New Leg-Spit Hold Is As Painful As Lewis' Gripping Headlock

NEW LEG-SPLAT—3 COL HEAD

Paul Lynn, middleweight wrestling champion of Iowa, has developed a new hold.

It's the leg-split.

While not as dangerous as "Strangler" Lewis' gripping headlock, it causes an opponent terrible pain.

It's a hold Lynn originated and developed himself, says Lynn.

With the leg split it is possible to force an opponent's legs apart until he has to let his shoulders to the mat.

It is a difficult hold for an opponent to break or slip out of.

There are no injurious effects from it.

"I believe it will put me in the championship of the middleweight division," Lynn, wrestling instructor at the University of Illinois.

He discovered the new hold while teaching a class.

He has originated other holds, but none as effective as the new leg-split.

Johnny Meyers of Chicago, middleweight champion of the world, is the only man who has been able to successfully withstand the pain caused by the leg-split hold.

"If I get another match with the champion," says Lynn, "I know how some other holds I've been practicing."

Oklahoma Farmer Gives Sound Advice on Avoiding Sickness.—Used Black-Draught 30 Years.

Pamona, Okla.—"I have used Thedford's Black-Draught for about thirty years, and certainly ought to know by this time what a good medicine it is," says Mr. T. L. Boutier, a well-known farmer of this place. Mr. Boutier has passed his three-score-and-tenth year, but declares his health still is good, "and I can say Black-Draught did its part."

"Where there is a lot of malaria, a liver medicine is a necessity, and I have never found one better than Black-Draught," continues the Oklahoman. "It is one that I know to be reliable. I have use it for the liver, stomach, constipation, indigestion, and it has done me a world of good. We use it for the family, and it gives satisfaction.

"Most trouble, or sickness, comes from the liver, and if taken in time can be avoided. That is why I use Black-Draught as I do. I am much pleased with results obtained."

Thedford's Black-Draught is purely vegetable. It acts on the bowels, gently stimulating the liver, and helps increase the normal flow of bile into the intestines. It assists in the digestion of food, and relieves constipation in a prompt and natural way.
