Section 1. It shall be the duty of persons having in charge steam locomotives and railroad cars, while running on the same in the following city limits, beginning, viz: On the north at the Fredericksburg road, on the south at the Lytle street, on the west at the Lytle street, on the east at the Lytle street, and on the south side from the Lytle street to the Lytle street, to regulate the speed of such locomotives not to exceed six miles per hour.

A MISTAKEN FEELING. How Robinson was Fined and How He Paid His Fine.

A man, whose we will call Robinson, and who was fined in a court, worked so much on the sensibility of a prominent lady of this city that she gave him, unknown to her husband, her watch to pawn, and the money he obtained on it was to pay her bill.

We all know that success in business requires energy and capacity for whatever business we may engage in, and all professions should be calculated to suit the talents of each, and everyone and when a merchant possesses these traits, backed by liberality in trade, his efforts are generally crowned with success.

At San Pedro Springs. The military band will furnish excellent music every Sunday afternoon, twice each week, daily from 3:30 to 10:30 p. m. 4-12-14.

ARE YOU AFFLICTED?

A Brief Description of the Diseases of the Eye, Ear and Throat, With a few References of Remarkable Cures. By Dr. N. S. Burnham.

San Antonio long felt the need of a skillful specialist in treating diseases of the Eye, Ear and Throat. The inhabitants of all this immense State, when requiring the services of such skill were compelled to make long journeys to distant cities at great expense.

Dr. N. S. Burnham, who had charge of the Kansas City, Mo., Eye, Ear and Throat Infirmary. They, one and all united in urging him to come to this point in Texas.

Catarrh. A few remarks in regard to this disease may not be out of place here, as it is so common. Nearly all have the trouble at some time in the acute form and call it a cold.

The Ears. A few words now in regard to the ear may not be uninteresting to some, especially those who are sufferers from various and numerous forms of disease.

The Eye. The diseases of the eye are very numerous - nearly 200 in number, clearly defined, and recognized by the oculist, all requiring different treatment in order to cure them and restore vision.
