—Schmidt.

A very quiet wedding took place at the City hotel last Saturday, July 2, about the noon hour, when Mr. Henry Hillmer and Miss Annie Schmidt were united in the bonds of matrimony.

Henry has been a resident of Shiner for ten years and is a model young business man, and stands well with all who know him. The bride, Miss Annie Schmidt, was raised in Shiner from childhood, and is a handsome and industrious young lady and has many friends.

The young couple left at once in an automobile for Yoakum, where they took the train for Kenedy, their future home. Their many friends wish them much happiness and prosperity. The ceremony was performed by Justice J. C. Habermacher.

Mount Olive Dots.

July 3.—A dance was given at Jim Chervenka's last Saturday night. All attending report having a nice time.

Joe Ullmann and sister, Miss Mary, of Seguin, who have been visiting their aunt, Mrs. W. H. Huth, and family, returned home Friday.

Mr. Nau passed through here Monday in his auto. He had been to Hallettsville to attend the Firemen's celebration.

Miss Mattie Hranitzky left Wednesday for Mountain Home, Kerr county, to visit relatives.

W. H. Moore of Sweet Home was here last Sunday.

Mr. Chervenka, wife and daughter of El Campo were guests at Jim Chervenka's last week.

Friday with Mrs. A. Pfander at Shiner.

Max Story and family of Pilot Grove was here last Sunday.

Hay and fodder making will be the order of the day the coming week.

A Rindorf and wife are visiting at the home of H. Siem today.

Wade Culpepper, wife and children of Mount were in Shiner last week. **BLUE BONNET.**

Socialist Encampment.

Hallettsville, Texas, July 1.—E. R. Meitzen, state secretary of the socialist party, announces through his paper this week that a socialist encampment will be held at Yoakum from July 25 to July 30. The speakers so far secured are: Wm. D. Haywood of Denver, Colo.; T. A. Heckman of Arizona, Rev. Reddin Andrews, socialist candidate for governor; Mary O'Reilly, a woman lecturer of Chicago; Uncle Sam Hampton of Waco. The encampment will be held in Goethe park, Yoakum.

A Fatal Accident.

A most deplorable accident happened Tuesday evening at the residence of Mr. Valenta Matula, near Kokernot. Mr. and Mrs. Matula were attending church in Shiner leaving three children at home, a girl of 10 years, a boy of 7 years, and a girl of 4 years. About 2 o'clock in the evening the children began playing, and the boy picked up a shotgun. The two girls ran into a closet and the boy took aim and fired. The charge of shot struck the youngest girl in the face, killing her instantly. The oldest girl was shot in the knee and will likely be a cripple for life. The parents did not return until 8 o'clock p. m., and the children were alone in the house until that hour.

Dryer News.

July 5.—We certainly have been having warm weather for the past few days. A good rain is what we need.

The barbecue which was given here last Tuesday, June 28, was well attended. People from Gonzales, Murrin, Dilworth, Big Hill, Hammon, Cheapside, Yoakum, Cuero, Hallettsville, Runge, Westhoff, Shiner and Hochheim were present. I am sorry, Mr. Editor, that you couldn't be with us here at the barbecue, for I know you certainly would have enjoyed it. [We tried to come, but broke down.—Editor.]

George Schroeder, wife and children of Westhoff were visiting at the home of F. Klohs Sr. the past week. They also attended the barbecue.

Several from here attended the dance at Shiner Monday.

Say, Gille, I must not tell you who I am, for that would be giving myself away. You must guess a little while longer. **K. A.**

Green School.

July 4.—Well, as the drouth is still with us, cutting fodder will soon be the order of the day.

Mr. Kuehne of Austin has stayed quite a while in this community, following his chosen profession. Mr. Kuehne is a bright young man and is a student of the State University at Austin. He will attend the university for three more years, in order to complete his course and receive the degree of B. A.

Miss Annie Kurtz celebrated her birthday Sunday before last. A jolly crowd was present and the evening was enjoyed hugely. Delicious refreshments were served and highly enjoyed by all who were present.

W. A. Huebner will leave for Anson, Jones county, on Saturday, July 9, to spend awhile with his brother. Mr. Huebner will leave here without the intention of returning. After he has spent awhile with his brother, he will go further north, where he intends to accept a position as bookkeeper.

Our school will close on Wednesday, July 6. The school term ends August 5, but as the attendance is small on account of the warm weather and work, the teacher, with the consent of the trustees, will close school on said date.

Gus R. Jaroszewski, our teacher, will move to Shiner on Thursday, July 7. Prof. Gus has taught this school for three successful years. He tells me that he will not teach this school, nor any other school next year. He will go into the portrait business. Teaching school must be a troublesome job, because most teachers who have taught for several years, quit teaching.

Listen, Gille, rather F. H. of Lone Tree, you say that you know why H. W. didn't get to go to the dance at Turner hall. Wonder why not?

Mr. Rabe and family, W. A. Huebner, Emil and Henry Jaroszewski enjoyed an ice cream supper at the home of Prof. G. R. Jaroszewski.

Say, T. B. of Nova, was certainly glad to note in your last report that you are an Eilers man.

Whooping cough is still playing havoc in this community. **H. W.**

Moulton News.

Moulton Eagle.
Mrs. O'Maley of California arrived Wednesday on a visit to Miss Zoe Bunting.

Mrs. H. A. Menefee, who has been spending several weeks with her parents, Mr. and Mrs. Henry Krause, returned to her home in Rock Island Saturday.

Mrs. William Tomasko and sister, Miss Lydia Wagner, of Shiner were in the city several days this week; the guests of Mr. and Mrs. J. Tomasko.
